UPCHURCH - MCSWAIN INTERACTIONS - Per RPH 20 JUL 2005

In recent years fragments of data have continued to appear about the MCSwain Family of Montgomery/Stanley Co, NC from which two females married into the Harmon U. Clan. If a thorough study of the MCSwain Family could be made it might firm up some aspects of Upchurch history.

CO, TN HISTORY AND FAMILIES 1996 TURNER PUB. CO.

**HAROLD W. MCSWAIN SR.**- The Harold McSwain family relates to other McSwains who have lived for generations in Henry County. His grandfather was William Adney McSwain whose father and family moved from North Carolina about 1835 to settle in the old Salmon School area, between Puryear and Buchanan.

*Mara Joyce McSwain Weed, Peter M. Weed, Joyce DeShazo McSwain, Harold McSwain Sr., Harold "Hal" Jr., Elize Alden McSwain, Kenneth Walter McSwain and children: Gregory Michael Weed, Kaitlin Joyce Weed and Timothy McSwain Weed.*

His great grandparents, George Washington McSwain Jr. and Lucinda Throgmorton married here in 1836. Harold's paternal grandmother was Sarah Frances Henderson, daughter of James Washington Henderson, CSA and Philadelphia "Delphie" Morton.

Adney McSwain and Sarah Frances Henderson's six children were: Cora Lee Jackson, John Pinckney, Luther Elvis, George Atlas, Mary Frances Rhodes and Mancil T. Cora had four children: Helen Osbron Priddy of Chicago, Marie Gamlin of Clarksville, Clarice Duncan of Puryear and a son Bonnie B. Jackson of East Brunswick, NJ.

John had three children: Frances Mallette, Evelyn Sue Cooper and Joseph Epling McSwain of Ft. Worth. Frances is deceased and Sue lives in Pasadena, L.E. "Elvis", Harold's father, had three children: Harold Warren, Dorothy Ruth Byrn of Murray and Margaret Frances Wise of Jackson. Mary married Osa G. Rhodes. The Rhodes' twins were Donald Gordon and Donna Gail, born in Henry County. Donna married Glenn Caldwell and lives in Paris. Donald and his wife LaNoka live in Knoxville where Donald, Ph.D. is an education administrator.

George Atlas married Mavis Boyd and lived in Paris. They were faithful members of First United Methodist Church. Mancil and his wife Hart Simmons lived in Nashville.

Adney McSwain's first wife, Ada Edna Smith died in 1878. They had three children: Cordlah E.

Brockwell, Charles Adney and Vera Edna LaFever. These children had descendants.

Walter Gray Hooper. Harold's maternal grandfather owned a progressive farm on the Paris-Murray Rd. The Hooper family of Virginians migrated before 1840 from Rockingham County, NC to the Hazel and Puryear area. Walter's parents were Delia Ann Hendricks and George Douglas Hooper. Harold's maternal grandmother, Nancy Lucretia Paschall was reared in the Mason's Chapel Community near the Kentucky line. Her parents were John Wesley Paschall and Mary Love Bray.

Walter and "Cretie" had three children: Robbie who died in 1926, Rubye McSwain and Carrie Paschall. Carrie and her husband Bill lived at Puryear.

Several additional circumstances cause this family's strong ties to Henry County. Harold Sr. spent many summers there with his grandparents. His wife, Joyce May DeShazo was born in Paris when her father was pastor for the Second Methodist Church. Her parents were Hacie Jefferson and Mary Graham DeShazo. McSwain was pastor for five churches on the East Paris Circuit for a year. Their son Harold Jr. was baptized at First Methodist Church during Annual Conference by William S. Evans, DS in 1951.

Also, Harold Sr. served as the Memphis Methodist Conference's executive secretary of Town and Country Ministries working in West Tennessee and Kentucky for eight years. When the family lived in Texas, Atlanta, North Carolina and Ohio, they regularly returned to Henry County for holidays and celebrations. A life's goal has been to provide for the education and the preparation for living for their children who are: Harold Warren McSwain Jr., Kenneth Walter McSwain and Mara Joyce Weed.

Harold "Hal" holds a Ph.D. in philosophy and ethics from Boston University and is a Congregational Church pastor in Phoenix. He married Eliza Alden of Boston who has an AB in art history.

Ken has experienced learning disabilities caused by an early childhood illness. He is in a young adult program, "On My Own" and lives in Columbus. He is emotionally supported and cared for by Hal, Mara and the extended family.

