6. William Ray, Sr.

The following information on William Ray, Sr. is primarily summarized from a 1997 book entitled, "The Families of Henry Nail and Mary Keller, and Thomas Ray and Elizabeth Pearce." This thoroughly researched and documented book is a publication of the Nail-Ray Association of Shelbyville, Indiana.

William Ray, Senior, was a Wake County farmer during Colonial and Revolutionary times. William Ray, Sr. owned a 500 acre plantation on the south side of Moccasin Creek, about 17 miles northeast of Raleigh in what was Craven County before 1746, Johnston County between 1746 and 1770, and Wake County thereafter. Moccasin Creek has been a boundary dividing Wake and Franklin Counties since 1779. The land owned by William Ray, Sr. in Wake County is east of the property owned by Luke, Joseph, John and Nathan Ray. This William Ray, Sr. is not thought to be related to Nathan Ray, unless a connection can be proven in an earlier generation.

William Ray, Sr. is the parent of at least six children (William, Jr., Baker, Thomas, Hudson, Charles and Chesly? — birth order unknown). William Ray, Senior was too old to fight in the Revolutionary War, but three of his sons were just the right age. Late in 1779, William's son, Thomas, about 17, left home to join the Continental Army for the first of seven 3-month campaigns. Twenty-one months later, Thomas returned from the war. Two of William's other sons, Hudson and Charles, also served and died in the conflict for American independence. Hudson Ray was a soldier in the North Carolina Continental Line and died of wounds in the Battle of Eutaw Springs in September 1781. Charles Ray was a soldier in the North Carolina Militia and died of smallpox while a prisoner of the British, probably during 1781.

○ From Str 28 SEP 1999 June Carter Ed R. PM.

June expressed much interest in material I sent
to her which mentions NATHANIEL CARTER. She reports:

He first appears on the road orders of Brunswick County, Va in 1736. He is in minor court cases in the court order books with John Vinson as his security. He is in in the Parish Book of St Andrews, Va where he is paid for keeping his mother who is unnamed, 1745 to 1752. (It's possible that she was Frances, widow of Thomas Carter who died about 1748 or before). He receives two patents, one in 1746 and one in 1756. He and Elendor sell these two patent in 1761 to Willian Renn and they moves to North Carolina. He has land in Granville County which probably became Bute County. (Some notes I have I am including). On Ratcliff's tax list 2 in 1766 in Bute County is Nathaniel Carter and Abraham Carter.

Nathaniel and Nelly Carter buy 120 acres of land from John Nall in Cumberland Count in 1767 which they sell to Drury Smith in 1779 and move on to Chatham County. Samuel Northington, a relative of mine, is a witness to this deed. Nathaniel dies in Chatham County in 1782. He leaves a wife unnamed, a son Vinson and two daughters Molly and Lusey. I would like to think he is father to Abraham Carter of Cumberland County but I can't prove that.

I would be interested in the Medlin material. One of Mark Williams daughters, Arabella Caroline Williams married a W.Q. Rayl in 1865, who was probably from outside of Raleigh. She was back in the City in 1871 when she testified on Mark's claim for property seized in 1865.

MARY S. U Δ

Hi Phil! I have been trying (unsuccessfully) to get a definitive answer as to the father of a Mary "Polly" Upchurch who was born in 1825, in Wayne County, Kentucky, died in 1900 in Ava, Missouri, and married an Elias Privett. The most common names for father I have seen are Moses Upchurch (with Catherine Barker), Shadruck Upchurch, and Ruffin Upchurch. Have you ever found any clearer answers in your research?? Thank you!

Hi Kris---

Delighted you found my website www.upchurchstory.com password 2013upchurch#. There you will find 4,000+ pages of Upchurch information search-able including much on the George Upchurch family plus 35 videos. You appear to be new to my records. I assume you trace back to an Upchurch in the George Upchurch Clan. Note our work to enroll this family per our newer website www.alliedfamilies.com password 2014allied#. I hope you will join with us in this effort for which a 2016 membership form is attached. I would love to know how you fit into the family and perhaps you would send me a coupled of names that link you to earlier Upchurch generations

The family of Elias and Mary (Upchurch) Privette are well known to me. I have had many cooperators helping with the Douglas County, MO aspect over the years and visited the county in the last year or so. As to your question I have never found proof of parents of Mary. However, her descendants seem convinced she was a daughter of Moses U. and a GD/O George U., Head of Upchurch Clan 5. My records on Elias are more extensive than on Mary and run to 16 pages and 22 Items. Our hope is to transcribe and post his Biofile. We are seeking volunteer transcribers for our Biofile project..

I would enjoy learning more about your interest in your Upchurch heritage and about any interest you might have in collaborating on our Allied Families program.

Best~

Phil Upchurch

Hey Phil, thank you for your response!

I am really looking forward to delving into your database. :) I've been doing some family work on Ancestry and trying to go beyond what is available there – I find there are just too many problems with some of the information and members extrapolating about relationships that may or may not be accurate.

