## CROUCH, DUCK

F176

Duck Crouch was believed to be of the Martin Crouch born in 1799 line, a "close" relative of Martin's grandchildren. Of all the Duck Crouch names coming down from the pioneer families, this is the only one descendants told me is their ancestor. He lived on a farm adjoining James Crouch born in 1823 about 1890-1900. After WWI Jim Harvey lived there. His grandchildren and neighbor's children knew him only as Duck Crouch. We do not now know his wife's name, but the children were

Not one census record listed a Duck Crouch, and even now that we have the children's names, not one of the various Fentress County Census lists these children

as one family. Joe's daughter, Dorothy Laytham, recalled most of the facts. Dimmer Crouch and his sister Eva, Carmen Greer, and Marion Crouch's granddaughter Maxine Dishman gave many details and names of others who could give additional facts. Mary Rohana York Upchurch and Al Eugene Abbott have assisted in placing their family's order of age and name corrections.