Mara earned a MA at Southern State Connecticut University and recently completed an educational program for teachers which approximates a doctor of education. Her husband, Peter Michael Weed III graduated from Quinnipac College and is a CPA. Their children are: Kaitlin Joyce, 11; Timothy McSwain, 7; and Gregory Michael, 6.

Joyce DeShazo McSwain, Harold's wife, graduated from Lambuth University earning an AB in music and taught piano, theory, Glee Club and art. She continues working in church music and is active with the Symphony of Columbus. For several years she has been in real estate sales.

Harold McSwain Sr. is also a graduate of Lambuth University where he taught for eight years. He holds a MA in education from Peabody/Vanderbilt University, a master of divinity from Southern Methodist University and a Ph.D. from Emory University. For 49 years he has been an ordained United Methodist minister serving as a pastor, college and seminary professor, a national missionary, the organizer and executive director for the Hinton Rural Life Center at Hayesville, NC and the Center for Town and Rural Ministries in Ohio. As professor at the Methodist Theological School in Delaware and the United Theological in Dayton, OH, his leadership was in church administration, sociology and social ethics with emphasis on rural church research. He has guided many students through doctoral programs.

McSwain was national president of the United Methodist Rural Fellowship and the first chairman of National Town and Country Network. He is retired but continues to serve on staff of the Rural Chaplains Association and provides consultative services to the seminaries and church. The McSwains went to Russia in July as missionaries.

My sister Dorothy married Dr. James Byrn and lives in Murray, KY. They have two children and two grandchildren. His other sister, Margaret married Dr. Merrill Wise Jr. and lives in Jackson. They have two children and three grandchildren. Their son, Dr. Merrill Wise III, from UT Memphis is a pediatric neurologist in practice and research in Birmingham. He is married to Nancy Collins, daughter of Bob and Ann Collins of Paris.

Harold is fond of his youth years before WWII when he spent summers in Henry County with both sets of grandparents. He preferred that rather than in Memphis with his immediate family. He is proud of the always "close" relationship of his family and the good relationships in Henry County with family and friends over the years.

○ THREE OF 4 MCSWAIN FAMILY ARTICLES IN HENRY CO, TN  
HISTORY AND FAMILIES 1996 TURNER PUBLISHING CO.

**THE MCSWAINS-** David McSwain was born on the Isle of Skye, Scotland in 1700 and came to America in 1731. He brought his wife and two young sons, David II and Charles. A son William was born during the voyage. They were passengers on the *Snow Louther* which landed in Philadelphia, PA on Oct. 14, 1731. David II, b. in 1725, married Susannah Hamrick and located in Virginia after having lived a few years in Pennsylvania. Their eldest child, David III was born ca. 1750 in Virginia. Subsequently, other children were born to them. In 1765 David II moved his family to Western North Carolina and settled near Shelby. While living near Shelby, David III first married Rebecca Cowart, from whom this line descends. Their third son George Washington was born there about 1770. David III's second wife was Catherine Robertson. Sometime before 1793 David III and son George Washington relocated in Montgomery County, NC where they obtained land grants. It was there that David III died sometime after 1810.

George Washington married Elizabeth Jones on Dec. 31, 1793. She died June 28, 1828 in Montgomery County, NC, having borne 16 children. Twelve of their children were daughters, 10 of whom were married. Their four sons were: Lewis Jones, b. 1798; David, b. 1802; William, b. 1807; and George Washington Jr., b. Dec. 16, 1815. In the late 1830s George Sr. and three of his sons: David, William and George Jr., migrated to Tennessee. Lewis Jones remained in

North Carolina. George Sr. and two of the three sons, David and George Jr. settled in Henry County. It was there that George Sr. died sometime after 1840. David married Beneter Randall; George Jr. married Lucinda "Lucy" Throgmorton on Sept. 28, 1836. Lucy, b. ca. 1816-1818, was the daughter of Sarah Naomi (Watkins) and Richard Throgmorton Sr. who had also migrated from Virginia to Montgomery County, NC.

