Hi Colleen---

Delighted you found my website [www.upchurchstory.com](http://www.upchurchstory.com) password 2013upchurch#. I hope you searched the 4,000+ pages of posted Upchurch information and watched the videos. I do not find you in my system although you may be there. I would love to know how you fit into the family. If you will send me a few names that connect you to earlier Upchurch generations I will search my records and send you a report. There is much more I can share with you. It is important that you know which of the 22 Upchurch Clans is yours as that way you can focus better.

Looking forward to hearing from you again~

I am related to the Upchurchs on both sides of my family. I was a McGinnis, daughter of Shelby and Bonnie Dishman McGinnis. My dad's grandmother was Clarinda Upchurch McGinnis. Her parents were Archibald and Malinda Byers Upchurch, his parents were Silas and Nancy Mason Upchurch, his parents were Shadrach and Ruth Upchurch, his parents were George and Rachel Bethshares Upchurch, his parents were Richard and Frances Upchurch and his parents were James and Elizabeth Upchurch. This is what I have in my records.

On my mother's side: Jefferson Dishman (my ggg grandfather) married Lydia Upchurch, daughter of George and Rachel Bethshares Upchurch. I would appreciate any information you have on either side of my family.

Hi Colleen---

Your reply fits perfectly with my records. I have you under both the George U./Shadrack U. Subclan and under the George U./ Lydia U. Subclan. If you are interested I will be happy to mail you a small packet to illustrate your two lines. I keep my records manually and so would need your mailing address. If you review these items I hope you will let me know of any corrections and possible additions.

Let me introduce you to second website formed in 2013 where we are doing family history in a more powerful way. It is [www.alliedfamilies.com](http://www.alliedfamilies.com) password 2014allied#. There I hope you will look at the progress we have made in enrolling the George Upchurch family to which you belong. I hope you will join with us in this effort as we must have the participation of descendants if we are to improve and keep these material on line for the long term. A membership form is attached. We need peoples time , expertise, data, and money.

Note on the website I have referenced "The Meal is Gone " by your brother. This is a very impressive local history book and all descendants of George Upchurch should read it. I wrote Riley about making it more widely available but have had no response.

I look forward to hearing from you and to collaborating~

Shirley McGinnis family

**MCGINNIS** - Shirley McGinnis was born Jan. 11, 1927 in the Slickford community of Wayne County. He was the oldest child of the late Floyd McGinnis (April 12, 1900-Sept. 28, 1962) and Bessie Brown McGinnis (Feb. 2, 1912-March 30, 1983) all of Slickford area. He was the grandson of the late James A. McGinnis (March 1, 1864-July 14, 1945) and Clendria J. Upchurch McGinnis (March 30, 1868-March 11, 1946) and John W. Brown (Aug. 15, 1868-Jan. 29, 1922) and Lucinda J. Abbott Brown (abt. 1876- abt. 1947). He went to work in the "log woods" at a very early age to help support his family. This left little time for a "formal" education but he was a very intelligent man.

Shirley married Nina Evelyn Davis the daughter of the late William "Bill" Davis (Dec. 21, 1897-March 14-1970) and Ollie Carter Davis (Feb. 22, 1907-Mary 31, 1969) on October 16, 1948 in Wayne County, KY. She is the granddaughter of the late Tatum T. Davis (Jan. 27, 1872- July 31, 1954) and Manervia Ann Marsh (Dec. 8, 1879-October 23, 1923) and Abraham L. Carter (September 16, 1876-April 23, 1943) and Juanne Rains (September 7, 1889-May 20, 1916). Shirley and Nina had 10 children—9 boys and 1 girl.

1) Chuck McGinnis - 1st married Eleveta Gearldine Coomer of Columbia (Jan. 21, 1950 - Aug. 30, 2005) on December 21, 1968, they

have two sons Wendell and Alphus and one daughter Rita. His 2nd marriage was to Mildard Coomer of Columbia.

2) Barry Allen McGinnis - married Jew-elene Pyles of Slickford on August 7, 1970 in Wayne County, KY. They have one son Rodney and one daughter Robin.

3) Shirley Gail McGinnis Jefferies (May 16, 1955-Jan. 10, 2013) on October 16, 1971 she married Henry J. Jefferies (March 17, 1954-Dec. 18-2005), they had two sons Richard and Patrick.

4) Arnold McGinnis - married Mary Pyles of Slickford on September 15, 1973, they have one son Kevin and one daughter Christy.

