Phil

Very excited to receive your letter dated 29 JUL 2004. You answered some questions related to death of Dr. McKee. I had a note listing place of death as Paris Texas but couldn't confirm or explain so I listed it as Antlers, OK. Glad you found that information and relayed it on to me.

You sent me a lot of information and will take some time to go thru it so I am sending you information I had on the computer expanding the family lines.

Notice on the photo of Dr. McKee, he only has one foot, he his holding his grandson Donald Thomas McKee. I am enclosing the address of Donald and forwarding a copy of this letter to him. He is also doing research on the family and need to be in the communications loop.

○ Re Citations for William George U - Gatten Bradley U notified RPH via email on 6 OCT 2010 that there was a citation in the 1887 issue of The Cultivator and County Gentleman Vol 52 pg 495 that mentioned my Great Uncle William. It was found and is reproduced below:

"We observed that a correspondent of the Jersey Bulletin traveling in North Carolina writes in highly complimentary terms of the Jersey Herds of our friends
 ΔΔ Messrs B. P. Williamson and W. G. Upchurch and
 Δ Mr James M'Kee of Raleigh. During the year ending May 1, 1884 4363 (?) lbs of milk was made from the milk of eleven cows at the "woodland" farm of Mr Upchurch, including four three-year olds, one four-year old, and six two-year olds."

RPH Commentary and observations:

1. It seems most likely that reference is being made to three separate Jersey Herds - those of Williamson, Upchurch & M'Kee - HOWEVER, note that the 1891 Branson's Directory for Farmers in Swift Creek TWP showed Williamson & Upchurch [BPU & WGU] owned a 696 Acre farm. [Item 6 BJA BJOFTCE]
 2. This article provides a rare citation for the Upchurch Farm called "woodland" - presumably owned by Bartley Jefferson U & WGU.
 Δ
 3. Citations to "WOODLAND" are shown in the BJA Biopile as follows:
 Δ Item 6, 18, 81
 4. Note that Item 6 is from my FEB 1955 interview with Uncle Gatten Henderson U in which he specifically mentioned the SCTWP Farm of BJA as "woodland"
 5. Note that 18 is from my 24 FEB 1999 visit to Edna Lois U in which she referred to the SCTWP Farm of BJA as "woodland"
 6. Note that 81 is from a 4 MAY 2007 conversation with Mike Robert Perry in which he refers to the SCTWP Farm of BJA as woodland
- Notes that as of 10 OCT 2010 I have created a file for SCTWP Farms under WC, NJ, SCTWP/FARMS

 Pg 131 - WAKE COUNTY CATTLE CLUB^Δ

A Wake County Cattle Club, organized in 1885, began hosting an annual spring Cattle Show in the capital city where hundreds of animals—mostly Jerseys, plus a few Devons, Guernseys, Holsteins, and Ayrshires—were on display. Participants in 1886 included W. C. McMackin, William B. Grimes, W. G. Upchurch, T. B. Bridgers, B. P. Williamson, W. C. Stronach, Capt. J. B. Burwell, Dr. James McKee, Maj. R. S. Tucker, M. T. H. Murray, Dr. Richard H. Lewis, R. B. Raney, and Dr. Henry M. Tupper, all of Raleigh Township; and Maj. John M. Crenshaw of Forestville. While organizers continued calling their event the "Cattle Show," they later added horses. The 1890 show, held at McMackin's pavilion stables on Morgan Street, began with all the animals parading down Raleigh's Fayetteville Street, led by Stanley's Brass Band. The main features were a butter display and an auction of both cattle and horses.⁷³

WILLIAM THOMAS McKEE

Dr. McKee was the son of the late Mack McKee and Mrs. Rebecca Jones McKee. Dr. McKee was born on a farm near Apex, North Carolina, May 1st, 1863; he, therefore, was born during the Civil War. His father is said to have been a native of Iredell county; and came to Wake, first, as the driver of the old-fashioned stagecoach; here, he met and married the daughter of Joel Jones. Joel Jones married Tabitha Utley, 26 April 1823. Tabitha Utley is thought to have been the daughter of John Utley Jr., known as Little Jack Utley, and lived just above the head of the Norris Mill Pond now owned by the sons of the late John Mills. This would make Tabitha Utley the great granddaughter of William, the founder of the family. Joel Jones was the son of Robert Jones, brother to the late Madison Jones. Joel Jones settled within a few hundred yards of Salem church, lived and died there; and traditions say he cut the path leading from the present home of Mr. Arthur Pierce to Apex. The daughter, Rebecca, became the mother of this sketch. Dr. McKee was the g.g.g. grandson of William Utley, founder of the family in North Carolina. The father of Dr. McKee, was a farmer, lived for many years on the land of the late W. B. Upchurch, father of Mr. George Upchurch, now one of the County Commissioners of Wake County. Dr. McKee worked on his father's farm until 21 years old; but having the ambition to become a physician, he went to the Insane Asylum where he worked, saved his wages until he had enough to enter a medical college, which he did, graduating from the Louisville Medical College in 1891.