George Jr. became a farmer and grist mill operator. As such, he annually made two long trips to trade in Paducah, KY. Each winter he drove teams of oxen to market taking tobacco and returning with supplies which included salt for the neighborhood. He and Lucy lived in several homes in Henry County over the years, spending their latter years on a low hilltop south of the Holly Fork Creek and west of Salmon's School (now Corbin's Corner), a site where Indians had camped years before. The home-place later became the home of his son, William Adney and was a haven for relatives. George Jr. and Lucy had 10 children: Mary Elizabeth (Candler), b. April 7, 1838; Martha Angeline, b. March 21, 1839, tobaccoist; twins Thomas Smith who became a miller and Caroline G. who never married, b. Feb. 14, 1843; Martin J., b. Jan. 8, 1845, who became a farmer; Sarah A. (McBride), b. April 7, 1846; Alsa Jane (McIlvaney), b. March 30, 1851; William Adney, b. Sept. 1, 1853, who was a farmer and tax assessor; and George Winston, b. Nov. 7, 1855, who married and moved to Missouri. George Washington McSwain Jr. died on Oct. 23, 1888; Lucy died on Jan. 20, 1889. Submitted by Mrs. Glen Caldwell.

**DAVID MCSWAIN-** The first David McSwain and his son David emigrated from Scotland around 1725. They later settled in North Carolina.

David II bore a son named George McSwain. George married Elizabeth Jones of North Carolina on Dec. 31, 1793. To this marriage there were born 12 girls and four boys, including David, b. Nov. 2, 1802.

David married Beneter Randle from North Carolina on Sept. 22, 1825. The couple moved to West Tennessee settling on a farm in Manleyville, Henry County. Later they bought property about one mile north of the village of Buchanan. The property was purchased from Mr. Allbritton. David then added land known as "Bloody Bottom" and also some adjacent hills. Their home was built with unhewn logs and wooden pegs, around 1835. David was 18th district magistrate for 25 years.

The McSwains and Randles were Methodists from way back. Along with help from the neighbors, David built a church which back then was referred to as the meeting house. As was his home, it was made of unhewn logs with wooden shutters.

The church where his grandfather was buried in North Carolina was named Bethel. This church being very important to David, he named the new church Bethel also. Later the building was replaced with planks. Many years later the building was relocated to the town of Buchanan.

The McSwains were blessed with nine children. The eighth child, Isaac Arnold was born Dec. 4, 1845.

David died September 1867. Beneter died in 1887 at the age of 80. Both are buried, along with Beneter's mother, Sarah Calloway Randle, in Bethel Cemetery on land donated for the cemetery by David.

Dr. Issac Arnold McSwain, fondly known as Dr. I.A., married Margaret Ann Dale in December 1868. This union bore 11 children. The third born on April 22, 1874 was John Horace McSwain.

Dr. Horace married Anne Hardy Barton on May 3, 1904. Miss Anne was the daughter of Col. O.C. Barton originally from Cottage Grove. Her home was what is now called the Paris-Henry County Heritage Center on Poplar St.

Dr. Horace and Miss Anne had three children. Horace Barton, b. Jan. 19, 1906; Nelle Cavitt, b. May 28, 1909; and Margaret, b. Dec. 18, 1912.

Barton attended Grove High School where he played catcher for the school's baseball team. After graduation he went to Vanderbilt University in Nashville. He completed his residency at New York Hospital where he met his future wife, Vivian Kerr from Hastings, Canada.

Dr. Barton moved his wife to Paris while he completed his military duties. He returned to Paris where he practiced medicine with his father at the McSwain Clinic. Shortly thereafter, he moved back to Nashville as a surgeon at Vanderbilt Hospital and to his real love of teaching at Vanderbilt University.

Dr. and Mrs. McSwain's children are John Grover, b. Feb. 28, 1948, and Anne Barton. John and Cornelia Skinner were married in Nashville, TN on March 30, 1974. They moved from Nashville to reside in Paris.

John and Connie have three sons: John Houston, b. Dec. 21, 1976; Justin Robert, b. Dec. 25, 1980; and Michael Barton, b. Aug. 11, 1982.

Dr. Barton died Aug. 11, 1981. Vivian died Feb. 18, 1993. Both are buried in Maplewood Cemetery in Paris.

**WILLIAM ADNEY MCSWAIN-** patriarch of present generations of Henry County McSwains sired 10 children. Three were by his first wife and seven by his second wife. He first married Ada Edna Smith on Dec. 11, 1878. Ada was born in 1861 and died on March 7, 1884. Their children were: Cordie (a.k.a. Cordelia or Cordlah) Elizabeth, b. # A Quick Look at the McSwains

## ELIZABETH MISSING McSWAIN

BORN ABT. 1710

She is only shown to have had this one child:

David McSwain b. March 1, 1734

This is a most confusing issue as I couldn't find information about Elizabeth. It is not certain if McSwain was her maiden or married name. Perhaps she was widowed or abandoned by the time her son was born. We just don't know.

