***possible ancestors of Barry D Decker (Internet cooperater) who lives in Wayne Co, KY and reports “I know for a fact that the Fairchilds lived right up the road from me in an old log cabin built in the 1850s that has burnt down. My dad used to live there as a young boy. He knew of the house as the Bertram Place. James Ahile and Thurseley Fairchild Bertram lived there. Thurseley (if I’m not mistaken) was a sister to Martha. They were daughters of Abijah Fairchild who built the home. He [Lonzo Bertram] told me that some of Reuben and Martha’s boys operated a store in Burfield where the post office was located. I believe they also owned a grist mill right beside the store. His father James worked at the grist mill.
