I happened upon your web site realizing I'm part of the unending story. I am from Kingsburg CA originally. My GF was Ray McNary #1396 married to GM. Wilma Upchurch # 1392 daughter of Elmer James upchurch. Are you interested in additional info as my mother is still around. We really had very minimal info on the Upchurch side. Very interesting. Thank you for your time. Gary M

Dear Cousin Gary,

Thanks for your \$20 for a 2015 membership in Allied Families which arrived via PayPal

Enclosed in my 2 FEB 2015 extract sheet could after you contacted me.

Also enclosed please find my 9-Page matter outline covering your ancestor Wesley U and his children & grandchildren. The descriptions of the GC (if any, if known) are covered in continuation section "C5" as shown on the left hand side of the page. I am sending only one of these C52. The entire desc grants cooperation. This has been a very active group - I need to refresh contact with those still alive. If you email the Richard Upchurch, III Family we will jumpstart this process.

For C52 please note I need verification that I have properly placed you under ~~MARRIE~~. Should it be WILMER?

I will welcome any correction or addition you have to these records

I will follow your lead based on your interest & offer some options

- we can continue to exchange info and improve the website further
- I could send more CS sections
- I could send copies of records biopics on some of your ancestors
- you could look at the Upshur Bulletin online - www.upshurstory.com for more details on your ancestor, location etc.
- we could buy more records up to the present
- we could get started on collecting money to email the Richard Upshur, III Family to which you belong
- something else - or nothing - your call - I don't like to impose but enjoy collaboration

Best wishes & Thanks again

P.S. - for more info on me google
