Dear Phillip -

I received your bulletin this morning and was pleased to learn of the Upchurch Reunions. I have been in correspondence with two interesting organizers of such reunions in this section. One is Thos. Ralph Upchurch from Birmingham Ala. My son, Dr. C. O. Pollard Jr., of Atlanta, and I plan to attend the one in Burnell Ga. Oct. 5<sup>th</sup>. I plan to fly to Atlanta and we will drive from there to the reunion. Thos. R. Upchurch's great grandfather was Thos. Day Upchurch.

Also, I have had several nice letters from Helen Dausby about the reunion Nov. 9<sup>th</sup> in Apex N. Carolina out of Raleigh. She is a descendent of Deam Upchurch and Adelia Bearers. I hope to attend this reunion also, if the weather permits. Will some of your folks be there?

My grand daughter is a senior at Duke this year and this will give me a chance to visit her.

I will let you know how it all goes.

Sincerely

Lois Pollard
