**Randalls Attend  
Family Reunion  
At Lake Whitney**

Anna Mae and Clomer Randall spent Friday, Saturday and Sunday at Cliffview Resort on Lake Whitney with approximately forty members of her family. This was the first reunion in over twenty years. Margaret Julina Upchurch was the common ancestor. She first married Franklin Bales then Edd Johnson.

Her children were Thomas Bales, Charles Bales, William Bales, Benjamin Bales, Ellen Mae Bales, and Ethel Johnson. All are deceased except Ethel, who lives in Graham.

There were seventeen cousins in this family, fourteen survive and eleven were at the reunion along with some of their children and spouses.

They were Ellen Marie and Glen Riggins, Louise Whitten, Bennie V. Lain, Viola and Raymond L. Bales, Dorathy and Harold E. Bales, Bessie and Leo Bales, Weldon E. Bales, Anna Mae and Clomer Randall, Charlie and Manuel Clinton and Dorothy, Harvey Lee Clinton and Betty, Wanda Joyce and Hall Cretsinger, and everyone's Aunt Ethel Clinton.

Cousins unable to attend were Ava Foreman, Lorene Davis and Doris Jones.

A lot of eating, visiting, gathering family history, taking and trading pictures took place. Everyone had such a good time, plans were started to do it again in 1989.
