George Washington Upchurch was the son of Moses Upchurch and grandson of George Upchurch, Head of Clan. Morgan's book does not reveal the wife of G W Upchurch. My inspection of land records of Jamestown, TN Book F, Page 161 convince me that George Washington Upchurch married **Sarah J McGee**. This is based on the fact that heirs of John D McGee on 7 Mar 1853 sold their inheritance to Joel T McGee. The heirs included a G W and Sary J Upchurch.

Other info: 13 Jan 1847 Joel T McGee and John D McGee purchased as partners land from James H Beeson. Shortly thereafter John D McGee left the country and died in the Army in Mexico.

The wife of George Washington Upchurch was "Jane" [**Sarah Jane (McGee)** Kidd]. She was first married to --- --- Kidd and had issue by him. She came to CA from TN but whether she came before --- --- Kidd or with --- --- Kidd I do not know. I do know there were children of this first marriage as Maude Sewell [first cousin of my father] and I went to see an Euva Kidd in El Cerrito, VA in the early 1930s. **SJMc** and --- --- Kidd married after she came to CA.
