Enclosed is a copy of my master outline sheet for Ruth Ellen (W) Fairchild and her children. The descendants (if any) if known are covered in continuation sections as indicated on the left hand side of the page. There is only one of these (93A) - which is also attached.

I hope we can continue to work together on aspects of the Joseph W (b1829) line that are of mutual interest.

I checked my copy of the Wayne Co, KY Cemetery Book (Do you have this?) for a few items that might be of interest and found the following:

#1 Tuggle - Sandusky Cem - Pg 629
 SAM FAIRCCHILD 13 APR 1886 - 17 DEC 1888
 O SSW FLORIDA FAIRCCHILD 69 MAR 1891 d - } has Slogles also
 Could this be Ellen's son SAM?

#2 Do the following apply to Ellen's dau Zora & her husband Robert Slogle??
 a. Elk Spring Cem - Sect Pg 159
 Robert Slogle 10 AUG 1889 - 7 JUN 1963
 b. Big Springs Cem - Pg 688 [has Slogles & Fairchilds]
 Zora Slogle 8 NOV 1889 - 11 APR 1918

#3 Does the following apply to the 1st Par of Martha Lee Fairchild?
 Bethesda Cemetery - Pg 70
 D. T. MARSH 10 MAR 1872 - 4 DEC 1896

There may be other useful entries in the Wayne Co KY Cemetery Book. It is a great resource.

I am quite anxious to upgrade the enclosed single sheet on Ruth Ellen & her children as this takes us down to the 7th generation of the Upchurch family in this branch of the family. The prospect of improving my records on the descendants of Ruth Ellen's children would also be welcomed but is of a lesser priority for me.

I am anxious to cooperate with you and any others who have interest about the siblings of Ruth Ellen. Some of my records are quite good for them but I also have some real puzzles. One of them is for the family of Ruth Ellen's sister Rebecca Louise (JANE?) who mtd Hiram M. Watson. I have quite a few inputs on this family but more needs to be done to fit things together. Do you have details on this family or do you know of a potential cooperator.

I'll look forward to hearing from you as your time and interests dictate.

With All Best Wishes.

Sincerely yours

Dear Phil,

Your much-welcomed letter came at a time when I was in the middle of a transition to a new computer. For this reason, I didn't get a reply off to you right away. Melva Henninger has been a great help to me in documenting some Upchurch records. I'm pleased she shared some of my family information with you.

Please send me your family connection to our Upchurch family? Enclosed is a printout of the siblings of Martha Lee Fairchild (my grandmother). How did you find the information on Richard Fayette Fairchild? I have been through every states social security death index looking for him to no avail. None of our family knew where he lived, only that he was married and had 3 children. Since he was a career soldier, I came to the conclusion that he lived in another country. Enclosed is a paper copy of his photo. I appreciate getting this information, and can now proceed to order a death certificate (if possible).

- △ Joseph M. Fairchild was shot and killed within 6 months of his marriage. There were no children between him and his wife.
- △ Zora Fairchild married and had 2 children. She died when they were young, and the children were raised by their paternal grandparents.
- △ Samuel Fairchild died when an infant or small child. I have no other information on him.
- △ Thank you again for Richard Fayette Fairchild's location. I hope my information has been helpful, and I look forward to hearing from you again.

Dear Cousin Jo,

As you will see from the enclosed flyers I have a keen interest in documenting the Upchurch family; your address & some records you provided to Melna (Upchurch) Hennings in 2001 were sent to me by her in a large packet in JAN 2002. I have just finished processing this and hope now to establish a basis for exchanging records with you. I don't want to be a bother so will be happy to follow your lead on how we proceed.

Enclosed is a copy of my single sheet master outline on the family of Martha Lee Fairchild, you can see it needs improvement and any help you can give will be appreciated.

⑦

-2-

Although I am interested in upgrading Martha's outline, I am even more interested in her siblings and her aunts & uncles.

Martha had siblings Joseph M. Fairchild & Zora Fairchild but the mother of a 3rd or 4th sibling seems to need attention based on your records and mine. Enclosed is a sheet I found in my Profile System for the death of a Richard Fayette Fairchild in CA. Do you agree that this is a brother of Martha? At one point I thought Richard & Fayette (Lafayette?) were two people but it seems they are one and the same.

If your time & interests are such that you are willing to exchange information, I would very much enjoy working with you.

With All Best Wishes.

Sincerely yours
Phil Upchurch
