male - I do not go back and pick up her children. All of this takes some judgement and frequently I have to inquire as to whether or not there was a close relationship. As you can imagine there are a lot of gray situations.

I try always to include illegitimate children but often the information is not available and sometimes (often) the issue is a sensitive one. In fact there are cases where someone requests a child not be listed (more often an errant son-in-law). In such cases I either enter the information on the master outline and tape a piece of paper over it so that it does not reproduce when I am preparing a copy to send someone. Another approach is to enter "see profile" on the master outline. I have started doing this when there was no marriage and a child appears. Such examples are all too frequent these days

I am often asked about Indian blood in our heritage. At one time people wanted to avoid this issue. Now people are proud to claim that they have Indian heritage. I think this is good. We have about a 1/2 dozen cases where a specific ancestor is said to be 1/4 or 1/2 Indian. I accept family reports and show this Indian lineage on my Master outlines. With research some proofs could be obtained in some cases - but this work is mostly left to be done. In most cases present-day people report that they think they had an ancestor of partial Indian blood. It is a nice challenge for us all.

We are just back from our Family Sojourn to TX (4-17 APR) and I am doing the follow-up. A trip report will appear in the next UB.

It is always good to hear from you

Dear Philip

Sorry it has been so long since I received your last letter, I'm still waiting some info on Kirsiah Haynes, I'll send you what I get.

I've been reading & rereading the Upchurch Bulletins. I find something new each time.

When compiling a family chart, should we list adopted and/or foster children? What about an illegitimate person who has proof of blood lines?

Has there been any Indian lines connected with the Upchurchs? I have heard stories about my White, Haynes and Lakey lines, but so far can't prove them.

Dear Cousin Lea,

Thanks for your very responsive letter of 26 FEB 1996 which I have now spent several enjoyable hours processing. The master outline for Kristiah's Psalms Lately has been considerably expanded as a result of your input and a copy of the new version is enclosed. Also provided is a set of questions on what is still missing. I realize you have already said "don't know" on some of these. Any answers you have ^{or can get} will be appreciated. I realize there may be some ~~sections~~ that are of less interest to you. If there is anyone you think I should write, please let me know.

Enclosed is a copy of my 5 FEB 1996 letter to Roy White, for which gives his address and deals with the item on Elizabeth U. Ray does a lot of family history work and sometimes does something special for the Upchurch side. The UB issue (17#1) to go in the mail Monday has an article by Roy.

Forwarded herewith in a copy of my 2 page

5 Stem Briefs on your American Merit II (XIV, 141)

Perhaps you have more on merit II you can

send me. It would seem that more could

be found on him. It would be nice to pin

down a little closer when he moved to

Wayne Co, KY from Rockwell Co, NC. Look at

more generally, it would be nice to know

more about the George II clan during this

stay in NC. This article nearly the period

1785-1825. It appears George II moved in

Co, VA - maybe started having children there -

Rockwell Co, NC where his children grew to adulthood

and some married and then the group stayed

to move to Wayne Co, KY. It would appear that

by 1825 no descendants of George II were left in

Rockwell Co, NC. He was in off the top of my head

and we should read the record more carefully

A few more bits of data beyond what we have

known the matter. I will appreciate any details you can send

me from the files you are reading.

Dear Robert

Glad some of the notes helped some. The last film I read, was on Rev. War Soldiers, I found Moses m. Mary Simms - Charles, Continental Line & Nathan of Raleigh N. Car. all applying for pensions. If I've read your chart right they were sons of Richard II. The tapes were hard to read, but I'll send them ^{notes} if you don't already have them.

I'm sending the info you asked for on Kissiah (Lakey) Haynes line. There was no list of questions on Chalmer Howard Rivett, but I have never found anything on him. Maybe Billie J. Tabor has the answers.

You said you were sending info onto Roy White Jr. Could you send me his address, as I'm also working on the White Line.

I'm sending a check for 1996 Upchurch Bulletin (hope it is still \$5.00, if not let me know). And \$5.00 for the research fund.

I have more film coming and will send notes of what I find. Looking forward to many exchanges of info.

I read your queries in the July-Aug 95
Genealogy Bulletin about the "Upchurchs"

- I'm trying to learn more about my 5th grand-
- △+△+△ Mother Mary (Polly) Upchurch. She married Elais
- +△+△ Privitt about 1845. I have them on the 1850
- Census for Wayne County, Ky and again in 1860.
- △+□ She was born about 1829 in Ky. I believe,
- △+△+△ they were in Ky until about 1870, then I found
- △+△ them again in Douglas Co. Mo. on the 1880 census
- △+△+△ also on the 1900 census, My Mary was 71 years old.

