The following information is by no means a try for the Nobel Prize for Literature but just a way of sharing the information that I have obtained through many years of reseaching. After all, that is what "GENEALOGY" is all about -- sharing information to reach a common goal.

The facts have been compiled from Census Records, Court Records, various articles, personal knowledge and through the efforts of many other researchers. A very special thanks goes to --

I have tried to be accurate in recording the data but would appreciate being advised of any corrections or additions.

The cost of this booklet does not reflect the expenses incurred by the research but is just to pay for the copying and postage expense.

Dear Cousins Dana & Ruth

Thank you for your renewal on the U B
for 1996 and for your contribution to the
Upchurch Research Fund. We are currently having
some work done in England and hope it
will be useful.

Work on the Upchurch Family is going
along very nicely and I am having to
"pick up the pace" to keep up with it all.
The program involves many people helping.
Pulling together we get a great deal done.
I know the productivity will continue in
1996

All the Best at this Holiday Season.

Dear Cousins Dana & Ruth

Your letter with all the details that arrived on 20 MAY 1995 was most welcome. I have just finished processing it and want to thank you for the excellent input. The Morill Outline for the Maitha Ellen (Carly) Morill Family is looking better all the time. Congratulations on having such a fine family. It appears to me your grandchildren are of the right age that you can expect quite a few weddings in the next several years. We are a little bit behind you. Our oldest grandchild is just 13. Our No 7 was born yesterday here in Missouri - a little girl - still not named. We sat with her little 17 months old sister yesterday. Today we get to drive in and see the new little one and learn her name. (She will be XFD-38000).

Enclosed is a list of details still needed on the Eldon Berdman Morill Family. I have copied it to accommodate all the details you sent in and can send you a copy on the next exchange.

If you have anything organized on the descendancy of the sisters of Eldon (Anna, Bertha, Selma, Rena and Emma) I would appreciate a copy. I don't have any of their children or grandchildren.

Provided herewith is a copy of the Profiles on two of your ancestors - John H, VI - XFD-143 (5 Pages, 11 items) and Eleanor XFN-426 (5 Pages, 7 items) I doubt there is anything new for you here but wanted you to have this.

We had a wonderful 15 day family history trip through TN & NC including the stop in Fentress Co, TN. Details are in the U B (Vol 16 No 2) now being printed - we are behind on it & then the copies broke - it is now fixed and it should go in the mail tomorrow (bulk mail)

I wrote to Sue Carter on 5 MAY 1995 and have not heard from her. I am sure she misses her husband.

Please let me know if you have any special questions on your Upchurch heritage

Sincerely yours
Phil Upchurch

in Texas for at least 5 years - I could not find them on the census though.

Dear Cousins Dana & Ruth

Since your letter and the Carter book arrived on 20 APR 1995, I have spent about 40 hours extracting and cross-referencing the details. This book is a wonderful contribution to our shared family heritage and I thank you for sending it. I have many more hours to spend on it but am far enough along to get back to you. Later on I'll contact Sue. Over time I hope we can resolve some of the conflicts in data that always seem to arise. I hope we can continue to work together to improve our family records.

You asked about details on Adelia Bell Campbell. Enclosed in my biofile sheet on an Adela Campbell b. 1854. Do you think the two are the same. I will be giving an Upchurch lecture in Fentress Co, TN on 4 JUN 95. There are no JARED family members in my Biofile system.

Here are the Volume/Issue of the Upchurch Bulletin that contain details on the George Upchurch

Clan and therefore might be of interest to you (15-3 + 15-4 are listed to give you recent developments on the Upchurch family overall) - 6/1, 6/3, 9/1, 9/2, 9/3, 9/4, 10/2, 12/1, 13/3, 13/4, 15/3, 15/4. These 12 issues would sell for \$4 each separately or for \$12 per four issues. The 12 issues as a batch would normally sell for \$36.⁰⁰. However, if you will order all 12 at once I will sell them for \$30.⁰⁰. I do not charge for anything other than the Upchurch Bulletin. We all spend a lot of time / money collecting family records and there is great joy in sharing.

Enclosed is a copy of my 6 page 12 item Profile on your ancestor John U., VI (XID-143).

Enclosed is a copy of my Master outline for the Martira Ellen (Carter) (Boohere) Manill Family along with a list of questions. I'll be grateful for any answers you have or can get.

Thank you for your order for the 1995 U¹³ and for your \$10 contribution to the Upchurch Research Fund. I look forward to working with you.

Sincerely yours
Phil Upchurch

Dear Cousin Phillip,
I am sending a Carter book researched and put together by Sue Carter. She lives in Kansas City, Mo - so you are practically neighbors.

The information beginning on p. 5 is the earliest information we have on our Carter line. You will notice in the next few pages that there are many marriages between Carter and Upchurch.

Chapter 4 beginning on page 14 was contributed by me.

Chapter 6 - P 41 - also our family. You will probably say this is way more information than you asked for - still I hope you find it interesting because of the Upchurch names throughout.

There are mistakes - I've only found some of them.

We would really appreciate your sharing any information you might have on these allied families. We are especially interested in Adelia Bell Campbell. We know she had a sister Sarah who married Robert Jared and both couples moved west, settling about 40 miles north of Spokane.

Please advise - as to what information you have and the

Cost of it.

Thank you for the 2 Upchurch
Bulletins you sent - They gave
us much new information.

We also enjoyed your letter.

Enclosed is check for 1995
issues of Upchurch Bulletin.

We could not afford to purchase
all back issues - would it be
too time consuming for you to indicate
to ~~us~~ ^{SP} us which years would be
the best for us to get.

Lana

Hope to hear from you soon.

I have Upchurch genealogy.

Eleanor Upchurch who married
James Carter (probably Wayne Co. Ken)
ca 1848-49.

She was the daughter of John
Upchurch and Sarah Bertam. She
was born the 7th of July 1829 in
the Little South Fork area of Wayne Co.
Ken.

According to my information her
parents were from Virginia - relocated
from North Carolina to Ken. about 1812.

If any of your past issues of

concerning this particular branch of
the Upchurch family I would like