Apparently Elizabeth bore son David out of wedlock and his last name derives from her maiden name, or possibly she had married/widowed/divorced. In records of 1741, she is listed as a *Spinster of Baltimore County, Maryland*, and is shown to have placed her son with Thomas and Rose Felps as their *indentured servant*. Little David was only seven years and six-months old and was to be their servant until his 21st birthday! They must have cared deeply for David as they left their property to him when they died.

## Editors Note

Trying to backtrack this family had me pulling my hair out! Just as I thought I zeroed in on the ancestors, I'd find someone who said my data was in error. There seems to be a lot of info on the McSwains, yet few descendants seem to agree on much of it.

Therefore, the information on this family is a culmination of data collected by this author and cousin Kevin Burton. Our records reflect that two people seem to have arrived at these names and dates:  
J. R. McKinney R08046  
and  
Jean McSwain. R05010

We consider them to be credible sources who have researched in depth and have documents to support their data.

UPCHURCH-MCSWAIN INTERACTIONS - Per RPH 20 JUL 2005

In recent years fragments of data have continued to appear about the McSwain Family of Montgomery/Stanley Co, NC from which two females married into the Harmon U. Clan. If a thorough study of the McSwain Family could be made it might firm up some aspects of Upchurch History.

A SKETCH:

B. James U, VI b abt 1797 (Montgomery now Stanley Co, NC) d when? & where? md presumably in Montgomery Co, NC) HANNAH MCSWAIN b abt 1896 (NC) & 1873 (presumably SE Missouri)

In 1974 Eleanor D. McSwain produced a book Some Descendants of David McSwain which shows Hannah McSwain b 1794 as being in the home of her parents George McSwain & Elizabeth Jones on the 1800 & 1810 census for Montgomery Co, NC. Hannah was 1 of 16 children

Other information shows that Charles McSwain & LURANE WASHINGTON had 17 children including EUNICE MCSWAIN. Charles md (2nd) SARAH L. TITROCKMORTON

Miles Philbrick of NC published THE MCSWAIN FAMILY and cites Eleanor D. McSwain's Book as bearing upon Charles McSwain's parentage (via Mal Frances Danenport) that Hannah Josephine McSwain b 1848 (NC) was D/O Gabriel McSwain and Elizabeth FLOW

McSWAIN<sup>1</sup>

From JA 15 SEP 1993 Tracy Newman U to RPL - re

At the library, I also found a book by Eleanor D. McSwain entitled Some descendants of David McSwain<sup>1</sup> printed by the National Printing company, Macon, Georgia in 1974. Several statements in the book fit very nicely with the family tradition that Jones Green Upchurch's mother was a McSwain. The book shows a Hannah McSwain who was the daughter of the George McSwain in the Montgomery County 1800 and 1810 censuses. This Hannah McSwain is shown in the book as being born 1794.

The Hannah Upchurch in Jones Upchurch's household in the Cape Girardeau, Missouri census for 1850 is listed as 52 years old. This would make her birth year either 1797 or 1798. I don't see this as too great a discrepancy. It has not been unusual for women to loose years in the census. I have one ancestor who aged only six years in the ten years between censuses.

The mother of this Hannah McSwain was named Elizabeth Jones. If a source for Jones Upchurch name is needed, this easily could be used.

Hannah McSwain had a sister, two years younger, named Margaret. Jones' first daughter was named Margaret. Hannah and Margaret were of a family with 16 children.

Louis J. McSwain, a brother four years younger than Hannah McSwain, migrated from Montgomery County, North Carolina to Henry County, Tennessee.

Hannah McSwain's line goes back through George<sup>4</sup>, David<sup>3</sup>, David<sup>2</sup>, and David<sup>1</sup><sup>1</sup> of the Isle of Skye in Scotland. They came to North Carolina by way of Virginia.

In this book, Some descendants of David McSwain<sup>1</sup>, the author gives as the source for much of her information, a book by S. C. Jones entitled The Hamrick Generations. David<sup>2</sup> McSwain married a Sousanna Hamrick. My local library, who has been very good at obtaining books for me through the inter-library loan procedures, was not able to locate this book. Very likely, if it can be found, it may contain additional relevant information.