- △ There is a Washington Upchurch age 6, b. Ky,
- △+□ living with Samuel + Eliza Privitt (they were parents
- of Elais Privitt) on the 1860 Wayne Co Ky census.
- △ And there was a Lucinda Upchurch who married
- △ Miller (or Miles) Privitt around 1848.

Do any of these names connect with your
Upchurchs? I'm seeking anything that will help
me find Mary's (Polly) parents and her brothers
and sisters. Sometimes the smallest clues, like
dates, places, and even nicknames help. Isn't
it a fun way to lose our minds?

Dear Cousin Lea,

Orest L. Sumpton has sent me a copy of your letter of 24 SEP 1995 to him. I am happy to respond and am sure we can help each other. Details on the Upchurch Bulletin and a copy of our "freedom" document are enclosed.

I identify your GGM Mary Upchurch as XID-375. She was the daughter of Moser U and the GO of George U. George U was the Head of one of the 22 Upchurch Clans in America. You belong to the George U Clan and to the George U/Moser U Subclan and to the Mary U line in that subclan according to the way I keep records. I have published a huge amount of detail on the George U Clan in the Upchurch Bulletin and more detail continues to come in from many sources. I very much look forward to exchanging details with you.

As a start I provide herewith a copy of my master outline for the George U/Moser U Subclan through the 9th Generation. This covers Moser U, his children, grandchildren and great-grandchildren to the extent that I have details. In some

I have details on the descendants of the
 great-grandchildren and if no the details are
 included in continuation section as indicated
 by number on the left hand side of the
 page [such as bA for Thomas A. Baker]. I have
 not included any of these continuation sections
 in this mailing.
 We understand that 5 of the children of Samuel
 Bennett married 5 of the children of Mary Watson.
 More details on these marriages and the resulting
 descendants are needed.
 I will be happy to have any comments
 or other details which you can provide for
 the enclosed Master outline.
 I know that Mary and Sean had twelve
 children. Can you confirm that they were all
~~they~~ had? Can you give me your kin connection
 you look to a child of Mary and Sean?
 I cannot link the Watsons to a ca. 1854 (21)
 to the Watson Family based on the records I have
 at present. Perhaps more detail will appear on
 this individual. The journal mentioned in
 your letter is a sister of your Mary (21) Bennett.
 I will look forward to hearing from
 you and to working with you.

Dear Cousin Lea

Thanks for your letter of 19 OCT 1995 and for the details and for the order for U B 1980. The four issues for 1980 have been mailed under separate covers. Additional flyers on the U B are enclosed in case you or someone else needs them.

You requested details on the two U B books and copies of the front pages are enclosed. I corresponded with both authors and visited both in the late 1970's prior to their death. None of their descendants have been willing to continue the work they started. The Morgan book is closer to your interests as she was a descendant of George U and covered him quite well. The essence of both books has been included in the various issues by U B based on a written arrangement I made with the two authors.

You asked about linking your line back to Michael U, the original immigrant. Enclosed

in a copy of my 11" x 17" chart showing the first six generations of the Upchurch family in America. I have highlighted your line and mine. I belong to the Nathan U, I class. You and I have James U, I as a common ancestor.

Can you give me the names that connected Billie J. (Prinett) Taber back to George Washington Prinett and Louisa Jane Upchurch? I have not yet been able to fit George & Louisa into the family but would like to do so. Also I have not yet been able to fit the Washington, who is age 6 on the 1860 Wayne Co, KY census in the name of Samuel Prinett age 74, into the family.

As a next step in our exchange could you send me as much detail as you have on the family of Kistah Tabey and Ananias Haynes. I am anxious to see how you fit into the group and also to enter as many members of the family into my files and to assign XFD numbers.

All of the details you sent have been extracted and placed in the proper biopies and on the master outline and assigned XFD numbers.

Hope to hear from you soon.

☺ sincerely yours

Dear Robert

Received Your letter and information last Fri, Oct 13. A lucky day for me. Thank You so much for it.

I haven't been researching very long and don't have much, but more than happy to share the little I have. The more I learn the more I want to learn.

You mentioned two books that are no longer in print. Would You send the Author's name and the publishers? I'll check to see if the librarian can find me one. Hope to learn how the George, Moses & Mary Upchurch are linked to Michael from England. Are You directly descended of George & Moses line?

I rent films from the American Genealogy Library and have joined the Oregon Genealogy Society. I'm sending for the unbound back volumes for 1980 of the Upchurch Bulletin for a start. Will want more later.

