6. William Ray, Sr.

The following information on William Ray, Sr. is primarily summarized from a 1997 book entitled, "The Families of Henry Nail and Mary Keller, and Thomas Ray and Elizabeth Pearce." This thoroughly researched and documented book is a publication of the Nail-Ray Association of Shelbyville, Indiana.

William Ray, Senior, was a Wake County farmer during Colonial and Revolutionary times. William Ray, Sr. owned a 500 acre plantation on the south side of Moccasin Creek, about 17 miles northeast of Raleigh in what was Craven County before 1746, Johnston County between 1746 and 1770, and Wake County thereafter. Moccasin Creek has been a boundary dividing Wake and Franklin Counties since 1779. The land owned by William Ray, Sr. in Wake County is east of the property owned by Luke, Joseph, John and Nathan Ray. This William Ray, Sr. is not thought to be related to Nathan Ray, unless a connection can be proven in an earlier generation.

William Ray, Sr. is the parent of at least six children (William, Jr., Baker, Thomas, Hudson, Charles and Chesly? — birth order unknown). William Ray, Senior was too old to fight in the Revolutionary War, but three of his sons were just the right age. Late in 1779, William's son, Thomas, about 17, left home to join the Continental Army for the first of seven 3-month campaigns. Twenty-one months later, Thomas returned from the war. Two of William's other sons, Hudson and Charles, also served and died in the conflict for American independence. Hudson Ray was a soldier in the North Carolina Continental Line and died of wounds in the Battle of Eutaw Springs in September 1781. Charles Ray was a soldier in the North Carolina Militia and died of smallpox while a prisoner of the British, probably during 1781.
