Hi Dan---

Delighted to hear from you. There has been a little delay in my responding as we are finishing an issue of the Upchurch Bulletin. The subscription for 2010 is \$10 made payable to Robert P. Upchurch.

I have you and your family in my records but a number of details are missing. I'll be glad to interact with you to improve the records if you so desire.

Your inputs differ a little from mine and perhaps we could start by working on those items if you are so inclined.

1. I have your mother born 1919. You show 1920 ?
2. You use the spelling Lenel. I have Lounell ?
3. You use Lela. I have Lela and Lella ?
4. You mention that Lois had 6 siblings with one unnamed. I have 7. They are Luther C. U. b 10 OCT 1926 d 12 MAR 1927 and La Mary June U. b 12 SEP 1931 d 16 OCT 1932.

You belong to the Silas U Line in the George U./ Shadrack U. Subclan. In 1996 I visited Fentress Co., TN and saw the cemetery at Pall Mall where so many Upchurches are buried.

If you are interested we could work together on your Upchurch Line going backwards. For new Cooperators I offer to go back through the 100 issues of the Upchurch Bulletin and for \$40 to pick out 8 issues that I think would most interest them. You can let me know if this interests you.

For my records I would very much like to have your full name and where you were born. Looking forward to hearing from you.

Phil,

I apologize for giving you some faulty information. Your records are much better than my poor memory. I found a copy of my mother's obituary which has a few names and dates. It shows my grandfather's name as Erwin Upchurch. I always thought it was Ervin.

Thank you!

□ 1. I have your mother born 1919. You show 1920? You are correct! She was born 6/16/1919.

2. You use the spelling Lenel. I have Lounell? You are correct. It is Lounell

3. You use Lela. I have Lela and Lella? In my mother's obit it is spelled Lella.

□ 4. You mention that Lois had 6 siblings with one unnamed. I have 7. They are Luther C. U. b 10 OCT 1926 d 12 MAR 1927 and La Mary June U. b 12 SEP 1931 d 16 OCT 1932. You are correct! I believe mother stated they both died from whopping cough.

You belong to the Silas U Line in the George U./ Shadrack U. Subclan. In 1996 I visited Fentress Co., TN and saw the cemetery at Pall Mall where so many Upchurches are buried.

Hi Dan---

Thanks for yours of the 20th and for the details. I'll make a couple of comments and you can let me know if there is more you want to explore.

I think it is quite possible the your GF was Ervin and not Erwin as obituaries cannot always be trusted. I have it Ervin and have more than one reason to think that is correct. However, more proof is always desired.

If you are interested in working with me to improve the Master Outline for the family of your GF Wm E. U., I will be glad to mail you my five page outline of what I have so far. I would need your mailing address as I keep my records manually. With this in hand it would be easy for you to explore several sources in the family to improve the outline and along the way I could probably add some items as I have Internet sources. I will not be put off if you decide not to do this as some are interested and willing to do a little work and some not. We each are free to decide how to spend our time.

HUNTER K. MONROE

Dear Hunter

yesterday I had a delightful phone conversation with your mother about our mutual interest in Upshur's family history. I have never met Jane but got to know your Uncle Hunter & his wife Margaret well. Your Aunt Melba invited me in Tucson in 1979. I did know your GM Nelly Kelly rather well and visited in her home several times in the 1975-1985 era. She and I had a great common interest in family history and I have notes of our chats and of our tours around Upshur country in Wake/Chatham counties.

Jane gave me your address. She tells me that you have recently finished your doctorate at Oxford University in England and that you did some family research while there. She also says you are very busy with a new job at the International Monetary Fund

in Washington, DC. over the years I have had dozens of trips to Washington - NAS committees, USDA committees, consultant to AID in the State Dept, etc - but not so many trips in recent years.

Enclosed are details on the Upchurch Bulletin which I have published since 1980. As of the next issue I will have identified and published on 35,400 members of the extended Upchurch family. I have dozens of correspondents and have to work hard to process all the data that comes in from all over the country. I have a computer here at home but my data is presently maintained manually. However, my master outlines and Profiles are set up to be readily shared with others. We do have a cousin, Clyde Upchurch, in Phoenix, AZ who is proceeding to place my records into a computer database which he will share with others.

If you have anyway to put into your database on the Upchurch family I would be very pleased to have a copy. I am anxious to share with others and to

improve the Master Outlines and Biogfiles on the extended Upchurch Family.

Over the years I have worked to get more details on the Upchurch linkage to Little Bidding in England. This is the spot that our common ancestor Michael Upchurch, I left in 1649 to come to America. Enclosed is a copy of a letter from Professor Rousame that holds considerable promise for revealing new information. Naturally, I have written to him to learn his "terms".

I realize you must be very busy but if there is mutual interest I will certainly be happy to hear from you and to take any steps to foster our mutual interests that seem reasonable

Hope to hear from you.

☺ Sincerely yours

Phil Upchurch