5) Gary Wales McGinnis-married Joy Elaine Vaughn of Slickford on July 2, 1977, they have one daughter Angela.

6) Naman Cornilous McGinnis (Feb. 24, 1961 - May 26, 2013) - 1st married Vicky Carter on Aug. 2, 1985, they have one daughter Virginia. 2nd marriage to Peggy McCutchen

7) Paul Ray McGinnis-married Lisa Gaye Pyles on December 17, 1982, they have one daughter, Danielle.

8) Randy Dale McGinnis-married Joetta Hancock (divorced).

9) Harley Dwight McGinnis (May 30, 1966-Jan. 1, 2006) married Lorrene Catron, they had two daughters, Brandy and Tarisha and one son Harley.

10) Lanny Reed McGinnis married Gaylon Slagle Kelsay (divorced).

Shirley and Nina lived all their life in the Slickford community of Wayne County. They believed the apostolic faith and attended the Number One Apostolic Jesus Name Church, Dry Hollow Jesus Name Church (home church) and holiness churches throughout Kentucky, Tennessee and Virginia. For over 40 years they hauled people to church.

Shirley and Nina believed in being honest and working hard. Shirley had a logging and sawmill business for years. When he started the business he used mules, but in later years he had more modern logging equipment. Through the years at one time or another he employed all nine of his sons. After he retired he helped his sons part-time in their logging business. Shirley loved driving the log truck

and stayed in the log woods or in the truck until four months before his death. Shirley went home to be with Jesus on March 16, 1999 at the age of 72. He is buried at the Dishman Cemetery at Slickford.

Nina always grew a garden, canned, dried and froze food for her large family, she also made a lot of their clothes. She had the gift of hospitality and was a wonderful cook. Nina loved cooking for family and friends as long as she was able. She was "given" (from the Lord) several songs over the years and they are often sung in holiness churches throughout the country until this day. Nina has a powerful voice and you will often find her singing when you visit. Nina resides at Lake Cumberland Nursing and Rehab and will be 89 at her birthday in August 2016. Shirley and Nina lived all their life in the Slickford community of Wayne County. They believed the apostolic faith and attended the Number One Apostolic Jesus Name Church, Dry Hollow, Jesus Name Church (home church) and holiness churches throughout Kentucky, Tennessee and Virginia. For over 40 years they hauled people to church.

Shirley and Nina believed in being honest and working hard. Shirley had a logging and sawmill business for years. When he started the business he used mules, but in later years he had more modern logging equipment. Through the years at one time or another he employed all nine of his sons. After he retired he helped his sons part-time in their logging business. Shirley loved driving the log truck

and stayed in the log woods or in the truck until four months before his death. Shirley went home to be with Jesus on March 16, 1999 at the age of 72. He is buried at the Dishman Cemetery at Slickford.

Nina always grew a garden, canned, dried and froze food for her large family, she also made a lot of their clothes. She had the gift of hospitality and was a wonderful cook. Nina loved cooking for family and friends as long as she was able. She was "given" (from the Lord) several songs over the years and they are often sung in holiness churches throughout the country until this day. Nina has a powerful voice and you will often find her singing when you visit. Nina resides at Lake Cumberland Nursing and Rehab and will be 89 at her birthday in August 2016. EXCERPT FROM EMAIL 17 OCT 2014 LOUELLA JANE HATFIELD TO RPU & AMPLIFICATION - RPU 9 DEC 2014

Jane is descended from 3 children of Silas U, Head of a line in the George U/Shadrach U subclan - This document seeks to clarify James ancestor "LITT" one of three uncles of John McGinnis s/o Clarinda Jane U.

George U → Shadrach U → Silas Upchurch

With regards to our Great Grandma McGinnis, very little is know about her. From what Grandma Mamie told us and based upon the grave that we visited, her maiden name was Sydria Mason, but her nickname when she was younger was Litt which based upon her middle name. Her first husband was a Dishman and Grandma Mamie had some half brothers and sisters that she lost touch with because her mother died when she was very young. Her father, as was typical in those days, remarried and Grandma Mamie was raised by her McGinnis grandparents. My sister and I are going down to Tennessee/Kentucky to check on Pop's grave and to visit our McGinnis relatives and hopefully finally visit our Grandpa Johnnie McGinnis's grave in the Dishman cemetery in Slickford Kentucky.

