"My records show Capt Burt U b 31 JUL 1838 (Cem. Records) and show he and **ETH** md 15  
JAN 1858. I realize that makes her "13 years old". I also notice that her dau Julia was b 31  
JAN 1869 and it stands to reason in the days of limited birth control she probably had her  
first child about a year after marriage. That would give credence to your date of 1869."
