to write one or more additional family history books. Have they come to pass? They take a lot of effort and I must get to my Upchurch book - and sooner rather than later.

Thank you for your help and a very merry Christmas to you and yours.

Dear Lorene,

Your book & the index and your note arrived on 30 OCT 1997. I have just finished extracting all the families in the book where an Upchurch name is found (Pages 125, 234, 235, 249, 263 & 355) I had some of this information but not all. I was able to fit all the Upchurch names into the Upchurch family except for Robert Upchurch on page 125 and Kenneth Clayton Upchurch on page 355. Can you give me any hints as to the Upchurch ancestors of these two individuals or how they might be related to any other Upchurch family members?

I am very impressed with the huge amount of family information presented in your book and the excellent way in which it is organized. Only the family historian can

really appreciate each others work.

I have now recopied my Master Outline for Solomon Franklin Upchurch and a copy is provided herewith. You mentioned you had a lot of detail on his family. If you have anything not included in my Master Outline I would very much like to have a copy.

As regards the 24 names I sent (highlighted), I tried to use those names and your index to see if I could locate information on any of them in your book. I had no luck but feel I may have missed something and that your book may contain some details on at least some of those families. Also, as you indicate, you may have information on them not yet published. I will appreciate anything you can send on any of the 24.

If you think I have anything that would be useful to you just let me know. I'll gladly share.

P.S. - I have a good friend

of the 5 girls married and stayed in the area. of course the name "Upchurch" would most likely not appear again as her husband's name would be used.

The second wave would be children of John Upchurch, VII and his wife nee Happy Shaw who married in 1815 in Chatham Co, NC. I don't know if John Upchurch, VII himself ever got to western NC but we find Happy (Shaw) Upchurch and her children there in 1841.

Enclosed is a copy of my 18 page Master outline covering John U, VII, his children, grandchildren & great grandchildren, to the extent that they are known to me. Descendants (if any/ if known) of the great grandchildren are covered in continuation sections as shown on the left hand side of the page. If anyone has a special interest in any of these continuation sections I will be happy to provide copies of same.

On an enclosed sheet I have listed 24 family names which appear in your files (according to your book files and your letter) and also somewhere in the 18 page Master outline enclosed. I have

3-

highlighted these 24 names (some appear more than once) on the master outline. If it happens that you have details on any of these individuals and/or their descendants, I would welcome the details. If there are others who would like to correspond on some portion of these family matters, I would be pleased to hear from them or to write to them.

I realize that you and I are not related but it seems we both have a keen interest in family matters and that there are some family lines that are of mutual interest. Please let me know if there is any specific way in which I can be of help to you

Sincerely yours

Hoppers, Moxley, Toliver and Related Families
by Lorene Moxley Sturgill

Hunter Publishing Company

Hunter Publishing proudly announces the publication of Hoppers, Moxley, Toliver and Related Families by Lorene M. Sturgill of Piney Creek (Alleghany County), North Carolina.

The final result of Mrs. Sturgill's eleven years of research has far exceeded our expectations: over 500 pages of family connections illustrated with over 400 photographs make this our largest private family book to date. This beautiful volume is 8½ x 11, album style, hardbound in colonial blue with gold trim, and printed on the highest quality archival paper— it's perfect for your coffee table, as you'll want to keep it handy.

Mrs. Sturgill has recorded descendants of Daniel Hoppas, born 1757; William Moxley, 1767; Daniel Moxley, 1771; Nathaniel Moxley, 1790 and John Toliver, 1760. Each descendant is introduced by relationship, and other data (such as birthdate, marriage date, spouse, occupation, home, death and burial place) is supplied.

We are overwhelmed not only by the huge scope of Mrs. Sturgill's undertaking but also by her generosity in making available this volume. How fortunate are her relatives! Normally genealogists receive \$15 per hour just for researching your family tree. (Note that Mrs. Sturgill credits all of you who have served as references for her over the years.)

