I did those copies with my phone camera. I can scan the pages and send to you. Sorry for the inconvenience.

Oh my, I was in Winston Salem last weekend and I will be out of town next week also. We will have to get together but your research is so much more extensive than mine. I know I can give you info on some of my side of the family.

Thanks so much.

Hi Cousin Nancy--

Delighted to be in touch with you via email. The three items you sent are readable on the screen but less so when I print them. Even so the hints I got were enough to allow me to place you in the family. If you can send me better copies that will be great but if not my associate Jay Buck, our webmaster, will be back next Tuesday and can help me get good copies.

You belong to the Harrison T. Upchurch Line in the Richard Upchurch, III/Britton Upchurch SubClan. I have your father in my records as John Grady New, Jr (XID-44437) but no wife or children. So your inputs will add more for me.

I descend from Nathan Upchurch, I a brother of your Richard. So our DNA match must trace back to their father Richard Upchurch, II, Head of one of the four branches of the Upchurch Family in America. I have devoted a huge huge amount of time to document the Richard Upchurch, II Branch only a small part of which has been published. Richard Upchurch, III lived all of his life in Dunn Township in Franklin County, NC and I have made many trips there.. He died in 1817. I hired a person to document the land he held at his death. A map has been published. The settlement of the estate fully defined his group of seven sons and one daughter. I have huge amounts of data on most of them. Several children used their inheritance to go elsewhere. Britton went to GA. I have had few contacts for him so You are an important connection and I hope we can collaborate

We have two websites. One is [www.upchurchstory.com](http://www.upchurchstory.com) password 2013upchurch#. There we have posted over 4,000 pages of information on Upchurch and allied families. Note the 35 videos and especially Nos 27 and 28 on Richard Upchurch, II our common ancestor. The other is [www.alliedfamilies.com](http://www.alliedfamilies.com) password 2014allied#. Note especially the enrolled family of Richard Upchurch, III to which you belong. Our work is to be carried into the future by Allied Families Association and I would like to count on you for support. We have two offices one in Chesterfield, MO where I live and one in Cary, NC. I will be in Cary Thursday, Friday, and Saturday of next week. Why not come up and see our operation. It would be great to meet you.

This is just an opening exchange and I hope we can do more together.

According to what I have found, my ancestors are Ianthe and Briton (Britain) Upchurch. All lived in/near Gwinnett County, Ga.

I haven't gotten any farther at this point. Hopefully I can do more research and find documentation (not just assuming) soon.

I rarely see my first cousins and hardly know them at all. Really sad.

Hopefully we can share/complete some info.

phil@upchurchstory.com I THINK I just sent you photos of three pages from "History of Gwinnett County Georgia 1818-1993" by Marvin Nash Worthy. I found this book at a used book sale - lucky find. My parents are listed on page 215. John Grady (JG) New and Saidee New (Her name is misspelled.) My mother is 94 and doing great. I am the Nancy listed with Nancy, Johnny, Penny, Pam. I have tried to contact the author without success. This gives you how I fit into the Upchurch line. If you do not get photos or cannot read them let me know. I can try again.

Nancy Fausta New Groff (please list my mother and me as 'living')
