○ See Str 26 APR 2000 Amy Irene Hobbs to RPA for an article that appeared 27 DEC 1969 in MAYFIELD MESSENGER (Mayfield is in Grant Co, KY just east of Carlisle Co, KY where Arlington is located). Article entitled: Porter Family was Probably the First to Settle Arlington in 1831.

This article gives some of the history of the town of Arlington, KY which is in present day Carlisle Co, KY. Arlington was brought in to being in 1873 after Robert Buckner Neville sold 10 acres to the railroad. Laid out on the railroad in 1873 it was first called NEVILLE and then later ARLINGTON. It was incorporated as Arlington on 5 FEB 1876. The first settlers had begun to arrive about 1830 before Carlisle Co, KY was created. The area was part of the Richard Taylor military survey. Numerous families arrived throughout the 1800's and are mentioned in the article. Primary attention is given to 4 major families - all of whom had family graveyards named for them on their farms.
