West, Mulchi wed in Wendell ceremony

Linda Sue Mulchi of Zebulon and Charles Levonne West II of Wendell were united in marriage Feb. 20 at Wendell Baptist Church. The double-ring ceremony was performed by Dr. Baxter Prevatte Jr.

The bride is the daughter of Vivian P. Mulchi of Zebulon and the late Charlie C. Mulchi. Parents of the bridegroom are Charles and Sandra West of Clinton.

Given in marriage by Victor B. Long, the bride wore a gown of white satin featuring an off-the-shoulder sweetheart neckline. The bodice was covered with re-embroidered alencon lace and featured a basque waist. The full, gathered skirt flowed into a semi-cathedral-length train accented with lace-beaded motifs. She carried a cascading bouquet of white Georgina orchids, bridal roses, stephanotis, ivy and lilacs.

She was attended by Sue O. Jeffreys as matron of honor and bridesmaids Levonda Rose, Amy Pearce, Amanda Jones, Sharon Thornton, Kay Beasley and April Thornton.

The attendants each wore an amethyst dress featuring a full-length, straight skirt with a lapelled waistline. A flower of pearls decorated each shoulder, and three strands of pearls accented the back of the dress.

Other attendants were Justin Rose, ring bearer, and Linda Gail Beasley, flower girl. Honorary ring bearer was Tyler Rose. Bell ringers were Joseph Jeffreys and Nataleigh Timberlake.

The bridegroom chose his father to be his best man. Ushers were Tim Rose, Brooks Long, Lynwood Thornton, Tim Wright, Chris Adams and Jamie Jeffreys.

The bridegroom wore a black tuxedo with a white satin vest and bow tie. The ushers each wore a black tuxedo with an amethyst cummerbund.

The church was decorated with an arch candelabrum, a tree candelabrum with palms, peace lilies and accent ferns on stands. A single candle surrounded by palms was lit in memory of the bride's father by her mother during the ceremony. A unity candle was

also used.

Wedding music was presented by Sophia Johnson, organist; and Connie Jeffreys, soloist.

Eva Liles directed the ceremony. The register was attended by Penny Robinson. Candlelighters were Dwain Jackson and Ken Spell.

The bride is a graduate of Southern Christian Academy and attended Mitchells Hairstyling Academy. She is a cosmetologist

DETAILS RE CO "I"

MULLHOLLAND, Sidney, Private

Enlisted in Wake County at age 22, 28 May 1861, for the war. Present or accounted for until captured at Rappahannock Station, Virginia, 7 November 1863. Confined at Point Lookout, Maryland, until paroled and transferred to Boulware's Wharf, James River, Virginia, where he was received 16 March 1865, for exchange. Admitted to hospital at Richmond, Virginia, after exchange.

The company, known as "Cedar Forks Rifles," was from Wake and Chatham Counties and enlisted in Wake County on 28 May 1861. It went into the camp of instruction near Company Shops (Burlington), Alamance County, 1 June 1861, and was assigned to this regiment [Sixth Regiment] as Company I. After joining the regiment, the company functioned as a part of the regiment, and its history for the war period is recorded as a part of the regimental history.

The information contained in the following roster of the company was compiled principally from company muster rolls for 20 June 1861, through February 1864, and 15 September through December 1864. No company muster rolls were found for the period prior to 20 June 1861; for March through 14 September 1864; or for the period after December 1864. In addition to the company muster rolls, Roll of Honor records, receipt rolls, hospital records, prisoner of war records, and other primary records, supplemented by state pension applications, United Daughters of the Confederacy records, and postwar rosters and histories, all provided useful information.

Subsequently, William Speight Snr deeds the land to his son, and this transaction mentions the above sale from John Rench. So, these select entries tell us something of the history of John Rench's land, though since he appeared to acquire his land via purchase, we know nothing more of his ancestry ^{box}.

Obituaries: North Carolina Civil War Soldiers and Veterans, Volume 11. By Barry Munson. Published by the author, 1501 Birch Place, Winterville, NC 28590-9551; www.geocities.com/ncobitbooks. 2009. Soft cover, 8.5" x 11", comb binding. 198 pages. Name index. \$25.00, plus \$3.00 shipping and handling.

