DETAILS RE CO "I"

MORTON, H. A. Private

Resided in Rowan County and enlisted on 3 March
 1864, for the war. "Gave himself up voluntarily" to
 the enemy at Mechanicsville, Virginia, 30 May 1864.
 Confined at Elmira, New York, until released on 19
 May 1865, after taking the Oath of Allegiance.

The company, known as "Cedar Forks Rifles," was
 from Wake and Chatham Counties and enlisted in
 Wake County on 28 May 1861. It went into the camp
 of instruction near Company Shops (Burlington),
 Alamance County, 1 June 1861, and was assigned to
 this regiment [Sixth Regiment] as Company I.
 After joining the regiment, the company functioned as
 a part of the regiment, and its history for the war
 period is recorded as a part of the regimental history.

The information contained in the following roster of
 the company was compiled principally from company
 muster rolls for 20 June 1861, through February 1864,
 and 15 September through December 1864. No
 company muster rolls were found for the period prior
 to 20 June 1861; for March through 14 September
 1864; or for the period after December 1864. In
 addition to the company muster rolls, Roll of Honor
 records, receipt rolls, hospital records, prisoner of war
 records, and other primary records, supplemented by
 state pension applications, United Daughters of the
 Confederacy records, and postwar rosters and
 histories, all provided useful information.

Dear Mrs. Morton

Mrs Hazel Upchurch of Birmingham, AL indicated that she had talked with you recently. She indicated that Samford U has a genealogy dept and that you teach genealogy and also have Upchurch relatives. What a combination! My own keen interest in the extended Upchurch Family is indicated by the enclosure. If you could give me some clues as to your Upchurch relatives I would be happy to place them in the context of the extended Upchurch Family.

Do you have a flyer on the Samford Genealogy Department you could send me? It seems to me such entities are rare. As Hazel has suggested, based on your input, I will write to Mrs Elizabeth Wells about the prospects of placing copies of the Upchurch Bulletin in

The Sanford Genealogical Library, I am anxious to have it in certain key libraries. Yours could be one. However, without doing any damage to your own institution, could you tell me which library in Alabama might be the best sponsor for the Upchurch Bulletin. We need more readers and more subscribers and having it in key libraries be useful.

So far I have identified and published on 27,000 members of the extended Upchurch Family. My lifetime goal is 50,000. I have 1/2-1 million biopiles on the family and related individuals filed alphabetically.

It would be a pleasure to hear from you and I would be grateful for any information or advice you care to offer.

Sincerely yours
 Phil Upchurch
