Dear Cousin Glen,

Thanks for your note regarding the birth place of Tamme. I've completed my records for the family of Mary Ellen U. In fact the 14 member family of Danah Carlsson U is complete for all 62 stems of information required except for the birth date and birth place of Joseph Roger Davidson. If you would like to call your first cousin Danne Denise (W) Davidson and secure those two details it would be fine.

I don't know how far your interest in Upchurch family history might go but I endorse a flyer and an order blank on the Upchurch Bulletin in case you or someone you know is interested. If you would like a sketch of your line and name back to Michael U, I showing how we are related just let me know. You are descended from Moss U and I am descended from Nathan U, I. These two brothers settled on the Wake/Chatham border about 1802

and gave me a large number of descendants<sup>(2)</sup>  
among whom you and I are two. I was  
born and raised in southern Wake Co and  
attended N.C. State.

Several years ago I had a wonderful visit  
to NC and your GF Donah and your Aunt  
Aunt Oliver brought me a fine tour of  
Upchurch Country. Correspondence followed with  
both Donah and Oliver and has been quite  
active with Oliver and his wife Helen in  
the last year. They are all fine people. ~~to~~  
I hope to visit them again in the next year  
or so.

Please let me know if you have any  
questions about your Upchurch heritage.

Sincerely yours  
Phil Upchurch  
(ROBERT PHILLIP UPCHURCH)

Dear Glen & Tammie,

Perhaps Donald Carlton Upchurch has told you of my efforts to develop a complete history on all Upchurch and their descendants. A brief flyer on this effort is enclosed.

I have almost a perfect set of details for the Pender Eugene Upchurch, Sr Group except for a few items. In your case I need only the birth place for Tammie Salena Lee. If you could provide me with that detail I would be most grateful.

If you have any questions about your Upchurch line, please let me know. I'll try to answer.

Sincerely yours  
Phil Upchurch
