Ivester, Mozingo wed in ceremony

Tracy Ivester of Cary and Scott Mozingo of Angier were married Sept. 19 at Bethel Baptist Church in Cary. The Rev. Bobby Jordan officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. Charles W. Ivester of Cary. The bridegroom is the son of Mr. and Mrs. L.B. Mozingo of Eureka.

Given in marriage by her father, the bride wore a formal gown of white silk organza over taffeta. The bodice was designed with a Queen Anne neckline and leg-o-mutton sleeves with a ruffle accenting the sleeves at the elbow and accented with motifs of peau d'ange lace, seed pearls and sequins. The basque waistline, full skirt and Cathedral train had ruffles and edging of Chantilly lace along the hemline in the back and front. The train featured the ruffles and Chantilly lace coming to a point. The head piece was lace, with beaded seed pearls with a scalloped edge fingertip veil.

Kathy McDuffie of Raleigh was matron of honor. Bridesmaids were Tammy Greathouse of Hampton, Virginia, Michelle Owens of Greenville, N.C. and Amy Scott of New Bern. L.B. Mozingo of Eureka, father of the bridegroom, was best man. Ushers were Henry Braxton of Eureka, Todd Ivester of New Bern and Kirk McDuffie of Raleigh.

Following a reception at Jordan Hall, the couple left for a wedding trip to Myrtle Beach and the mountains. They will make their home in Pleasants Grove Community.

The bride is a graduate of Cary Senior High School and is employed by Aetna Life Insurance. The bridegroom is a graduate of Charles B. Aycock High School in Pikeville, and is employed with Applied Control Technology.

On 13 MA 1981 ROU called M. ~~Esther~~ Ester Ivey
 from the Raleigh-Durham, NC Airport.
 Her address - M. E. Ivey
 302 South Academy St
 Cary, NC 27511
 Phone 919-467-7204

Her name was given to me by Anne Metzger,
 a key worker in the Cary Historical Society, as
 being a very old Cary resident who might know
 of Uychurcher.

Ester was quite willing to talk. She was b. in 1870
 and came to Cary, NC with her parents when
 she was a child. She is an old maid. Has taught
 school. The only Uychurcher she knew was
 Δ the family of Bartlett U who ind James Creel.
 I called off several of the children of Bartlett
 U & she knew them but had no real
 knowledge of them adult years. They moved away
 from Cary as they grew up. She does recall
 the Creel family and recalled them
 coming down the railroad track to church.
 She says Bartlett U lived on the main
 street in Cary which is Chatham Street &
 that he lived next door to the Baptist
 church which is now gone. She thinks
 the house of Bartlett U is still standing
 but in poor repair.

Δ { Ester does not know the w. w. Uychurcher
 who is recorded in the book "Ground
 and About Cary" as having started a
 luncheon in Cary in the 1800's

Hi Jesse---

It was most kind and thoughtful of you to send me details about the passing of Rudy. My first contact with him was when I was in San Antonio, TX on business and found his number in the phone book and made a cold call to his home to see if we had common interests in family history. We did. Nancy answered the phone and said " Let me have you talk to the original Upchurch". From that date, February 27, 1988, until 2004 we were in frequent contact. I am sorry the pressure of other duties has delayed me in getting back to you.

Rudy and I were fourth cousins once removed. He had a very great interest in his Upchurch heritage and provided me huge amounts of valuable information on the Richard Upchurch, IV Line in the Richard Upchurch, III/Claburn Upchurch, I Subclan to which he belonged. Some of what he provided I published in the Upchurch Bulletin (now in it's 32nd year of publication) and it all will go to The Upchurch Collection at N. C. State University which Collection I have established and endowed. I, in turn, supplied Rudy with much information.

On February 6, 1996 it was my great pleasure to visit Rudy and Nancy and to meet Bruce. Nancy prepared a delightful lunch.

I'll mention just a couple of things from my Biofile on Rudy. In 2004 he wrote me about his idea on invisible bumper stickers- a bit of charming, creative, nonsense. This make me sense that he would have been a joy to have been around. In 1992 we had plans to get together. Rudy had to cancel writing on December 31, 1992 that some family matters came up including Brandon having a broken arm bone.

I note in your email the mention of Kendal and Cameron who are new to my records. It would be nice to know how they fit into the family. If you or anyone else in the family have questions about our shared Upchurch heritage or would like to be engaged in any way on the subject I would be pleased to respond.

I send this message as a sort of condolence to the family in hopes that my comments will reveal the great respect I had for Rudy as a person, as a cousin, as a Collaborator, and as a friend. May He Rest In Peace.

With Best Regards to All and Especially to Nancy.

Dear Phil;

I received your very kind and empathetic note today, regarding my father-in-law Rudy Upchurch. Thank you so much. I have passed the note along to my husband, Rudy's middle child, Bruce. I certain he would love to be part of your mailing list and a part of your ongoing Upchurch story. I have been doing my own family's history, DNA and research for the past decade and I'm afraid Bruce has finally caught the bug from me. He's been updating files and doing research at Ancestry.com and has just completed his membership to 23andme.com to check his yDNA amd mtDNA. I will, of course pass along your greeting and condolences to Nancy in Woodinville, Washington.