### Editors Note

Trying to backtrack this family had me pulling my hair out! Just as I thought I zeroed in on the ancestors, I'd find someone who said my data was in error. There seems to be a lot of info on the McSwains, yet few descendants seem to agree on much of it.

Therefore, the information on this family is a culmination of data collected by this author and cousin Kevin Burton. Our records reflect that two people seem to have arrived at these names and dates:  
 J. R. McKinney <sup>R08046</sup>  
 and  
 Jean McSwain. <sup>R05010</sup>

We consider them to be creditable sources who have researched in depth and have documents to support their data.

### ELIZABETH MISSING MCSWAIN

BORN ABT. 1710

She is only shown to have had this one child:

David McSwain b. March 1, 1734

This is a most confusing issue as I couldn't find information about Elizabeth. It is not certain if McSwain was her maiden or married name. Perhaps she was widowed or abandoned by the time her son was born. We just don't know.

Apparently Elizabeth bore son David out of wedlock and his last name derives from her maiden name, or possibly she had married/widowed/divorced. In records of 1741, she is listed as a *Spinster of Baltimore County, Maryland*, and is shown to have placed her son with Thomas and Rose Felps as their *indentured servant*. Little David was only seven years and six-months old and was to be their servant until his 21st birthday! They must have cared deeply for David as they left their property to him when they died.

For Eunice McSwain:

I don't know her full maiden name. I've seen several variations of it in numerous documents. I've chosen to go with Eunice 'Nicey' McSwain. I have seen it written Eunice 'Eunity' McSwain too. In fact, the 1870 census lists her as *Eunity Upchurch*. I've stayed with the *Nicey* nickname simply because that's what my aunt and cousin had found before I ever began my research. I'm just wondering though if it wouldn't have been more possible that she was called *Niece-ee*. Seems like I've heard that nickname before somewhere. Maybe that's the pronunciation of *Nicey*.

Was she born in Cleveland County, NC or Rutherford County, NC?

Actually they're one and the same. However, it was Rutherford County when Eunice was born. Today it's Cleveland County. I'm changing mine back to read *Rutherford*. Good catch!

○ From Ltr 15 SEP 1993 Tracy Newman U to RPL - re  
his visit to Albemarle, NC Public Library

At the library, I also found a book by Eleanor D. McSwain entitled Some descendants of David McSwain printed by the National Printing company, Macon, Georgia in 1974. Several statements in the book fit very nicely with the family tradition that Jones Green Upchurch's mother was a McSwain. The book shows a Hannah McSwain who was the daughter of the George McSwain in the Montgomery County 1800 and 1810 censuses. This Hannah McSwain is shown in the book as being born 1794.

The Hannah Upchurch in Jones Upchurch's household in the Cape Girardeau, Missouri census for 1850 is listed as 52 years old. This would make her birth year either 1797 or 1798. I don't see this as too great a discrepancy. It has not been unusual for women to loose years in the census. I have one ancestor who aged only six years in the ten years between censuses.

The mother of this Hannah McSwain was named Elizabeth Jones. If a source for Jones Upchurch name is needed, this easily could be used.

Hannah McSwain had a sister, two years younger, named Margaret. Jones' first daughter was named Margaret. Hannah and Margaret were of a family with 16 children.

Louis J. McSwain, a brother four years younger than Hannah McSwain, migrated from Montgomery County, North Carolina to Henry County, Tennessee.

Hannah McSwain's line goes back through George<sup>4</sup>, David<sup>3</sup>, David<sup>2</sup>, and David<sup>1</sup> of the Isle of Skye in Scotland. They came to North Carolina by way of Virginia.

In this book, Some descendants of David McSwain, the author gives as the source for much of her information, a book by S. C. Jones entitled The Hamrick Generations. David<sup>2</sup> McSwain married a Sousanna Hamrick. My local library, who has been very good at obtaining books for me through the inter-library loan procedures, was not able to locate this book. Very likely, if it can be found, it may contain additional relevant information.

