Dear Phil,

I was both excited and surprised to receive your letter of June 9, 1998. I thoroughly enjoyed the Upchurch lecture in Tomball, Tx. 4/18/96. It was exciting to see and meet people connected to my family's past and to see the vast accumulation of data you have compiled. How exciting! I wonder often what circumstances compelled those people at that time in history to leave homes and families and journey to new lands, often beset with perils we can only imagine. How did they travel? By foot, horse, mule, wagon, stagecoach? How long did it take? What did they eat? How dangerous was it?. Why did my forebears settle in Grimes County, Texas? So many died so young, the rigors of frontier life exacted its toll, yet many of these hardy souls lived into their 80's and 90's as evidenced by my own ancestors. Put me in these circumstances today and I doubt I would last two weeks.

The day I received your letter I spent a pleasant afternoon going through a great deal of the material I have. This was compiled for me by my Aunt Ollie (Marium Ollie Calhoun McWhorter). who began her search of our ancestry in the early 1930's and has tried diligently to keep it up-to-date. Of course, as we proliferate, that is almost impossible, but I am glad someone is doing it. Aunt Ollie is still living in Lawton, Okla. Her son, Roland McWhorter, is most likely the one who will inherit her records. She may not be thoroughly accurate always as much was gleaned by taking notes from others but the official records should be able to put discrepancies to right.

My grandfather, Roderick McWhorter, married Emily (Emma) Upchurch before he married my grandmother, Mary Anne Elizabeth Lang. I have two spellings for her name (Lang and Lange). I had always believed it was without the E and denoted Scotch ancestry. She was my paternal grandmother. My maternal grandmother married Johanne Lange from Germany, she from Austria. I have data on the children of Roderick and Emily (Upchurch) McWhorter if you need any of this info.

I am sending copies of some of the info concerning Oliver Upchurch. It came to me in comparing notes that Grandma Upchurch MAY have been known as "Nettie" as she lived in El Campo until she died. I do not know the name Nettie McDaniel. [NEC MARY ELIZABETH HAMPTON]

I remember Grandma U. well. She came to live with us around 1934 when she had pneumonia. The Dr. came to our house and Grandmother nursed her back to health. I remember spending weeks at her house in El Campo where she and Uncle Arthur lived. Grandmother went there to help with the canning. Her tiny little house was always

Biofile on Oliver Hazard Perry U. Would you please go over this and let me have any thoughts you have about the marriages + children of O.H.P.U. I'll be glad to dig deeper into any original source I have. As matters stand they are very confusing. I hope between us we can make some progress.

Enclosed is a copy of my 26 Page Master Outline on Burnell U, his children, grandchildren, & great grandchildren. The descendants [if any/ if known] of great grandchildren are shown in continuation sections as indicated by numbers on the left hand side of the page. I have not included any of these continuation sections but can send any that especially interest you. I can't tell you how many thousands of hours and thousands of dollars have been expended to get this outline this far - and with more left to discover. It's good a few like you and I enjoy this sort of thing.

You will note I collect full names (full maiden names of females), place of birth, marriage, death and burial and dates of birth, marriage and death. For place I like to include the town, county &

state and names of cemeteries where available

I hope you will have a look at this master outline and let me know if you spot any errors. Any additional details you can supply to make the record more complete would be appreciated. I'll be glad to go into detail on any aspect that interests you.

You mentioned the harsh conditions in the earlier years. I tried to describe that in the issue of the U¹/₂ that reported on our 1996 trip to Texas. It really was a challenge.

Have you had a chance to see the U¹/₂ issue which reports on the trip of Harnet (Upshur) Loptin and family members to TX from GA by covered wagon in 1866. This story is a real gem considering it is hard to get descriptions of how things were in those days.

You will note that I have included your GM + GF on the master outline [XFD's 44723 + 22968]. I would very much like to include details on their 7 children (including your father) and their descendants if you can supply these details. I sometimes do & sometimes don't include descendants of stepchildren

4-

⑧

but in this case it makes sense to me to include them. - if you have no objections.

I feel like there are lots of items on which you and I have common interests and can share details. Perhaps this mailing will contribute to our ongoing collaboration.

Please let me know if you have questions.

Sincerely yours.

☺ Phil Upchurch

[STEPDAU OF OHPU]

md () - - HARVEY

I don't have and I probably have some you don't have. We always seem to be missing some details and in some cases there are real puzzles.

As one example of a puzzle I cite the issue of whether or not Oliver Hazard Perry Upchurch married a 3rd time. We know he married Mary A. Senily in 1866 and had several children. Then in 1981 he married Mary Elizabeth Hampton [her 3rd marriage], she being the mother of your grandmother Mary Ann Elizabeth (Lange) McWhorter. Then I show he married (3rd)

31 DEC 1870 (Grunni Co, TX) NETTIE MCDANIEL. A copy of her 1 page 3.5 term profile is enclosed

Can you shed any light on whether Oliver was married twice or three times? I am confused.

It would be nice to have a note from you and to learn if you are willing to exchange information. Thanks for coming to the Tom Ball Lecture

Sincerely yours
 Phil Upchurch
 [ROBERT PHILIP UPCHURCH]

My grandfather, Roderick McWhorter, married Emily (Emma) Upchurch before he married my grandmother, Mary Anne Elizabeth Lang. I have two spellings for her name (Lang and Lange). I had always believed it was without the E and denoted Scotch ancestry. She was my paternal grandmother. My maternal grandmother married Johanne Lange from Germany, she from Austria. I have data on the children of Roderick and Emily (Upchurch) McWhorter if you need any of this info.

My grandfather, Roderick McWhorter, married Emily (Emma) Upchurch before he married my grandmother, Mary Anne Elizabeth Lang. I have two spellings for her name (Lang and Lange). I had always believed it was without the E and denoted Scotch ancestry. She was my paternal grandmother. My maternal grandmother married Johanne Lange from Germany, she from Austria. I have data on the children of Roderick and Emily (Upchurch) McWhorter if you need any of this info.

The day I received your letter I spent a pleasant afternoon going through a great deal of the material I have. This was compiled for me by my Aunt Ollie (Marium Ollie Calhoun McWhorter). who began her search of our ancestry in the early 1930's and has tried diligently to keep it up-to-date. Of course, as we proliferate, that is almost impossible, but I am glad someone is doing it. Aunt Ollie is still living in Lawton, Okla. Her son, Roland McWhorter ↑ is most likely the one who will inherit her records. She may not be thoroughly accurate always as much was gleaned by taking notes from others but the official records should be able to put discrepancies to right.