In this publication, Mr. Munson has compiled obituaries, dating from 1883 to 1928, of North Carolina Civil War soldiers. He transcribed the majority of the obituaries from the *Alamance Gleaner* (Graham, North Carolina) and the *Raleigh News and Observer*. Many of the obituaries are accompanied by historical background concerning the deceased; some of the sketches also include drawings or photographs. Surnames represented in the transcriptions include, but are not limited to, Allred, Andrews, Bennett, Clark, Dixon, Faucett, Graham, Holt, Isley, London, Mills, Rich, Smith, Waddell, Webb, White, and Wood. It is important to note that the index does not include the names of all people mentioned in the obituaries—just the deceased veterans. A list of Mr. Munson's other publications is provided at the end of the book. This compilation is an interesting read, especially with the additional historical information accompanying many of the entries. This book will be most-useful for those with Civil War research interests and veteran ancestors who lived in what is now the Triangle area.

MURACE

○ The Apex Herald WED 3 AUG 1994 Apex, NC

Shawn Murace returns from Mediterranean

Navy Airman Apprentice Shawn Murace, son of JoAnn veillette of New Hill, recently returned from a six-month Mediterranean Sea deployment aboard the aircraft carrier USS Saratoga, homeported in Mayport, Fla.

Murace's ship, the Navy's oldest active duty carrier, and it's embarked air wing operated in support of U.N. and NATO operations in Bosnia-Herzegovina. Additionally, USS Saratoga participated in a host of operations and exercises with other U.S. services and allies in the Adriatic Sea.

During the deployment, Murace, visited Trieste and Naples, Italy and Palma de Mallorca and Valencia, Spain. In each port Saratoga sailors volunteered their off-duty time to help others, including spending a day with Bosnian refugees at a camp in Slovenia.

With a far greater emphasis on joint and combined operations, the Navy and Marine Corps provide unique capabilities of indispensable value in meeting future challenges, from the sea.

He joined the Navy in February 1993.

SHAWN P

MURACE

① Western Wake Herald WED 2 MAR 1994 Apex, NC

Shawn Murace departs to the Mediterranean

Navy Airman Apprentice Shawn P. Murace, son of JoAnn Veillette of New Hill recently departed for a six-month deployment aboard the aircraft carrier USS Saratoga, homeported in Mayport, Fla. to the Mediterranean.

The 7,500 Atlantic Fleet sailors who comprise elements of a joint task group which includes units of the aircraft carrier USS Saratoga Battle Group and the USS Inchon Amphibious Ready Group, relieved the USS America JTG. Joining the JTG, are 2,000 Marines from the 24th Marine Expeditionary Unit from North Carolina.

This is the last planned deployment for USS Saratoga. During the ship's 38-year career it has been involved in many history-making events including deployments to Vietnam, retaliatory strikes against Libya and service during Operation Desert Storm. Murace is one of more than 5,400 crewmembers aboard the carrier.

Today, American aircraft carriers are on station around the world. Carriers, and their aircraft and escort ships are uniquely capable of providing global presence and can respond to protracted contingencies, such as Iraq, Somalia and the Adriatic Sea, on a moment's notice. These forces can dominate the coastal battlespace, from the sea, and can project sustained, precise and awesome offensive power in America's interest around the globe.

 This email letter provided 9 images Kay captured on
 a visit to the Court Home Nassau Co FL. These images
 A-I are preserved with the letter in the profile of KLS.
 They concern activities of my Great Uncle Nathaniel Smith U
 and his family. To fully grasp all the actions I need better
 copies. Rough extracts appear below:

Re A. Photo of Kay & her daughter on a NY trip.

Re C. (# 334) - Description by Kay:

Picture #334 - "N.S. Upchurch, Commissioner, to Jeff. Murhee": Date: October 1875. The story: NSU had been appointed by the probate court to appraise and sell the land of Jacob Geiger, deceased. Here he is selling 120 acres to Jefferson Murhee for \$50 - what a deal! The story behind the story: Jacob Geiger is my great-great-great grandfather. It was his daughter, Martha Lucretia Geiger, that married B.C. Parker, brother to SAE Upchurch. And Jefferson Murhee was married to Sarah Geiger, another of Jacob's daughters. So I guess Jeff got the family deal.