I am related to Elias by way of his son Samuel and his wife Delana Elizabeth Barnett – their daughter Mary Jane Barnett is my great grandmother.

My mother and I both did the DNA testing and were "connected" by Ancestry to the family groups of George Upchurch, Moses Upchurch, Lucinda Upchurch, and Rachel Bethshares. I am still unclear exactly how accurate this type of familial testing is but perhaps it may one day clear up some of the mysteries in the Upchurch family. :)

I will send along the membership form and may be able to help with some of the volunteer needs.

Thank you again!
Kris

Hi Kris---

Earlier you expressed some interest in our shared heritage. You are lucky to be a member of the George Upchurch Clan as that is one of the 22 Clans on which we have a great deal of information. Still, there is a huge amount more to do. Our program is fully laid out on our two websites www.upchurchstory.com and www.alliedfamilies.com. I invite you to have a look. It would be very helpful if you would join our Allied Families Association to help us keep our family history effort up and running. Membership form attached. We have the most complete collection of records of Upchurch and allied families ever assembled. I would be a shame to see it go dark. Would love to have your support. Let me know if you have any time/expertise to devote to our family history project.

Sending all Best Wishes~
Phil Upchurch

Source: *Family Puzzlers*, Number 1455, 1996

PAINTER - Mrs. Karen Patterson, Travelers Rest, SC 29690 found Nancy PAINTER heading a household in High Shoals District, Rutherford Co, NC 1820 - 1850. During this period she had 5 children, but at no time was a husband shown. The children were born 1814 - 1823.

"What circumstances during this time period would have a husband away from home? I assume there was a husband as I cannot locate any bastard(y) bonds.

On the other hand I cannot locate a marriage bond for a Nancy anybody. According to the census Nancy was born 1795, and her first child born when she was 19. What am I overlooking?"

John PAINTER was born Rutherford Co, NC, married 1871 Fannin Co, GA to Rose Ann Shope, and he died 1889 in Union Co, GA. Their children were: Louisa, Jane, Joseph, Mellie, Alice, Samuel, George, Carrie, and Sarah. John married 2nd Jane RATCLIFF and had two children Caty and Oliver. "Is there someone out there who can help me find any of these children?"

Karen,

I saw your query in *Family Puzzlers* lately. I have a Nancy Upchurch Painter in my family tree. Do the children here ring any bells with you? I have not looked for this family on the census. So do not know if Michael lived through the years that you listed Nancy without a husband. I may have some more help if this is good. My Upchurch family was in Rutherford Co, NC from 1790, when Nancy's parents were married in Rutherford Co.

3. With reference to page 2 of your letter and profile sheet "X" regarding the marriage of Nancy Upchurch to Michael Panter. Our information differs only slightly. My documented resource was Rutherford North Carolina Marriage bonds, which shows Nancy Upchurch m. on 4 September 1813 to Michael Panter. Bondsman for the marriage was John Freeman, Witness was O. Lewis, DC. [JAMES F. PANTER] ←

4. You list Nancy's date of birth as 1799 - the data sent to me by James Panter lists her as being born in 1795 in Rutherford Co., North Carolina. This birth date of 1795 agrees with Karen Patterson on your profile "Y" item C.

5. While the Panter name has been both spelled and pronounced in many various ways, by their descendants, the data James Panter provided me shows the exclusive usage of PANTER for Michael Panter, his father Johann George Panter, Sr. and his grandfather Johann Panter/Bender. Jim can undoubtedly further explain the change from "Bender" to Panter.

6. The children of Michael and Nancy (Upchurch) Panter are exactly as given to me by James F. Panter. This more or less checks out with Karen Patterson's information in your profile "Y", item C, in that Nancy had her first child about 1814 or 1815. So once again I'm afraid you will do better to go back to them as "the source" in order to work out any differences.

7. Let me just finish up commenting on profile sheet "Y" item C, while I'm at it: (a) I have had prior contact with Karen Patterson. (b) somebody was sure home at least part-time between 1814 and 1828 in order for Nancy to have the five children I previously listed. (c) What circumstances kept Michael away from home between the 1820 and 1830 census I do not know - but he supposedly died sometime between 1837 and 1840 which would account for his absence on the 1840 census and thereafter (d) Karen probably missed the Rutherford County NC marriage bond for males, showing the marriage of Michael Panter and Nancy Upchurch. I'll send Karen a letter with this same information.

Item A. - I do not show either a George PANTHER or an Mary (Polly Ann) NANNEY anywhere in my computerized files. No help here.

Item B. - First, this looks suspiciously like an LDS PAF Decendancy Chart, which need to be more fully documented before you can take anything for granted.