Families appearing in this book, partial list: Absher, Andrews, Atwood, Ayers, Anderson, Anders, Brackins, Baldwin, Barker, Barlow, Burchette, Blum, Bare, Brown, Brinegar, Brooks, Billings, Blevins, Choate, Carpenter, Crouse, Caudill, Cox, Church, Collins, Combs, Cleary, Cook, Douglas, Duncan, Davis, Delp, Edwards, Estep, Evans, Fender, Gentry, Gambill, Gillespie, Green, Galyean, Hoppers, Hill, Higgins, Hart, Ham, Holbrook, Hampton, Hines, Handy, Harris, Hudson, Hall, Hayhurst, Hayes, Hincer, Irwin, Joines, Jones, Jolly, Jennings, Jarvis, Kelly, King, Kirk, Killon, Lyon, Long, Landreth, Lovelace, LaRue, McMillan, Moxley, Moxley, Mabe, Myers, McGrady, Miles, Maines, Miller, Musgrove, Nichols, Newman, Nuckolls, Osborne, Owens, Pugh, Phipps, Petty, Poole, Parsons, Parliet, Proffit, Perry, Poe, Reeves, Richardson, Rector, Rash, Reynolds, Rose, Roupe, Reed, Roberts, Souther, Smith, Sturgill, Sanders, Sparks, Spicer, Shores, Sidden, Shaw, Truitt, Taylor, Todd, Thompson, Toliver, Tayson, Tucker, Triplett, Upchurch, Vaughn, VanHoy, Vannoy, Wagoner, Wyatt, Wilson, Woodel, Williams, Whitaker, Woodie, Ward, Woodruff, Weaver, Webb, Yarbrough, Yale, Zimmerman and Zackery.

We congratulate Lorene Moxley Sturgill on her tremendous achievement and her contribution to the genealogical records of North Carolina and the United States.

quite possible that this family may have crossed paths with lines of interest to you. I would be more than happy to exchange information whenever we can be of help to each other.

I understand the title of your book is "Hoppers, Maxley, Toliver and Related Families". If this book covers families that lived in NW NC it is quite possible your book may include Upland descendants beyond Sarah (Upland's) Osborne. This might not be immediately obvious if we are dealing with descendants of an Upland female. In such cases the "Upland" part of the name gets lost quickly. Is your book available for purchase and if so how much does it cost. I might be interested in purchasing a copy.

Here are some of the names of the families into which some of the Upland female ^{and male} of NW NC married into: BRENAGEN, ROBERTS, HECK, STAMPER, PUGH, BLEVINS, CHURCH, WYATT, RICHARDSON, ALLEN,

OSBORNE, JENKINS, IRWIN, TOLIVER, NORTON,
ANDREWS, PEARY, LYLLS, ROTEN, DARWELL,
NICHOLS, ROYAL, CORDALL, COX, GOLDING,
HAWKS, SPRINKLE, CLODFELLER, STEWARD,
BOLT, POE, LEWIS, COULTER, NORMAN,
EDWARDS, GALYEON, FAULKNER, BRYANT, HILL,
WILLIAMS, BECK, SENTER, KIRBY, BREWER
WELLBORN, SHORES - and more. Perhaps some
of these families will be known to you.

It would be a great pleasure to hear
from you and to learn if we can help
each other.

Sincerely yours
 Phil Upchurch

Dear Tim,

Enclosed is picture of Zadock and Catherine Hoppers Osborne. It isn't as good as the original picture, it cost \$2.00 to have copied. Thanks for all the information on Morgan Osborne family.

I found some information on Sarah UpChurch from Elizabeth Templeton records, the family gave to Alleghany Historical-Genealogical Society. Her mother was a Upchurch so she had done a lot of research on the UpChurch's and Roberts families. You were right Sarah 's mother was a Roberts. Enclosed is information on UpChurch and Roberts families.