Since I'm researching the Privetts I'm looking forward to find all the connections

possible between these Families. So far I have Mary + Lucinda (dau. of Samuel Privett) ⁽²⁾ married into the Upchurch line.

You asked about the children of Elias and Mary Privett. I'm sending what I have.

Dear Robert

Sorry to be so long in replying to your last information & letter.

Thank You for the copy of your chart on the Upchurch Family. I'm still studying it. I'm still fairly new at researching and finding a lot of different ways of keeping information.

- I'm sending a chart of my Grandparents
- +□ Ananias Haynes & Kessiah Lakey. Their second son
 - was my father, my Mother Viola Loretta White.
 - I was the only child of that marriage.

□ Also what information I have on Billie J. Tabor. I have written to her, hope she is still at the address from 1987. If she answers, I'll pass along to you any information she sends.

Will write again soon. I'm breaking in new glasses, hope you can read this

Happy Holidays

any more details from her I would like to rework ^{2.} the name to see if we can make it all fit. ² Let me know if you have ideas. I realize she may be an offshoot of your interests.

Please let me know if you have any special questions about your Upchurch heritage. There is quite a bit more to share if I know your particular interests. I like to send something of value with each mailing.

Dear Robert

When the mailman picked up the letter I mailed yesterday he left me one from Billi Tabor. She makes clear about her connections to the Upchurch & Privett lines. So I'm copying the info for you. Also sending a copy of Miles Privett & Lucinda Upchurch that I have in the Privett file. I was looking for Mary Upchurch Privett's daughter, not a sister. Hope to hear from you soon.

Dear Cousin Lea

Thanks for your letter of 6 DEC 1996 (arrived 10 JAN 1996) and for your follow-up letter with the details from Billie Taher. All of this material has been preserved and it makes a great contribution to our family history record. I am writing to Billie to send her some details.

Enclosed is a copy of ^{Master Outline} Continuation Section 24 which covers the family of Kessiah Isabella Taher along with a set of questions on what is missing on the family of Chalmer Howard Pruitt. I will be grateful for any answer you have or can get.

The extra Ypslunch items you sent as a result of your reading films were very helpful. The Jameson Ypslunch Mill of 15 JUN 1862 was very helpful. He is of the Richard U. ^{III} 7.

James U, VII Subdan. Your items allowed me to resolve several issues.

The item on Elizabeth U who was in 1790 in Brunswick Co VA was also of special interest. I have prepared an analysis of the prospects for her father and have sent it off to our cousin Roy White, Jr in Salt Lake City. He often gives very helpful hints. It would be great to learn how she fits in.

The Master outline you mentioned would cover the 38,000 family members I have already identified and published in the U B. This is probably more detail than you want. I can send more restricted sets of information that would be of use to you. I have already sent the Master outline for the George U Moser U Subdan covering Moser U and his children, grandchildren and great-grandchildren. I can send all or any of the continuation sections for the Master outline that you desire or would

find useful. This would cover descendant⁽³⁾
 of the Greatgrandchildren of Moses U (XFD-141)
 (As for example continuation section 24 enclosed)

If you want more detail on the families
 of the brothers & sisters of Moses U (XFD-141) we
 can begin to work on those as well.

Another approach is to send you copies
 of my profiles on specific individuals
 who may be of special interest to you.

As, for example, I include the profile
 on George U (XFD-137) (9 pages, 10 items)

I'll be glad to keep going back and
 forth until we share all that is needed.
 There is no charge for what I do. If you
 are so inclined you can contribute to
 the Uphurch Research Fund. Our expenses
 are considerable but we get by somehow.
 Time is one big limiting factor as you
 no doubt know.

I think your idea of sending films is
 great!

☺ Sincerely yours
 Phil Uphurch

Dear Robert Upchurch

I think I've answered the list of questions you sent. If not let me know.

I haven't heard from Billi J. Taber yet. If I do I'll share any info. I'll need to check more into the Privett line, hoping to find the George W & Family she writes about.

I probably told you that I rent micro-film & fiche to read at home. So I will start with counties you mentioned, and the ones near by, to check the probate & civil court records, land & deeds and the tax rolls. Even back then seems everyone was on some sort of record.

You asked if there more I need to know of the Upchurch's? Would you have copies of George (XID-137) and his family, the same for Michael (XID-159) - James (XID-151) - Richard (XID-149) and Michael I (XID-146) master outlines I will be more happy to pay for the outlines and postage.

Hope I locate more Upchurch history when I get the next order of film,

Sincerely, Yours
Lea Conard