GRANDMA MAMIE = nee Mamie Jane McGinnis  
 GREAT GRANDMA MCGINNIS = LITTA DISHMAN [MAMIE] → RPU  
 LITTA DISHMAN = nee SYDRA "LITTA" MASON

NO RESPONSE 1 DEC 2015

Hi Joy-----

I write to ask a special favor. It has to do with a program we have purchased to make it easier to send E-Newsletters to our Allied Families list. Your email address is one of several in which the system seems to fail. When we try to add your email address to the distribution list we are told electronically that it is already there. But when we look it is not there. So, we sent out the main batch and I am now sending you this special copy. My question is---Did you get the one we sent to the main batch of folks on the 10th?

I will appreciate your response. Then we will call our provider (Express Email at Go Daddy) and explain all of this to them in hopes of resolving the problem.

Aside from all of the above let me know if we need to deal with any family history matters.

Thank you and Best Wishes~

Phil Upchurch

An E-Newsletter to Contacts of Phil Upchurch  
and Allied Families  
November 10, 2015

#### For our ongoing omnibus Allied Families E-Newsletter (to 600+ contacts)

We have adopted the image of the U.S. with a star in North Carolina. This is because a huge number of people across America today trace their heritage back to Colonial North Carolina. Records from this area and period served as the basis for the creation of Allied Families.

#### NEWS FLASH: Allied Families to Open a Facility in Wake County, NC.

Effective January 1, 2016, Allied Families will open an office at 1130 Kildaire Farm Road, Suite 120, in Cary, NC. In this facility, volunteers will carry out projects to document sites, events, and family records for families enrolled or to be enrolled under the banner of Allied Families. The site manager will be Miley Albert Perry, a board member of Allied Families. Coordinators for specific projects are being recruited. Interested parties should contact Allied Families Manager Phil Upchurch at [phil@upchurchstory.com](mailto:phil@upchurchstory.com). Donations of office equipment and supplies will be entertained.

#### A 16-Day Family History Visit to North Carolina Brings Great Results

Since the last Allied Families E-Newsletter to our large omnibus list on September 15, 2015, there have been a number of significant developments.

We have continued to enroll more families on our website - [www.alliedfamilies.com](http://www.alliedfamilies.com). Use the password 2014allied#. Much new resource material has been assembled to be put online. We have embraced the Cloud by linking our operation to a Dropbox account where almost unlimited content may be stored.

But the most significant development of all came as a result of Manager Phil Upchurch traveling from Missouri to Wake County, NC to perform 16 days of family history research, October 7-22, 2015. More details on this trip will be reported in the 2015 issue of the *Upchurch Bulletin* now in preparation. About 75 people were contacted and several field trips to nearby counties were undertaken.

While in North Carolina, Phil was able to negotiate an arrangement to open an Allied Families office in Wake County, NC, effective January 1, 2016. This location will be Suite 120 at 1130 Kildaire Farm Road in Cary, NC. This is in West Central Wake County where many Upchurch and allied families lived starting in the late 1700's. The office arrangement was made possible due to the generosity of Cousin J. Michael Edwards, who is an investor in the local area. We are now recruiting volunteers to work in the facility, which will serve as a combined work space/repository/library/museum.

Entrance to building at 1130 Kildaire Farm Rd in Cary, NC

Those interested in volunteering are invited to contact Phil Upchurch at [phil@upchurchstory.com](mailto:phil@upchurchstory.com). Also available upon request is a draft document of about a dozen projects to be carried out in the facility. Allied Families anticipates that activities carried out in the facility will be collaborative with local organizations.

Our omnibus contact list has grown quite large. Some recipients are well linked into ongoing projects/family relationships, etc. However, some may find it helpful to contact Allied Families Headquarters to establish a more robust ongoing collaborative effort. If you have not yet become a member of Allied Families, please use the attached form to enroll. All who join by the end of 2015 will be recorded as being charter members of Allied Families. Your participation will be very helpful in building momentum for our important family history enterprise.

EXCERPT FROM EMAIL 17 OCT 2014 LOUELLA JANE WATFIELD TO RPU & AMPLIFICATION - RPU 9 DEC 2014

Jane is descended from 3 children of Silas U, Head of a line in the George U/Shadrach U Subclan. - This document seeks to clarify James ancestor "LITT" one of three names of John McGinnis s/o Clarinda Jane U.

George U → Shadrach U → Silas Upchurch

With regards to our Great Grandma McGinnis, very little is know about her. From what Grandma Mamie told us and based upon the grave that we visited, her maiden name was Sydria Mason, but her nickname when she was younger was Litt which based upon her middle name. Her first husband was a Dishman and Grandma Mamie had some half brothers and sisters that she lost touch with because her mother died when she was very young. Her father, as was typical in those days, remarried and Grandma Mamie was raised by her McGinnis grandparents. My sister and I are going down to Tennessee/Kentucky to check on Pop's grave and to visit our McGinnis relatives and hopefully finally visit our Grandpa Johnnie McGinnis's grave in the Dishman cemetery in Slickford Kentucky.

