Phil,

I sadly report that we lost "Ollie" Yates, Jr. last week. He graduated Apex High with my daddy Aaron Earl Smith, Sr. He was a gentle giant who stood about 6-7. He loved sports and played softball into his 70s. Ollie and his siblings never missed a day of school from 1st to 12th grade so the legend goes. This Yates family is faithful to the end in every commitment they make which is quite a tribute to their parents.

If anyone would like to add "Sr." to the Olive Wendell Yates in Gen 6 on the William Yates Descendants, this is his son "Ollie" Jr.

Thanks,
Staley

My heartfelt Prayers and Sympathy go out to All of Ollie's Family & Friends. I had the honor and privilege of knowing Ollie from the many Softball Fields that cover the Carolina's and beyond! In Sports as in Life you learn a lot about a person in regards to them being a true competitor and more importantly a mans character. Ollie's character was beyond approach. He was a Man's /Man and most Important the nicest man you'd ever could have the true honor and privilege of knowing!

Heard it on good authority The Lord needed a Big Gentle Man in the Lineup this Week for a Tournament that will never end in his wife and Family's Heats and Memories!

Sincerely.

Will

long time and was in the same class with Judy. Judy has been so faithful to our family in times of loss and grief and I want to extend my thoughts and prayers to your family at this time. Also, Joy has been so kind in her ministry with the Fire Bells and has also been present for our family. I know this is a hard time for the family, but I hope that the many wonderful memories you have will help you heal.
