Dear Cousin Ruth,

Sorry I missed your call of 10 APR 1991.
However, I think my wife's Salame gave
you the information you needed. The July
1991 (Vol 12 No 3) issue of the ET was mailed
early that week (bulk mail). It should
be to you by the time you get this or not
long afterwards. For years our standard
practice has been to mail in the first
week of the third month of the quarter (JAN
issue in MAR; APR issue in JUN; JUL issue in SEP
and OCT issue in DEC). However, we usually
get the OCT issue out in NOV to avoid the
Christmas mail rush, or the issue just
mailed we get it out early to avoid
conflict with our son's marriage in SEP.

Pleased to have your interest - let me
know what you
are thinking!

Sincerely yours
Phil Exposito

Dear Cousin Ruth,

Two past weeks I received a copy of a picture of the 1954 Palm Beaches family reunion. I have "downloaded" the photo onto my notes, XIA's etc. A copy is enclosed for your use in case you do not have one. I have sent one to Rudy & also we still have questions re HERSCHEL, HERSHEL or HERSHEL correct and is BOCK a real name? Is it Alma Edland (Edland?) or Edland Alma &? What is Rachel's full maiden name. We may never know the answers to all these questions but we certainly have made a lot of progress. In any case this is a nice picture.

I hope this finds you well and off to a great start in 1991. Let me hear from you.

Sincerely yours
Phil Upchurch

Dear Cousin Ruth,

Thanks so much for your most recent letter which arrived 30 NOV 1990 and for the check to renew your subscription for the U G for 1991. We had already mailed Vol 11 #4 to your S.C. address so we have now mailed another copy to your Houma, LA address and will send the 1991 issues to you in LA.

The details on Hershel (Herchel) Guch II are much appreciated and they have all been recorded appropriately. I do hope you will hear from him. Perhaps a phone call would be worthwhile to Modwin. He could be a key to getting more details. We are missing quite a bit on the family of John Brannon (Brannum) II. It would be nice to have hard information on BRANNON VS BRANUM. Also on HERSHEL VS HERCHEL. It is so nice of you to continue to work on this family.

It sounds as though you are set up to give priority to things you enjoy doing. At our age we have earned that.

right. Our daughter²⁻ and her husband and three children live just two miles away from us. We have to assist on our night to a separate life. We love them all and help out a lot but a separation to some degree is good for all.

You and my wife are alike on the computer. She has become a whiz at it and enjoys it (in spite of the occasional "oh no" when she makes a mistake and hits the wrong key - which brings a lecture from me - but she ignores my lectures). You on the other hand, have threatened to learn the computer but never have. They are good things.

Please let me know if you need any details that I have. Copies of Master Outlines and Profiles for individuals are easy to copy and mail.

I hope this finds you in good health and looking forward to the Holiday Season and to the New Year!

Sincerely yours
Paul G. Hurns

Dear Cousin Phillip,

B-1-91

You can send any correspondence to me at this address.

I finally got an address of a brother-in-law to write to for more information - Hershel Buck Upchurch - a younger brother of my first husband J.D. I have written him for information on the family and hope he can answer my questions or send me the address of someone who can.

I explained to Buck what I was trying to accomplish and why. I also told him that I was going to share whatever information I received with you, so there would be more than one copy, in case anything happened to me.

would you believe I still have all of your letters. I put them in

2

a 3-ring binder (loose leaf notebook) in plastic covers. I do this, so I can refer back to them, in case you ask me a question I cannot answer at that time I still know what you need. Your letter of 2 DEC 1989 had many questions I could not answer then. Now that I have Buck's address and can write to him maybe we have a way of getting those questions answered.

Before I forget again, can I still get a copy of "Upchurch Family of England, Virginia and North Carolina" by Belle Lewter West and "The Upchurch Story" by Olive A. Morgan?

Don't remember if I told you that I have a computer - Commodore-128 and that I am finally getting to learn how to use it. I have had it about 2 years and was just learning to use

it when we had to move. For the year I lived in S.C. with my daughter Rebecca the computer was boxed as we had no room to set it up. It took me about three years to make up my mind to invest in getting one. I told my cousin Sandy "as sure as I get one, it will be my luck, that something will happen and I will not get to use it". In 1985 during hurricane "Juan" I had two feet of water in the house and I could see that happening again and ruining the computer, disk drive, monitor and printer.

My daughter wants me to move back to S.C. and live with her since I am getting a divorce. I do not want to right now as I have all of (or most of) my family records here, I have room for my computer, can work on genealogy when I want to, go where

I want to and no (or little) interruptions.

I like my peace and quite.

Don't get me wrong, I love my daughter very much and her family but while I was there I did laundry, taxi service, run errands, could not watch TV uninterrupted, no time for genealogy, no friends to talk to, would have to dispose of all of my appliances books etc. as it is all in her garage ^{in boxes}.

I may eventually have to move back due to health ^{or} financial reasons.