Re B, H, I (339, 340, 341)-

Pictures #339, 340, 341: This document is for the sale of land by NS Upchurch to Jehu Boothe for a parcel of land along the rail line at Callahan Station. The document also has SAE Upchurch signing away her dower right. This was in June 1860, not long after their 1858 marriage. And guess who Jehu Boothe is? My great-great grandfather on the other side! And check out the witnesses - Jacob Geiger and his sons. All these folks seemed to run in the same circles.

SAEU = me SARAH ANNE ELIZABETH PARKER w/o NSU
 → D, E, F, G

Pictures #352, 353, 354, 355: These are the indexes to the deeds, both reverse and direct, for the Upchurch name. You can see that the Upchurch family was quite involved in property transactions from way back. Maybe NSU did plant the seed for the family wealth.

RAY MURLEY

Obituary in The News & Observer 4 JAN 2009 Raleigh, NC - TO RPA
 from Ann Poe in It's 23 FEB 2009

Dr. W. Ray Murley

BLACKSBURG, VA - Dr. W. Ray Murley, 90, of Blacksburg, passed away, January 1, 2009. Born May 8, 1918, in Vinson, OK, he was the 10th child of Walter R. and Rebecca Randall Murley.

Surviving are his wife, Jane Janey Murley and his three children, Jerry R. Murley of Christiansburg, VA, Rebecca and son-in-law, Bradley Marsh of Golden, CO, and Sue and son-in-law, Ron Kreisa, of Paint Bank, VA.

He was preceded in death by his first wife of 61 years, Ruby M. Murley. He was a member of the Blacksburg Baptist Church and active in the Fidelis Class for many years. After completing an Associate Degree from Cameron Junior College, Lawton, Oklahoma, he served as a naval hospital corpsman, assigned to the U.S. Marine Corp, during World War II, rising to the rank of Chief Petty Officer. He earned his B.S., M.S., and Ph.D. from Iowa State College (now University), in Dairy Husbandry/Nutrition. Upon graduation he accepted a position in teaching and research at North Carolina State University, where from 1951 to 1965 he was an advisor to 75 undergraduate students and directed five M.S. candidates. He coached 14 dairy-cattle judging teams, that often obtained top honors at regional and national contests. In 1965 he accepted a position at Virginia Tech as Professor and Project Leader of the Dairy Science Extension program. He revitalized this program by initiating a team approach that involved numerous extension professionals, faculty from applicable university departments, dairy organizations, and state and local dairy professionals. One of Dr. Murley's most significant contributions to dairy science was his pioneer work in dairy nutrition. He was a prime mover in Virginia's early adoption of more nutritionally appropriate and profitable dairy feeding programs.

In a time when the personal computer and even the handheld calculator were in their infancy, Dr. Murley spearheaded the development of computer programs that provided printouts to dairymen regarding the quantity of individual feedstuffs necessary for their herds to maximize milk production. This concept led to significant increases in milk production throughout the U.S. and is still in use today. During his tenure at Virginia Tech, Dr. Murley was a

welcomed visitor on the dairy farms in Virginia as a part of his Extension Service work. He worked with dairymen to improve their operations, breeding and milk production and gained great respect throughout the state as a result of his professional knowledge and technical help. But he was also welcomed because of his ready smile, charm and personal warmth. He distributed his knowledge in over 100 articles and abstracts in scientific journals and trade publications, as well as extension bulletins, circulars and leaflets. Dr. Murley served as consultant and symposium leader for missions to other countries, including Mexico, Canada, Venezuela, the Virgin Islands and South Korea. Upon retirement from Virginia Tech in 1980, he started his own consulting service and continued serving the dairy industry in Virginia, NC, Maryland, TN and West Virginia until 1994. Dr. Murley was the recipient of many awards and recognitions for his work with the dairy industry, including the DeLaval Dairy Extension Award from the American Dairy Science Association and the Award of Honor from the Southern Branch of A.D.S.A. The Virginia State Dairymen's Association established in his name the "Distinguished Dairyman Award in Virginia" in 1982. Given annually to an outstanding dairyman in the state, the award has now had more than 25 recipients. At the same time, an undergraduate scholarship to Virginia Tech was established in his name by his colleagues at Virginia Tech and state dairymen. Over 40 students have received the W Ray and Ruby Murley Scholarship to study dairy science at Virginia Tech. He received the Outstanding Dairy Extension Specialist Award from Virginia Tech and the Distinguished Service Award from the Virginia Feed Association. He was an Honorary Life Member of the Virginia State Dairymen's Association and a charter and life member of the National Dairy Shrine Club. He was recognized for distinguished service to the North Carolina Chapter of Farmhouse. He received the extension Award of Merit from Gamma Sigma Delta. In 2003 the Virginia Tech Dairy Club dedicated its annual publication, the Milky Way, to Dr. and Mrs. (Ruby) Murley. In 2004 he was the honored guest at a reunion held in Greensboro, NC by dairy judging team members he had coached between 1951-65 at North Carolina State University. A significant outcome of this event was the establishment by these team members