Let me tell you of the few updates to the family tree and those whose name you mentioned in your note. Bruce (Rudy's son) and I, Jesse Elin Upchurch have one son - Branden, it must have been Branden who broke his arm. back in 1992. We had just moved to Scottsdale from Chicago and Nancy & Rudy were at our home for a Thanksgiving visit. Branden slipped on his sliding board and cracked his upper arm near his shoulder. He was 2 years old at the time. Branden is now a junior at Arizona State University and 21 years old. He's double majoring in Film and Media Studies and Japanese. He hopes to go into video game design after spending a year or more in Japan. He was a high school exchange student in Toyko and has been back several time with his Dad, Bruce. Bruce is a commercial music producer and continues to be an industry leader in composing and producing radio and TV ID jingles and music packages. I was a TV staff announcer in New York City for many years and was also the news anchor at WNBC-AM during Howard Stern's first tour of duty there. I was also a press secretary for a major NYC politician and then continued to work on air as a news anchor in Dallas and Chicago after Bruce and I married. I went on to become a working voiceover announcer doing voices and announcing for network and local commercials till this day.

Bruce has two older daughters by a previous marriage; they are Amanda age 32 and Jennifer 30. Jennifer has a son now, Rudy's first great grandchild, named Cameron. Cameron is now 9 years old and lives with his Mom in Dallas, TX. Amanda also lives in Dallas. Neither of my step-daughters is married. Cameron's last name is Upchurch. He is a child of mixed race, so it looks like the Upchurch clan is beginning to introduce some color to the family line. He is a stunning child, extremely bright, very tall, he looks like his mother and and a smile that will make you melt.

Christine, Rudy & Nancy's third child now has two children, both boys. They are: Riley and Kendal Robertson and also live with their parents in Woodinville, Washington. Riley is 17 and Kendal is 10.

The oldest son, Garland Rudolph Upchurch, Jr. known as Gary is with the University of Texas in San Marcos. He is divorced from his first wife, Amy and was widowed (nearly 3 years ago) from his second wife Belinda Fuller, who was killed in a car accident. His children are Garland Michael (known as Michael) is waiting to hear which medical school he will be attending in the Fall and his sister Lauren who is at the University of Oklahoma at this time.

Thank you for allowing up to participate. You can send any future e-mails to my husband Bruce at: bruceup@cox.net

Be well and thank you again.

Hi Jesse--

Thanks for your added input which I have now incorporated in my system to good effect. I am impressed with your career [pathway.Thanks](#), also, for directing me to Bruce. I'll get to him soon but will make a few passing comments here for the benefit of both of you.

Re Branden and ASU--it is quite a coincidence that we had a grandson graduate from there last year. We all went down for the event. It was a little painful as I retired from The University of Arizona in 1995 after 20 years there. Bruce will no doubt want to brag to you

about some of the special events in our Upchurch heritage (really they are just footnotes in history). An Upchurch taught Charles Lindbergh how to fly. Another Upchurch founded the first fraternal benefit society in America in 1868. The richest Upchurch married the widow of John Wayne. The Phillips descendants of Upchurches dominated the make up industry in Hollywood in the 1920-1980 era creating Spocks ears, etc.

But the most compelling story for Rudy's ancestors is how they moved to Central Texas and lived there under very challenging circumstances. The trip I made to Pluto, TX in 1996 gave me one of the most moving experiences I have had in family history. I have portrayed this in the Upchurch Bulletin including some of what Rudy supplied. For the trip we had a retired Texas Ranger for a guide. He was an Upchurch descendant from the Kentucky Upchurches. And the story goes on.

I'll pick up with Bruce and see how our mutual interests match. So, for now, thanks again for your help in building up a head of steam for Rudy's family.

Dear Phil

I don't know where you're located these days, but I thought we should let you know that we will be holding a Memorial Service in Honor Of Nancy & Rudy's Lives at their favorite church here in the Scottsdale area. It's called St. Barnabas on the Desert in Paradise Valley. And it will be on Saturday June 11th (Which would have been Nancy's 90th Birthday). We have the siblings and their children coming in from around the country to join us. We would like to extend and invitation to you and to your family to join us at the memorial, if you are in and around the area on that day and time.

You were so generous with your time and attention to detail and listened patiently to all the stories. We're not anticipating a big crowd, mostly family and a few friends.

Thought we'd sent you a long a invite too. In the event that's you maybe be nearby.

Any question or comments.... free free.

Hi Jesse---

It is kind of you to extend an invitation to attend the memorial service for Rudy and Nancy. I regret that we will not be able to attend. We have lived for 16 years in retirement in the St Louis, MO area. It was just yesterday that I entered the details of Nancy's passing in my records.

Please let the gathered group know of the great rapport which Rudy and I had in sharing family history. We are fortunate to have a very good collection of details on the Richard Upchurch,IV Line in the Richard Upchurch,III/Claburn Upchurch,I Subclan to which Line Rudy belonged. If anyone in the family has an interest in knowing about and enhancing this slice of Upchurch heritage I will be a willing collaborator.

Trusting that the Memorial Service will be healing and fulfilling, I remain, a cousin,
Phil Upchurch