I hope Buck can send me addresses on other members of the family so I can write them. Perhaps the more family members that know what I am trying to do the more information I will get. I hope the grandchildren and great grandchildren of John Branum and Josie Dee U. are interested enough to send me information on their families. They are

scattered all over the country and we are losing contact with each other.

I have the first five generations in my computer and working on the 6TH. Kinda proud of myself right now. I'm learning. Looking forward to learning how to print the information out so I can send a copy to my grand children. Had to do it over two or three times to get what I wanted. Wish me luck.

Am enclosing a check for my subscription for next year before I forget.

Sincerely,
Ruth Exposito

Dear Cousin Ruth,

Thanks for your letter of 7 NOV 1990 and for the details. I have corrected your birth date in the master copy of the UB. It was correct on my master outline.

Much of Chart 043 I already had but there were a few new bits for my records. Some of the dates and places vary from what I have. I can't tell which are the most reliable dates. Mostly they are close enough. If anyone in Terrebonne wants to worry about these small adjustments let me know.

I am certainly pleased that your interest in the Upshunks family continues and will look for more input from you. Do we continue to send the UB to you at 311 Forsyth Street Drive, Greer, SC 29650 or should we now use your Houma, LA address

Dear Mr. Upchurch,

It seems a long time since I last wrote to you. Can't remember if I did while in Greer S.C. Do remember getting all back issues of the "Bulletin". I look forward to each one eagerly and enjoy them very much.

In Book of Charts vol. 1 published by the Terrebonne Genealogical Society, of which I am a charter member, I found some Upchurch families. Am sending you a copy of the page.

I found those I could in the "Bulletin" and put their XID numbers by their names. I thought you might like to have it in case you do not have Meta Eleanor Upchurch and other information.

While in Greer S.C. I looked in the L.D.S. Church library for Upchurch relatives, but everything I found you have already. Looked for my family also but did not find very much. Their public library does not have very many genealogical books either.

Now that I am back in Louisiana I am trying to get as much research done on my family as I can.

I am here trying to settle my parents estate. My step father died in May.

Our Rodrigue family published a book in June for our fifth family reunion and after some more research is done we hope to

publish another one.

would also like to do enough research to be able to fill a fifteen generation pedigree chart for my grandchildren.

I have not given up doing Upchurch research as I still collect everything I can find. It seems as though there are not enough hours in the day to do everything I need and want to do.

Oh, when you entered my name somehow my birth month was put as May. My birthday is 2 MARCH 1926. } CORRECTED

The details you sent are most helpful. I have spent several hours extracting your letter, assigning XFO numbers, improving the Master Outline and creating new biogles on the various individuals involved. Based on your interest I am sure we will continue to be able to help each other. I have included a list of questions which can help our exchange. In due course I'll have more questions on the John Brannon (Brannan) & family.

I am anxious to learn more about any information bearing on the middle name of John Brannon (Brannan) Upchurch? Do you have anything more on this. This question also bears on the middle name of his father Kenyon B. U. I. Presently, I show the "B" for both individuals as standing for Brannon. Any light you can shed on this issue will be appreciated.

Over time I'll be glad to continue to share information with you. Please let me know if you have questions.

Sincerely yours

Dear Mrs Exposito

I thank you for your letter of July 22, 1989 and for your order for the Upshunks Bulletin for 1989. Issues 1 & 2 are being sent under separate covers and 3 & 4 will be sent later this year as they are published. Both issues are available and order blanks are enclosed.

I am always excited when a new "unrelated" relative appears. One never knows what new elements will be added to our family heritage by such a contact. There is a 70% chance I will be able to connect your Upshunk line back to Michael U, I, the original immigrant.

Please send me whatever information you have on your Upshunk line. I'll work it into the files and see how it fits. Where possible I need: date of birth, marriage & death and place of birth. Marriage, death and burial. Could I have your full maiden name (I like to file that way)?

Hope to hear from you soon.

Sincerely yours

Dear Mr. Upchurch,

I hope the information I am sending you helps to further the Upchurch research. I am sorry it has taken me so long to get it to you. When I got to searching for my farms on Upchurch Family I was disappointed to find it was so disorganized. I thought I had more information than what I have found.

While J.D. was living we did what we could while living in Barger, Texas. When he died in 1975 I moved back to Houma, La., my home town and started tracing my family. There are better and more information on my family than on Upchurch or related lines. The French and Spanish and Catholics kept pretty good records. Most of my ancestors were Acadians.

I hope to be able to purchase a copy of all the back issues of the Bulletin but it will have to be a few at a time as my present husband is not working at the present time.

Have been going to the Genealogical Library at the Mormon Church and purchased copies of all the Upchurches I could find. Was trying to find info on Kenyon Branum. No luck! Not much info on any of the ones in our line.

Garland Rudolph "Rudy" Upchurch, my youngest brother-in-law had told my daughter Rebecca that he was going to write to you.

~~to~~ I will have to find an address of my in-laws or call them to get the information on their children. Since moving to Louisiana and then to South Carolina I have lost or misplaced all of my addresses and phone numbers.