I believe that Hannah Upchurch maiden name was Mcswain. By the way the children was named. Jones from Hannahs mother maiden name, Hannahs sister married a Green. Robert J. M. Upchurch son was named Edward Green. In the census of Henry Co. TN in 1840 Jones Green Upchurch was listed as head of household and four other were recorded. (1 male under 5) His son Henry A. Upchurch. b. 10 Jan 1840 (1 female 20-30) Elizabeth his wife. This leaves two others. One female age 40-50. One male age 5-10. In the census of Cape Girardeau Co. MO in 1850. In the household of Jones Green Upchurch. Hannah Upchurch age was given as 54. Robert J.M. Upchurch age was given as 17. Subtract 10 years from the age they give. Hannah 10 from 54--44 . Robert J.M. 10 from 17-- 7 This fits the age bracket of the two extra people in the TN census of Henry Co. TN One thing I seen in browsing the Internet that I think ties this together. Robert J. Upchurch was born in NC in 1833. Jones Green Upchurch was in Henry Co. TN per Census of 1840. That leaves a time frame for them to have moved in as 1833 to 1840. Hannah Upchurch's Father moved from NC to Henry Co. TN in the time frame of 1834 to 1840. I feel they came together. He and his three sons come with him. Have an article on them. Part of it. Her father was George W. McSwain His wife had died in 1828 I believe. I have a article from a Paris TN news paper dated 11/20/1928 on a Dr. Isaac A. McSwain. Dr. McSwain's grandfather was George McSwain, who had married a Miss Jones to which union four sons and twelve daughters were born.

I failed to put Jones Green In that census outline of Henry Co. TN He was in the age group from 20-30.

At the library, I also found a book by Eleanor D. McSwain entitled Some descendants of David McSwain printed by the National Printing company, Macon, Georgia in 1974. Several statements in the book fit very nicely with the family tradition that Jones Green Upchurch's mother was a McSwain. The book shows a Hannah McSwain who was the daughter of the George McSwain in the Montgomery County 1800 and 1810 censuses. This Hannah McSwain is shown in the book as being born 1794.

The Hannah Upchurch in Jones Upchurch's household in the Cape Girardeau, Missouri census for 1850 is listed as 52 years old. This would make her birth year either 1797 or 1798. I don't see this as too great a discrepancy. It has not been unusual for women to loose years in the census. I have one ancestor who aged only six years in the ten years between censuses.

The mother of this Hannah McSwain was named Elizabeth Jones. If a source for Jones Upchurch name is needed, this easily could be used.

Hannah McSwain had a sister, two years younger, named Margaret. Jones' first daughter was named Margaret. Hannah and Margaret were of a family with 16 children.

Louis J. McSwain, a brother four years younger than Hannah McSwain, migrated from Montgomery County, North Carolina to Henry County, Tennessee.

Hannah McSwain's line goes back through George<sup>4</sup>, David<sup>3</sup>, David<sup>2</sup>, and David<sup>1</sup> of the Isle of Skye in Scotland. They came to North Carolina by way of Virginia.

In this book, Some descendants of David McSwain, the author gives as the source for much of her information, a book by S. C. Jones entitled The Hamrick Generations. David<sup>2</sup> McSwain married a Sousanna Hamrick. My local library, who has been very good at obtaining books for me through the inter-library loan procedures, was not able to locate this book. Very likely, if it can be found, it may contain additional relevant information.

A. \* The great-great grandfather of your compiler (Wilburn E Upchurch) was a ~~English~~ <sup>English</sup> immigrant, whose name I believe to be Allen, sailed to America about the year 1790. Off the coast his ship ran into a storm and was lost. This Upchurch tied himself to the mast and floated to shore; he was the only survivor. He moved to North Carolina; the county I believe to be Montgomery. He married a woman whose name I believe to be McSwain; they had at least two sons, Jones and Robert. Jones was a traveling school teacher, he wanted to marry Elizabeth Cooper, but her father objected. Mr Cooper told his daughter if she married Jones he did not ever want to see her again. He never did. Jones and Elizabeth eloped; moving first to Henry County, Tenn. then to Cape Girardeau Co. Mo. in 1848. Robert and a woman by the name of Hannah Upchurch, who I think was their mother, came with Jones. Jones had a large family; his descendants are Hurbert and Oscar Upchurch at Marble Hill, Mo. I am a descendant of Robert.

