Hi Phillip and Katie--  
This is mostly to let you know I am now on line. Also I want to thank you for your check for the UB. I am gradually getting the hang of the email process but still make a lot of mistakes and sometimes get really fouled up. Fortunately, I have a good Coach who comes in twice a week to get me back on track and teach me the next set of tricks.  
Merry Christmas!

Dear Robert,

Please find enclosed a print out of James Vernon Nobles (18297) which shows the relationship between him and his sons. The reason for this letter is that you had his sons wife, Kendra Lindsey Germany (54692) listed as the second wife of James Vernon Nobles (18297). instead of the first wife of the son Michael Earl Nobles (54693). Any further information should come from James or Kathy Nobles.

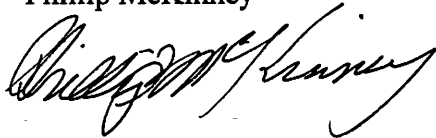

Also, we have had the following marriages in the family:

- ♣+♠ John Phillip McKinney (16892) married Virginia Hill (m) April 17, 2004  
(b) June 8, 1959.
- ♠+♠ Melody Marie Strong (16897) married Randy Greene (m)? (b)

This is all the information I have at the present time. If I get more, I will let you know.

Hoping this letter find you and your wife in excellent health,

Phillip McKinney

Dear Cousins Kate & Phillip,

We returned from our two weeks in Texas full of impressions and with much new information. It was a great trip and the Upchurch meeting in Tomball was excellent. We were disappointed not to see Kate but were pleased that Phillip could attend and take back some feeling about the meeting. I would liked to have spent more time with each person.

I am gradually processing the details collected and will have a report on the trip in the next U.A.

Phillip, thanks for the details on the monument of Perry Davis U. I have just spent about 30 minutes going through my files in several ways and still cannot identify him. I do have his Social Security No and know that he was born and died in TX. I don't show any U's in Hardin Co, TX (where he was buried)

on the 1910 census. My guess is that he is the son of another Perry H b 12 SEP 1896 (TX) & FEB 1975 (TX) but I don't know the Perry fits in either. The Perry H b 1896 should be on the 1910 census at age 14 - but I don't find an entry for anyone who would be a candidate. I also checked my master outline on the family of Oliver Hazard Perry H but could find no candidate. We will figure it out in due course. Thanks again for the input.

I'll look forward to exchanges with your household which have been so helpful and productive in the past.

Sincerely yours  
Phil Upchurch

on family history. I thank you for sharing your information with me and look forward to our continued interaction.

I thank you for the renewal on the UB for the year 2010 and for your generous contribution to the Upchurch Research Fund as a memorial to Katie. The Memorial will be reported in the next UB. This is especially fitting given her interest in family history.

I will make the Vital Record you sent on Katie a part of her Profile and it along with the rest of my family history records will reside at N. C. State University as a permanent collection available to any who wish to do research.

With All Best Wishes,

Phil Upchurch
