Dear Phil,

Once again, thank you for sharing your research. You certainly have helped build my Hickman family genealogy. I haven't checked out the publications yet, they will keep me busy in the next few evenings.

I hope the additional names did on my 1945 Census Abstract didn't consume too much of your time. The abstract contains other surnames I am researching. Please accept my apology for any inconvenience I caused you.

I will send any new data on to you as it is uncovered, though it will be a few weeks before I can spend time going thru the Miami Census again. The Holidays are coming down upon me fast.

Thanks again, and if you want the Hickman ancestry, let me know.

Sincerely

Brian

names of females), dates of birth, marriage & death, and place of birth, marriage, death and burial. In addition I like to have any further information, good or bad, that describes a particular individual.

In my earlier letter I mentioned an error in some records about the ancestry of Abel Upchurch, Sr. Enclosed is a copy of my 11" x 17" crude chart on the first 6 generations of the Upchurch family in America. This shows that Richard U, II had 11 children including Nathan U, I and Abel U, Sr. Nathan U, I had a son Gilbert U who was my great grandfather. Earlier it was incorrectly shown that William U, IV had a son ABEL U but this is not true. He had a son ASEEL U. Asel U (or even if you spell it ABEL) was listed in the estate papers of his father but has not been found since. On the other hand, we have a great deal of information that ties Abel U, Sr of Greene Co, AL back to his 10 siblings in the border of Wake & Franklin Counties in NC. If anyone wants to go into more detail on this

-3-

I will be glad to do so.

The first 3 issues of the 1996 Upchurch Bulletin are being sent to you under separate cover along with the first issue of Englandia. The 4th 1996 issue of the UB & the 2nd issue of Englandia will be mailed in a week or so. Thanks for the order.

It is very kind of you to provide family details given that you are not an Upchurch descendant. Like you, I too provide details to correspondents on related lines. Those of us interested in family history seem to enjoy helping one another.

With All Best Wishes,

☺
Sincerely yours
Phil Upchurch

[ROBERT PHILIP UPCHURCH]

Enclosed are details on the Upchurch Bulletin which I have published since 1980. In it I have identified and published on over 40,000 members of the extended Upchurch family. In 1995 I also started a new publication "Englandia - The Upchurch Family of Old England".

If you think there in any way we could help each other, I would be pleased to hear from you.

☺ Sincerely yours
Phil Upchurch

Dear Phil,

Thank you for taking the time and trouble to prepare your mailing and send it on to me. I'm glad to have connected with Upchurch researchers. Especially such well organized researchers.

I have inclosed the sum of my research into the descendants of Alison Upchurch. You will also find some extracts from the 1945 Florida State Census. The film is not indexed so I have to page through very carefully and hope I don't miss anything. Dade County (Miami) has about 6 rolls of film. I'm on the third.

I also plan to check out other local records. But your assessment is correct. I am concentrating on descendants of Alison and Martha. If you have additional descendant data, I would be grateful to see it.

I will gladly share my Hickman data with any of Martha's family. The line traces back several generations and eventually connects to Charlemagne.

I have inclosed a \$15 payment for the Upchurch Bulletin. I enjoyed reading through it. Let me know of any expense incurred on my behalf. I will be happy to reimburse you.

Thanks again for thinking of me!

Sincerely

Brian