Looking forward to receiving the back issues of the Bulletin.

Sincerely

RUTH EXPOSITO
311 LONG STREET DR.
GREEN, SC 29650

Dear Cousin Ruth.

Thanks for your order for UB 1982 and UB 1983.
The copies have been sent to you. I also thank
you for all the details presented in your letter.
They have now been entered in the Master
Files. I was especially glad to see the picture.
You have now convinced me that J.D. & K.B.
had inside only.

I have summarized what is still missing
on the John Brannon Brannon Upshur Family.
Perhaps you could be able to supply some of
these missing details.

Thank you for raising questions about items
in the UB. They are very helpful to me. Here is
the status on the questions you raised:

- 1) XFD-1246 is a male and hence is a SON (not DAU)
of XFD-76
- 2) Irene Verna Kruse is mistakenly identified as XFD-
3175 on UB 1987 #1 pg 79. She should be XFD-3153
- 3) Carry U XFD-77 is a DAU (not a SON) of XFD-14.
- 4) is blank on XFD-475. By mistake ~~the~~ a person
was listed twice, once as XFD-4957 and once as XFD-
480. The XFD-4957 was connected to a blank bearing
XFD-480 to stand.

I have corrected all of these in my Master Copy
maintained for making corrections.

With the little kids around you will stay busy. They are a joy but when you get older it is nice to be able to get away from them some time. I am sure you will gradually get your things unpacked. It is always a challenge to move to a new place.

I am really pleased to have your interest in the family and look forward to continued exchange with you. Please let me know if you have questions

Sincerely yours

Phil Yulinski

I WISH I HAD KNOWN IN 1947 HOW INVOLVED I WOULD GET IN GENEALOGY. I WOULD HAVE RECORDED MORE INFORMATION FROM MOTHER AND DAD UPCHURCH THAN I DID. I GOT PRACTICALLY NOTHING. NOW I WOULD LOVE TO KNOW HOW THEY MET, WHAT MEANS OF TRANSPORTATION DID THEY USE AND ALL THE PLACES THEY LIVED.

WHEN I WAS WRITING DOWN THE NAMES AND DATES TO FILL A PEDIGREE CHART AND A FAMILY SHEET ON JOSIE DEE AND JOHN BRANUM. I ASKED HOW IT (BRANNON) WAS SPELLED AND THEY DID NOT REALLY KNOW. DAD SAID HE USED THE BRANUM SPELLING.

WHEN I MOVED FROM TEXAS TO LOUISIANA, AFTER J.D. DIED, I GAVE ALL OF THE UPCHURCH GENEALOGY AND PICTURES I HAD AND WHAT J.D. HAD DONE TO OUR 2ND SON STEPHEN, WHICH I HAVE REGRETTED VERY MUCH EVER SINCE.

→ [See his profile]

I AM SENDING YOU A COPY OF J.D.'S BIRTH CERTIFICATE SO YOU CAN SEE HE HAD INITIALS ONLY. ALSO HIS MOTHER TOLD ME IT WAS AND HIS TWIN THAT DIED AT BIRTH K.B. WAS INITIALS ONLY ALSO. AM ALSO INCLUDING A COPY OF A PICTURE SO YOU CAN SEE ABOUT WHAT THE FAMILY LOOKED LIKE. IT IS NOT A VERY

REBECCA WAS MARRIED THE FIRST TIME AT BERGSTROM AIR FORCE BASE IN AUSTIN TX, SHE WAS ATTENDING THE UNIVERSITY OF TEXAS.

I DO NOT KNOW WHEN OR WHERE ROBERT WILEY WAS BORN AND REBECCA DOES NOT REMEMBER.

LINDA GAY DAVIDSON WAS BORN 10 SEPT 1957 IN BORGER, HUTCHINSON CO. TX. SHE TOLD ME,

I REALIZE IT IS A SHAME I DO NOT KNOW MORE THAN I DO ABOUT THE PEOPLE MY CHILDREN WERE MARRIED TO OR THE UPCHURCH FAMILY BUT I WAS NOT AS DEEPLY INVOLVED IN GENEALOGY AS I AM NOW. I WILL TRY TO GET MORE INFORMATION FOR YOU.

HOPE YOU CAN FORGIVE ME SENDING THIS ON THIS PAPER. WAS GOING TO TYPE IT ON BETTER PAPER AS THIS WAS JUST MY NOTES.

AT PRESENT MY DAUGHTER IS EXPECTING HER 5TH CHILD MOMENTARILY, TWO YOUNGEST GRAND CHILDREN HAVE COLDS AND BAD COUGHS AND WE HAVE NOT HAD MUCH SLEEP FOR THE PAST THREE OR FOUR NIGHTS. ALSO MY TYPEWRITER IS STILL PACKED. WILL TRY TO DO BETTER NEXT TIME. I JUST WANTED TO GET THIS INFORMATION TO YOU.

SINCERELY,

RUTH EXPOSITO
