Dear Cousin Cindy,

Many thanks for your letter which arrived
8 JUN 2002 responding to my letter of 28 MAY 2002 and
mentioning certain details I had requested. The
information you provided has now been incorpor-
ated into my system.

Your letter referred to a marriage of Mary Ann
U in Greene Co, AL to Charles A. Spencer. She was
the daughter of James Sabou U, Sr & a gd of
Abel U, Sr about whom I sent you some details.
I am sure we have much more to learn
about the relationships between the Upchurch &
Carpenter Families that moved from Franklin
Co, NC to Greene Co, AL more-or-less together.

I don't exactly see how we can help
each other right now but I hope we
can keep trying. You are much closer to

the Minifred (Upchurch) (Carpenter) Sanderford family than I am. I will certainly welcome any additional facts you uncover about Minifred & her siblings and their families. I have additional details on the siblings of Minifred if that would be useful to you.

I am probably a lot more familiar with the NC records of the 1775-1825 era or they relate to the Upchurch & Carpenters than you are. These are records I return to often with a view towards better understanding and, hopefully, to make some breakthroughs. There is always more to learn. Perhaps I could take a look at my sources for information on the Sanderford Family - something might turn up there.

If you have any thoughts on how we can help each other, please let me know. Two heads are better than one in these matters.

With All Best Wishes to you and Bob.

Sincerely yours

Phil Upchurch

Dear Cousin Cindy,

I was delighted to get your letter and packet dated 20 MAY 2002 and have just finished extracting the details. There are some Biofile sheets yet to be filed but I'll get to that soon. It was nice to talk to you on the 25th through Bob - just wanted you know I was working on your input.

Enclosed is a single sheet showing the details I had on Winifred before I got your packet and the expanded 4-page result after your input was included. This 4-page covers Winifred, her children & grandchildren. Descendants (if any/ if known) of the grandchildren are covered in continuation sections as indicated on the left hand side of the page (35A & 36A). I have not enclosed these sections as they contain only what you sent.

Some questions on your direct ancestral line are included in case you have or can get answers.

I think you are now aware of the challenge we have to sort out the 1803 name change of 5 Upchurch children to the name Carpenter, one of these being your ancestor Minified.

I have reread the presentation of this matter in the issues of the UB ^{you have} and think the analysis is still valid. I have scanned the UB's issued since that time and find nothing which bears precisely on the main problem. UB Vol 20 #4 (OCT 1999) does contain my presentation on the proposition that Benjamin U had a son WILLIE U. He would have been a brother of Elizabeth U who had John Carpenter. This issue is available for \$5.00 if you desire it.

I am constantly reviewing documents which contain useful information as regards the Upchurch Family in the 1750-1850 era. This information goes into my Bi System and at some point gets put to use in an analytical sense. Enclosed is a copy of my 7-Page, 10-Item Profile for

Elihu U (XID-15711).

The American Upchurch Family was established in 1638 when Michael U, I came from Huntingdonshire, England to Surry Co, VA [Sallaine & I were there in early MAY and saw the 4 letters he sent back to England in the 1650's]. The descendants of Michael U, I gradually moved south in VA and during the 1700's many of them were, at one time or another, in Brunswick Co, VA. From there they moved to various parts of NC where all 11 known Upchurch households were found as of the 1790 census.

Your ancestor (presumably) and mine - Richard U, II, A 665 of Michael U, I, reached the Moccasin Creek Area of Franklin Co, NC about 1755. There he raised a family of 11 children including your presumed ancestor Benjamin U and my ancestor Nathaniel U, I. These 11 children gave rise to about 1/2 of the American Upchurch Family. Each of the 11 headed what I call an Upchurch Class. Some of the children & grandchildren of Richard U, II stayed in Franklin Co, NC but

4-

some moved away. We still have a lot more digging to do on the Upchurch records for Franklin Co, NC (The area where the Upchurch land was first Johnston Co then Wake Co then Franklin Co)

To me it is fascinating and often informative to follow families and friends who moved from one part of the country to another. Occasionally they give us a breakthrough.

In 2001 I prepared a writeup on the movement of the Abel U, Sr which has appeared in the UB (He was another son of Richard U, II). An excerpt is enclosed. Note how many locations for this family are the same as locations for the family of John & Elizabeth (W) Carpenter

I also have Upchurch citations for NW VA near where you live.

I'll look forward to hearing from you and to working with you in whatever way you see fit.

Sincerely yours

 Phil Upchurch

Dear Cousin Cindy,

Many thanks for your check & your order for the UB issues for 1980, 1991 & 1992. They are being sent under separate covers. They should help you get started and perhaps will set the stage for us to interact some more.

I am very anxious to have some details on how you link back to Elizabeth U. & Benjamin U. This has been and continues to be a challenging part of the Upchurch Family. I do feel we have made substantial progress on it but there is much more to do. Each new cooperator, such as yourself, brings new hope that some more pieces of the puzzle can be put into place. If you don't have an extensive accumulation perhaps you could

2-
let me have a sketch of your line as a
start.

I normally collect full names (full maiden
names of females) dates of births/marriage/deaths
and place of births/marriage/deaths/burial. For
place I like to include town/county/state
and names of cemeteries where available.
We rarely get all this stuff but it is fun
to try.

I no doubt have some details in one
of my files that would be of interest to you.
From time - to - time I'll try to send some
items.

We are now firmly scheduled for England
2-7 MAY 02. Eight American Cousins will be joining
us. It was great that you got to Little Gidding.
I have been there twice before. This was before
we learned that BRINGTON is a more important
touchstone for the Upchurch Family.

All The Best!

Sincerely yours

Dear Cousin Cindy,

I am very pleased to have your letter of 4 APR 02 and to learn of your interest in your Upchurch Heritage. I want to make sure of the issues of the Upchurch Bulletin "UB" you want. There are 4 issues in Volume 12 (1991) and 4 issues in Volume 13 (1992). They sell for \$5/issue - three all 8 issues would be \$40. I do not charge for postage.

Perhaps you would like to subscribe to the issues for the present year if you have an ongoing interest. There are only two more scheduled for 2002 hence the cost to be a subscriber for 2002 is only \$10. Only 6 of these issues have already appeared. Details on the Upchurch Publications are enclosed.

When you say you are a descendant of Benjamin U I assume you mean the Benjamin U who was Head of Uychurch Class No 13. He lived about the time of the Revolution and headed one of the 22 Uychurch classes which I have yet identified. We have very few present-day descendants of Benjamin U with whom I am in contact. I am therefore anxious to know of how you link back to Benjamin. Do you have any organized material on your Uychurch line you could send me? Since the 1991-1992 articles on the Benjamin U class I have continued to collect information on him and have made at least one big breakthrough. We have hopes of locating the exact location of the land Benjamin U owned in Franklin Co, NC. A cousin who lives there is working on this.

It is nice that Cousin Charles Peterson steered you in my direction. He has been a wonderful cooperater. He is a descendant of Mose U who was a brother to your Benjamin U. These two were brothers of Nathan U, I, from whom I descend.

I look forward to hearing from you and to the prospect of working cooperatively with you on family history matters of mutual interest.

With All Best Wishes.

Sincerely yours

Phil Upchurch
