Hello Phil,
I am the spouse of William S Upchurch, Jr, son of William S Upchurch, NC. I believe it was my father in law that sent information about our family to the Upchurch bulletin in the 1980's. We received the bulletin for several years. Recently, my sister in law, Linda Upchurch Dilger, gave us your information and the Allied Families website.
My husband and I are away from home visiting family so we don't have the bulletins available for us to look up the different numbers that were given to each member of our family by the Upchurch bulletin. We hope to be in the Cary area later in April, and were thinking about stopping by and visit the facility there.
We will try to contact you when we return home and give you some of the names/dates/places.
Thanks,
Iliana Dominguez Upchurch

Hi Iliana----

Your inputs allow me to place you precisely in the Upchurch family. I have you in my records as XID-8760, the wife of WSU, Jr. His father and I were in touch for quite a few year and exchanged a lot of details. It all got started when in the 1970's I visited his brother Garland Worth Upchurch "Pete" in his home in western Wake County. All of my notes are preserved. Your group belongs to the Moses Upchurch/Whitney Upchurch SubClan. We have published huge amounts about the Moses Upchurch Clan on our two websites but still only a small amount of what we have collected. The records are now in MO with me but are scheduled to go to our Cary, NC Facility in due course. When time allows look at our two websites. On www.upchurchstory.com password 2013upchurch# note that we have posted all 37 years of the Upchurch Bulletin. Also note the 35 videos and especially No. 32 on Moses Upchurch your direct ancestor. Then go to www.alliedfamilies.com password 2014allied#. There note the enrolled family of Moses Upchurch to which you belong. Also note the various tabs under which you will find supporting data. We continue to improve these websites and need a lot of help. Let me know if you have time/skills/ money to spare. It all fits together to augment/process/preserve for the long-term and to share the data.

It is great that you are going to visit our Cary Facility. The volunteers are there on Thursdays 2-4 pm. Otherwise contact Carla Michaels our Volunteer Coordinator for special arrangements. You will be pleased to see the Bible of Merritt Upchurch the ancestor of your part of the family. You may wish to meet your cousin Rhonda Jones who gave the Bible.

It great to have you aboard and thanks for your interest and support.

Sending All best Wishes~

Phil Upchurch, Manager Allied Families

Dear Cousin Iliana,

Thank you for the renewal on the UB
and for the information on your daughter
Emily Lynn U. I have given her XFD-12721.
I appreciate your interest in family history - don't
suppose there are as many as absorbed as
I am. Today I am taking off a day to catch up
on genealogy. Normally I would wait til 5 AM
to start but at 4:10 AM I could not stand
to stay in bed longer - it is now 4:55 AM
as I pen this to you. It takes all types to
make the world go around!

Here are the missing items on the family
of William Shelton U Sr - can you help with
any of these?

- 1) For William Shelton U Sr
 - a) where born?
 - b) where married?
 - c) what is his wife's full maiden name?
(I have Anne Edna Andrews and
Edna Annie Andrews)

(7)

2) For Mary Jodette U

a) when and where was Homer Joseph Hudington, Sr born?

b) when was Marianne Hudington born?

c) ^{when and} where was Brian David Lambert Sr born.

d) what is the full name of Andrew Babson and when and where born?

3) For Linda Lee U

a) when and where was Robert George Dilger born?

4) For William Shelton U Jr

a) what is your full maiden ~~at~~ name and when and where were you (Liana) born?

Any help at all on the above will be appreciated

I have had some very nice letters from your husband's first cousins (8739, 8740, 8741) as you may have noted in the U.B. Their father, Cary Ernest U Sr, died when his children were quite young and they were raised without knowing much of their Upchurch heritage

Sincerely yours
Phil Upchurch