of the W. Ray Murley Dairy Judging Team Endowment to support program expenditures for current and future dairy judging team members, especially in regard to travel to regional and national events. In addition to the overall endowment funded by the team members, two team members, G.K. Davis and Maynard Self, and their wives, endowed two separate scholarships in their names and Dr. Murley's. Dr. Murley belonged to Gamma Sigma Delta where he served as President, Vice President, Secretary and Treasurer, Alpha Zeta (Secretary), Sigma Xi (Secretary), and Epsilon Sigma Phi. He was an active participant at the Blacksburg Senior Center where he served on the Advisory Board for many years, was instrumental in program development and the leader of several programs. In 2002, he received the Blacksburg Senior Center Volunteer of the Year Award. He was a member of the Christiansburg-Blacksburg Rotary Club for 33 years and was a multiple Paul Harris Fellow. He served as Vice President and President of the Blacksburg Chapter of AARP, was on the Board of Directors and served as President of the New Dimension, and was a member of the Torch Club serving as its treasurer for a number of years. Additionally, he was a director of the Warm Hearth Development Board for three years. While living at Warm Hearth, he served a term as President of the Founders Forest community group of residents. Ray will be remembered by many as a professor, mentor, coach, advisor, and role model. He was a wonderful father and husband, sharing his patience, wisdom and love. In his personal and social life, as in his professional life, Ray exhibited great charm and personal warmth always ready with a smile and the offer of a firm handshake. He made all whom he met feel like a friend. He made many lasting friendships among Virginia dairymen and they have since supported him throughout his illnesses of the past four years with cards, notes, and calls. He will be fondly remembered for the many good times with family and friends at the Claytor Lake Cottage, where he and Ruby frequently held gatherings for the Dairy Science faculty, students and friends. He was a positive influence on many people and the good that he has done was great. He will be greatly missed by colleagues, friends and family.

The family wishes to express its deepest gratitude to all staff members of Medi Home Health and Hospice who have faithfully attended to the needs of Ray and his wife Jane throughout the past year. We could not have asked for more devoted and compassionate support. We also want to thank the nursing assistants from Human Touch Home Health for their loving care of Ray, especially Wanda Pettus, Brenda Blankenship, Lisa Carrington and Rose Budd.

In lieu of flowers, donations may be made to the W. Ray and Ruby Murley Scholarship, c/o Virginia State Dairymen's Association, P.O. Box 29, Bridgewater, VA 22812, The W. Ray Murley Dairy Judging Team Endowment, W. Ray Murley Dairy Judging Team, N.C. Dairy Foundation, NCSU, Box 7645, Raleigh, NC 27695, or to the Blacksburg Baptist Church.

The family will receive visitors from 6:00-8:00 p.m. Sunday, January 4, 2008 at McCoy Funeral Home, 150 Country Club Dr, Blacksburg.

Service will be held Monday, January 5, 2008 at 2:00 p.m. at the Blacksburg Baptist Church, 550 N. Main Street, Blacksburg with interment to follow at Roselawn Cemetery.

Following the burial everyone is invited to return to the Blacksburg Baptist Church for refreshments and fellowship with the family.

Condolences may be sent to 904 Horseshoe Lane, Blacksburg, VA 24060.

ARCHIBALD DeBow MURPHEY

- ① Raleigh, NC - In 1811 Archibald DeBow Murphey chaired a committee to implement joint funding of schools by localities and the state. The legislature did not approve but in 1825 it did create a Literary fund but funding was inadequate until 1831 when \$1.1 million was fed into it from surplus federal money. In 1839 Raleigh passed matching funds by 311-45 and Wake Co passed by 848-656. (37, Pg 37)