Second, about the only thing I find correct in Item B is Michaels b. day, their marriage date and place of marriage. My frank opinion is that somebody took liberties with the spelling of Michael PANTER's name, changing it to PAINTER to make it fit and then shoved the other PAINTER names under it as they seemed to work with the first child's 1814 birth date. Could be wrong but I find absolutely no PAINTERS in my files, no George or Elizabeth PANTERS, and no BRADLEY family names appended to any PANTERS. Likewise I show no Eva, Barbara, Sherod, or Nancy PANTERS of either the same or different birth dates as shown in item B. Unless you have absolutely positive documentation to the contrary, I would say this line is quite possibly in error. Especially so if it is an unproven LDS Decendancy Chart.

Third, the worst part of Item B is that if what you show therein is correct, then nothing either Jim Panter or I might add will make any difference as it automatically takes us out of the Michael Panter-Nancy Upchurch loop, in that we believe firmly we are descended from William M. PANTER whom I absolutely know to be married to Angeline Clementine GEE, my g g grandmother. A great aunt of mine, Josephine Panter, a sister of Jim Panter's father, personally vouched for the GEE family connection to the Panters before she passed away. So I'm sticking with what I have for children of Michael and Nancy until documented otherwise beyond a shadow of a doubt.

Item E. - Again I show no PAINTERS in my files, nor do I have a Rose Ann Shope or a Jane Ratcliff. No idea if items "C" and "E" belong to gether. No help here.

10. I noted on your 11x17" master chart that Nancy's father, Sherwood Upchurch, has a second wife named Mary "Polly" (Smith) PELL. It may be coincidence, but Michael PANTER's brother George PANTER Jr., married a Sarah PELL. I don't have any other data on her.

11. Last thought - I would love to add the Upchurch family history to my own but it is so extremely extensive that I hesitate to do so without firm documentation that your Nancy Upchurch 8312, daughter of Sherwood Upchurch, is without any doubt, my Nancy Upchurch b. 1795, Rutherford Co. NC, married to my Michael Panter b. 1781, Rutherford Co., NC in Rutherford County North Carolina on Sept 4 1813 with Bondsman John Freeman and witness O. Lewis DC, attending, according to the Rutherford NC Marriage Bonds.

JAMES BOBQUES NAVARRETTE

XFD-32898

○ From Lt 4 NOV 1993 Alize Lewis Navarrette DPM

According to my Aunt Cora (BAILEY), Great-Grandma Fannie took in a couple of Spanish/Mexican children named Bustamentos (spelling is not correct). The family was fluent in Spanish. Also, according to Aunt Cora, my Grandmother, Rena Luella BAILEY, was given to running off and staying lost for a spell, without telling anyone where she went or whom she was with. Apparently during one of these escapades, she met my Grandfather, James NAVARRETTE and they married. Where they married, is a mystery, and one I would like to uncover. Where they divorced is another mystery, but I suspect that they may have -- or Grandpa may have -- divorced in Tucson. My step-Grandmother, Luisa Valdez NAVARRETTE, says that James and Rena were never married. However, James and Rena had four children together: Cora June, George James, Benjamin Martin and Rose Mary.

The last, Rose Mary, died 9 days after her birth and is buried in Bowie, Arizona at the Desert Rest Cemetery. I do not know what the legal aspect of common law marriages was in Arizona in the 1920's, but I suspect that they were truly married. Grandpa was a Catholic, Grandma was not, so maybe they were married by a JP somewhere. I know that my father, George James, was born in Dos Cavasas (spelling is approximate). Perhaps they were married down there, or in one of the other nearby small mining towns. Then again, perhaps they were married by a circuit court judge and the record of that could be anywhere! Grandpa NAVARRETTE married Luisa Valdez in the Catholic Church after the desertion by Rena of the family. This is a long and involved story, but apparently Grandma was able to find love a second time, because she married a Julio MONTANO in Albuquerque and had 4 more children (3 boys and a girl). Interestingly enough, Julio looks remarkably like my own Grandfather!

So, there you have it. I believe that Aunt Cora said that William Booker died in San Jose, so he may be buried there - somewhere. Fannie Luella ROGERS BAILEY, Mary Jane YORK ROGERS and Ruben Capers ROGERS are all buried in Phoenix, Arizona. In summary, here are the items for which I am looking:

1. Death certificate or obituary of William Booker BAILEY
2. Marriage certificate of Rena Luella BAILEY and James NAVARRETTE

Not too much, but more than I can locate on my own.

Few early deed records survive for Wake County. When combined with the cessation of land grants from 1763-1778, we find a dearth of early Wake County land records. One interesting set of records that do survive (though not in their entirety) are Civil Action Papers (CAPs) Concerning Land. These are a subset of the CAPs series at the North Carolina State Archives in Raleigh. These are extant court papers where there was an issue concerning land. The originals can be found in C.R.099.325.93 (1773-1793). The surviving paperwork up to the year 1800 will eventually be abstracted and included in Wake Treasures.

You will note that the timing of many of these is in 1778. This would have been the first time that one could file for a land grant in about fifteen years. During those years, many moved to Wake County, made improvements on land, bought and sold land, and yet no land grants were issued. So, as soon as the land grant process was re-instituted by the State of NC, there were a lot of land grant entries made, and this caused a lot of caveats to also be filed.