Dear Mr McGinnis

Louella Jane Hatfield on December 10, 2014 gave me your address and I am just getting around to writing you about your book "The Meal is Gone"

I am in my 36th year of publishing the Upchurch Bulletin and have identified and published on over 61,000 members of this family. I divided the family into 22 CLANS of which yours is one - The George H Family. I also have two websites to deal with Upchurch and Allied Families. I have visited Wayne County, KY.

Enclosed is my review of your book which I have posted on my website. Let me know if you want to know more about my website or on how I have your part of the family organized.

Your book is extremely useful in

letting people know about Wayne County and its people. It deserves wider distribution. Can you tell me if it is still in print and available for purchase. If so, I can spread the word.

Also, if you are willing to give permission, there may be a way I could get it reproduced and spread the word about its availability.

My websites are [www.upchurchstory.com](http://www.upchurchstory.com) and [www.alliedfamilies.com](http://www.alliedfamilies.com). You can reach me by phone or by ~~letter~~. My address is

PHIL UPCHURCH, ~~2~~ APT 3207, 51 VILLAGE VIEW DRIVE, CHESTERFIELD MO 63017.

If you desire I can send you a copy of my master outline that pertains to your part of our very large Upchurch Family. I keep these records manually.

Sending All Best Wishes

Phil Upchurch

Book Review No. XXX     The Meal is Gone by Riley McGinnis, 2002.

This charming family oriented 141 page, 5 by 8 inch book is about life in Wayne County, Kentucky, where modernity was slow to arrive. The author recounts his own personal experience and draws upon family memories, going back to the early 1900s. The setting is in the deeply rural area of Wayne Co., KY known as Slickford. There Upchurches and allied families settled in the early 1800s. The local, hard to reach, Dishman Cemetery has hundreds of burials and, to the extent that monuments could be afforded, the inscriptions tell part of the story.

But Riley uses his own personal experience to tell the story. He starts with the fact that a supply of corn meal processed from a defunct grinder is about to be exhausted. While lamenting the loss of the source of this rural food staple, he recounts how his relative got in the corn grinding business in the first place. This leads him to tell the fuller story of the people who lived in the Dry Hollow community downstream from the very remote Jim Town and upstream from the better known Slickford, all about 20 miles south of Monticello, the county seat of Wayne County.

The telling in this book is a potent record of how people in this time and place made a living the old-fashioned buggy and wagon way, even as city people were enjoying modern automobiles.

Riley Ray McGinnis is linked to the Upchurches in more than one way. His wife, nee Peggy Jo Upchurch, is a descendant of Moses Upchurch, head of a line in the George Upchurch/Shadrack Upchurch subclan. Riley is a descendant of nee Clarinda Jane Upchurch, a granddaughter of Silas Upchurch, who was head of another line in the same subclan. Clarinda, a Wayne Co. native, married James McGinnis, who was born in 1861 in Pall Mall, TN and moved as a child to Wayne County, KY with his mother. Jim and Clarinda lived in Jim Town and are buried in the Dishman Cemetery at Slickford.

Anyone whose heritage tracing leads to rural Wayne County, KY will be delighted to read this down-to-earth story about how things were in the old days. Riley tells about their log houses, about transportation and about how they eked out a living. This is so much more interesting than reading a dry history book.

Of the 22 Upchurch clans in America, each headed by a member of the fifth generation of the family in this country, the one headed by George Upchurch has a very strong focal point in a single county-Wayne County, KY. Certainly at least 10,000 descendants of George Upchurch trace their heritage back to this one county. Thus the book tells a part of the story of the heritage of a large number of people covering Upchurches, but going beyond to many allied families – Parmley, Dishman, Keeton, and more.

While this book makes a big contribution to the history of the Upchurches and allied families, it also reveals that much remains to be organized. Exactly where did each of the children and grandchildren of George Upchurch live? Can we augment information found on their tombstones? What about details on the streams, roads, stores, schools, etc., etc., that impacted their lives. Much of this information is available to be lifted up from the files. The more like Riley telling the story, the better.

We have been unable to find available copies of this book online. For the good of the entire George Upchurch family and allied families, perhaps someone will step forward and help us increase the availability of Riley's book.
