7) 3 OCT 2005 (MON)

Spent 9:00 AM - 3:00 PM in Wake Co, NC Register of Deeds office collecting about 50 more deeds & labeled Batch # 3. Tried to call Joe Salath to report that I would be late (twice). Got busy signal.

Arrived at home of Joe & Emma Salath in UPCHURCH FARMS Subdivision off of High Home Road. George & Anne U were present. Spent about 1 1/2 hours discussing family history. Joe gave me a copy of the Upchurch Family History Directory he is maintaining for the funeral Home Reunion. I described my concept of a Perpetual Cemetery Care Trust. There was much agreement about the need but no enthusiasm for participation - even when I mentioned preparing a booklet on the Martinsville Baptist Church Cem as a primer for the concept.

Joe did follow me to the car and made a special offer to dig out some specific bits of information (note limits of offer). He did say maybe this would help him "catch fire" while at the Salath - Sallaine called & we discussed how she & Barry had inspected Joe invited me to stay for dinner but I declined.