- Like I said before, I haven't really researched any lines except my direct-line descendants. I did go over some stuff sent to me by Jason Marbut and in it there is no Hannah McSwain b. abt 1796 NC. A quote from a letter from Willbourn, "my gggf was Robert f. M. U. He is the Robert listed on the 1850 census of Cape Co, MO with Jones Green U. There is a link between the two, and I can only surmise that they were brothers. In my family this is a Bible. The first name that appears is that of Jones U; listing his birth and death date; after come Robert f. M. U, then the children of Robert f. M. U. The Hannah that appears with them on the above mentioned census I surmise to be their mother. I base my assumptions on the fact that in the 1870 census of Bellinger Co, MO, Terance TSP, there was a Hannah living with Henry [Henry H. U] and Mary. Hannah was listed as blind and 80 yrs old. The age of Hannah in 1870 does not fit the age of Hannah in 1850 (6 yrs off) but knowing how often people would distort their ages for census reports; I feel the two are one and the same."

CHARLES is a GGS of Robert J. M. U →  
NOTE: 1840 CENSUS, RPU NOTE ABOVE  
& CHARLES EXCEPT ALL AGREE-RPU

I believe that Hannah Upchurch maiden name was Mcswain. By the way the children was named. Jones from Hannahs mother maiden name, Hannahs sister married a Green. Robert J. M. Upchurch son was named Edward Green. In the census of Henry Co. TN in 1840 Jones Green Upchurch was listed as head of household and four other were recorded. (1 male under 5) His son Henry A. Upchurch. b. 10 Jan 1840 (1 female 20-30) Elizabeth his wife. This leaves two others. One female age 40-50. One male age 5-10. In the census of Cape Girardeau Co. MO in 1850. In the household of Jones Green Upchurch. Hannah Upchurch age was given as 54. Robert J.M. Upchurch age was given as 17. Subtract 10 years from the age they give. Hannah 10 from 54--44 . Robert J.M. 10 from 17-- 7 This fits the age bracket of the two extra people in the TN census of Henry Co. TN One thing I seen in browsing the Internet that I think ties this together. Robert J. Upchurch was born in NC in 1833. Jones Green Upchurch was in Henry Co. TN per Census of 1840. That leaves a time frame for them to have moved in as 1833 to 1840. Hannah Upchurch's Father moved from NC to Henry Co. TN in the time frame of 1834 to 1840. I feel they came together. He and his three sons come with him. Have an article on them. Part of it. Her father was George W. McSwain. His wife had died in 1828 I believe. I have a article from a Paris TN news paper dated 11/20/1928 on a Dr. Isaac A. McSwain. Dr. McSwain's grandfather was George McSwain, who had married a Miss Jones to which union four sons and twelve daughters were born.

I failed to put Jones Green In that census outline of Henry Co. TN He was in the age group from 20-30.

LOUIS J

MC SWAIN

From LA 15 SEP 1993 Truett Newman U Ed RPA - re  
his visit to Albemarle, NC Public Library

At the library, I also found a book by Eleanor D. McSwain entitled Some descendants of David McSwain printed by the National Printing company, Macon, Georgia in 1974. Several statements in the book fit very nicely with the family tradition that Jones Green Upchurch's mother was a McSwain. The book shows a Hannah McSwain who was the daughter of the George McSwain in the Montgomery County 1800 and 1810 censuses. This Hannah McSwain is shown in the book as being born 1794.

The Hannah Upchurch in Jones Upchurch's household in the Cape Girardeau, Missouri census for 1850 is listed as 52 years old. This would make her birth year either 1797 or 1798. I don't see this as too great a discrepancy. It has not been unusual for women to loose years in the census. I have one ancestor who aged only six years in the ten years between censuses.

The mother of this Hannah McSwain was named Elizabeth Jones. If a source for Jones Upchurch name is needed, this easily could be used.

Hannah McSwain had a sister, two years younger, named Margaret. Jones' first daughter was named Margaret. Hannah and Margaret were of a family with 16 children.

Louis J. McSwain,<sup>↑</sup> a brother four years younger than Hannah McSwain, migrated from Montgomery County, North Carolina to Henry County, Tennessee.

Hannah McSwain's line goes back through George<sup>4</sup>, David<sup>3</sup>, David<sup>2</sup>, and David<sup>1</sup> of the Isle of Skye in Scotland. They came to North Carolina by way of Virginia.

In this book, Some descendants of David McSwain, the author gives as the source for much of her information, a book by S. C. Jones entitled The Hamrick Generations. David<sup>2</sup> McSwain married a Sousanna Hamrick. My local library, who has been very good at obtaining books for me through the inter-library loan procedures, was not able to locate this book. Very likely, if it can be found, it may contain additional relevant information.