Here we have the example of a poor boy whose father was a tenant working his own way to graduation through a standard medical college; and entering upon the practice of medicine when only 28 years old. He located at a place in Chatham county, then called Rialto, and practiced his profession here for five years, then moving to Caryville, Tennessee. However, before this time a very important event had taken place in the life of the young doctor, for in the neighborhood of Rialto, there lived a young lady, Miss Beulah Florence Wynne, born April 13, 1872. This young lady had graduated from Salem Female College the same year Dr. McKee had graduated from the medical college; and on the 19 April 1894, they were married in Durham, by Rev. George Dowell.

Dr. McKee practiced medicine approximately 46 years; first in Chatham county, North Carolina, second at Caryville, Tennessee, and third in Oklahoma, perhaps all the time at Seminole, a great oil center. He was a successful physician, loved his work, having grown up a poor boy, and made his way in the face of adverse conditions, he was therefore better able to sympathize with the poor, needy and suffering. Two or three years before his death, Dr. McKee's health became poor, from some cause his leg became infected which necessitated it being amputated, but until he died he insisted he much regretted his physical inability to answer every call. He died honored, respected and loved in the Sanatorium at Paris, Texas, Feb 1, 1937. He was therefore, 74 years old at the time of his death. He lived a useful, active life, he was the son of honorable, useful parents, whose example for industry, integrity and honor he could emulate.

WILLIAM THOMAS MCKEE

Dr. McKee was the son of the late Mack McKee and Mrs. Rebecca Jones McKee. Dr. McKee was born on a farm near Apex, North Carolina, May 1st, 1863; he, therefore, was born during the Civil War. His father is said to have been a native of Iredell county; and came to Wake, first, as the driver of the old-fashioned stagecoach; here, he met and married the daughter of Joel Jones. Joel Jones married Tabitha Utley, 26 April 1823. Tabitha Utley is thought to have been the daughter of John Utley Jr., known as Little Jack Utley, and lived just above the head of the Norris Mill Pond now owned by the sons of the late John Mills. This would make Tabitha Utley the great granddaughter of William, the founder of the family. Joel Jones was the son of Robert Jones, brother to the late Madison Jones. Joel Jones settled within a few hundred yards of Salem church, lived and died there; and traditions say he cut the path leading from the present home of Mr. Arthur Pierce to Apex. The daughter, Rebecca, became the mother of this sketch. Dr. McKee was the g.g.g. grandson of William Utley, founder of the family in North Carolina. The father of Dr. McKee, was a farmer, lived for many years on the land of the late W. B. Upchurch, father of Mr. George Upchurch, now one of the County Commissioners of Wake County. Dr. McKee worked on his father's farm until 21 years old; but having the ambition to become a physician, he went to the Insane Asylum where he worked, saved his wages until he had enough to enter a medical college, which he did, graduating from the Louisville Medical College in 1891.

Here we have the example of a poor boy whose father was a tenant working his own way to graduation through a standard medical college; and entering upon the practice of medicine when only 28 years old. He located at a place in Chatham county, then called Rialto, and practiced his profession here for five years, then moving to Caryville, Tennessee. However, before this time a very important event had taken place in the life of the young doctor, for in the neighborhood of Rialto, there lived a young lady, Miss Beulah Florence Wynne, born April 13, 1872. This young lady had graduated from Salem Female College the same year Dr. McKee had graduated from the medical college; and on the 19 April 1894, they were married in Durham, by Rev. George Dowell.

Dr. McKee practiced medicine approximately 46 years; first in Chatham county, North Carolina, second at Caryville, Tennessee, and third in Oklahoma, perhaps all the time at Seminole, a great oil center. He was a successful physician, loved his work, having grown up a poor boy, and made his way in the face of adverse conditions, he was therefore better able to sympathize with the poor, needy and suffering. Two or three years before his death, Dr. McKee's health became poor, from some cause his leg became infected which necessitated it being amputated, but until he died he insisted he much regretted his physical inability to answer every call. He died honored, respected and loved in the Sanatorium at Paris, Texas, Feb 1, 1937. He was therefore, 74 years old at the time of his death. He lived a useful, active life, he was the son of honorable, useful parents, whose example for industry, integrity and honor he could emulate.
