19 MAY 1997

Dear Mr. Upchurch,

Got your info from Rocky Strickland off the Internet. Hope you don't mind me writing to you. I too am researching BUNN's, JEANS', TANT's, UPCHURCH and a variety of other names. My family lines are only in Franklin, Nash, Wake and Warren counties. We are trying to establish when and where they came into the states.

Please take a look at what I have included, hope we can help each other. I also enclosed a self addressed envelope for your reply.

Sincerely,

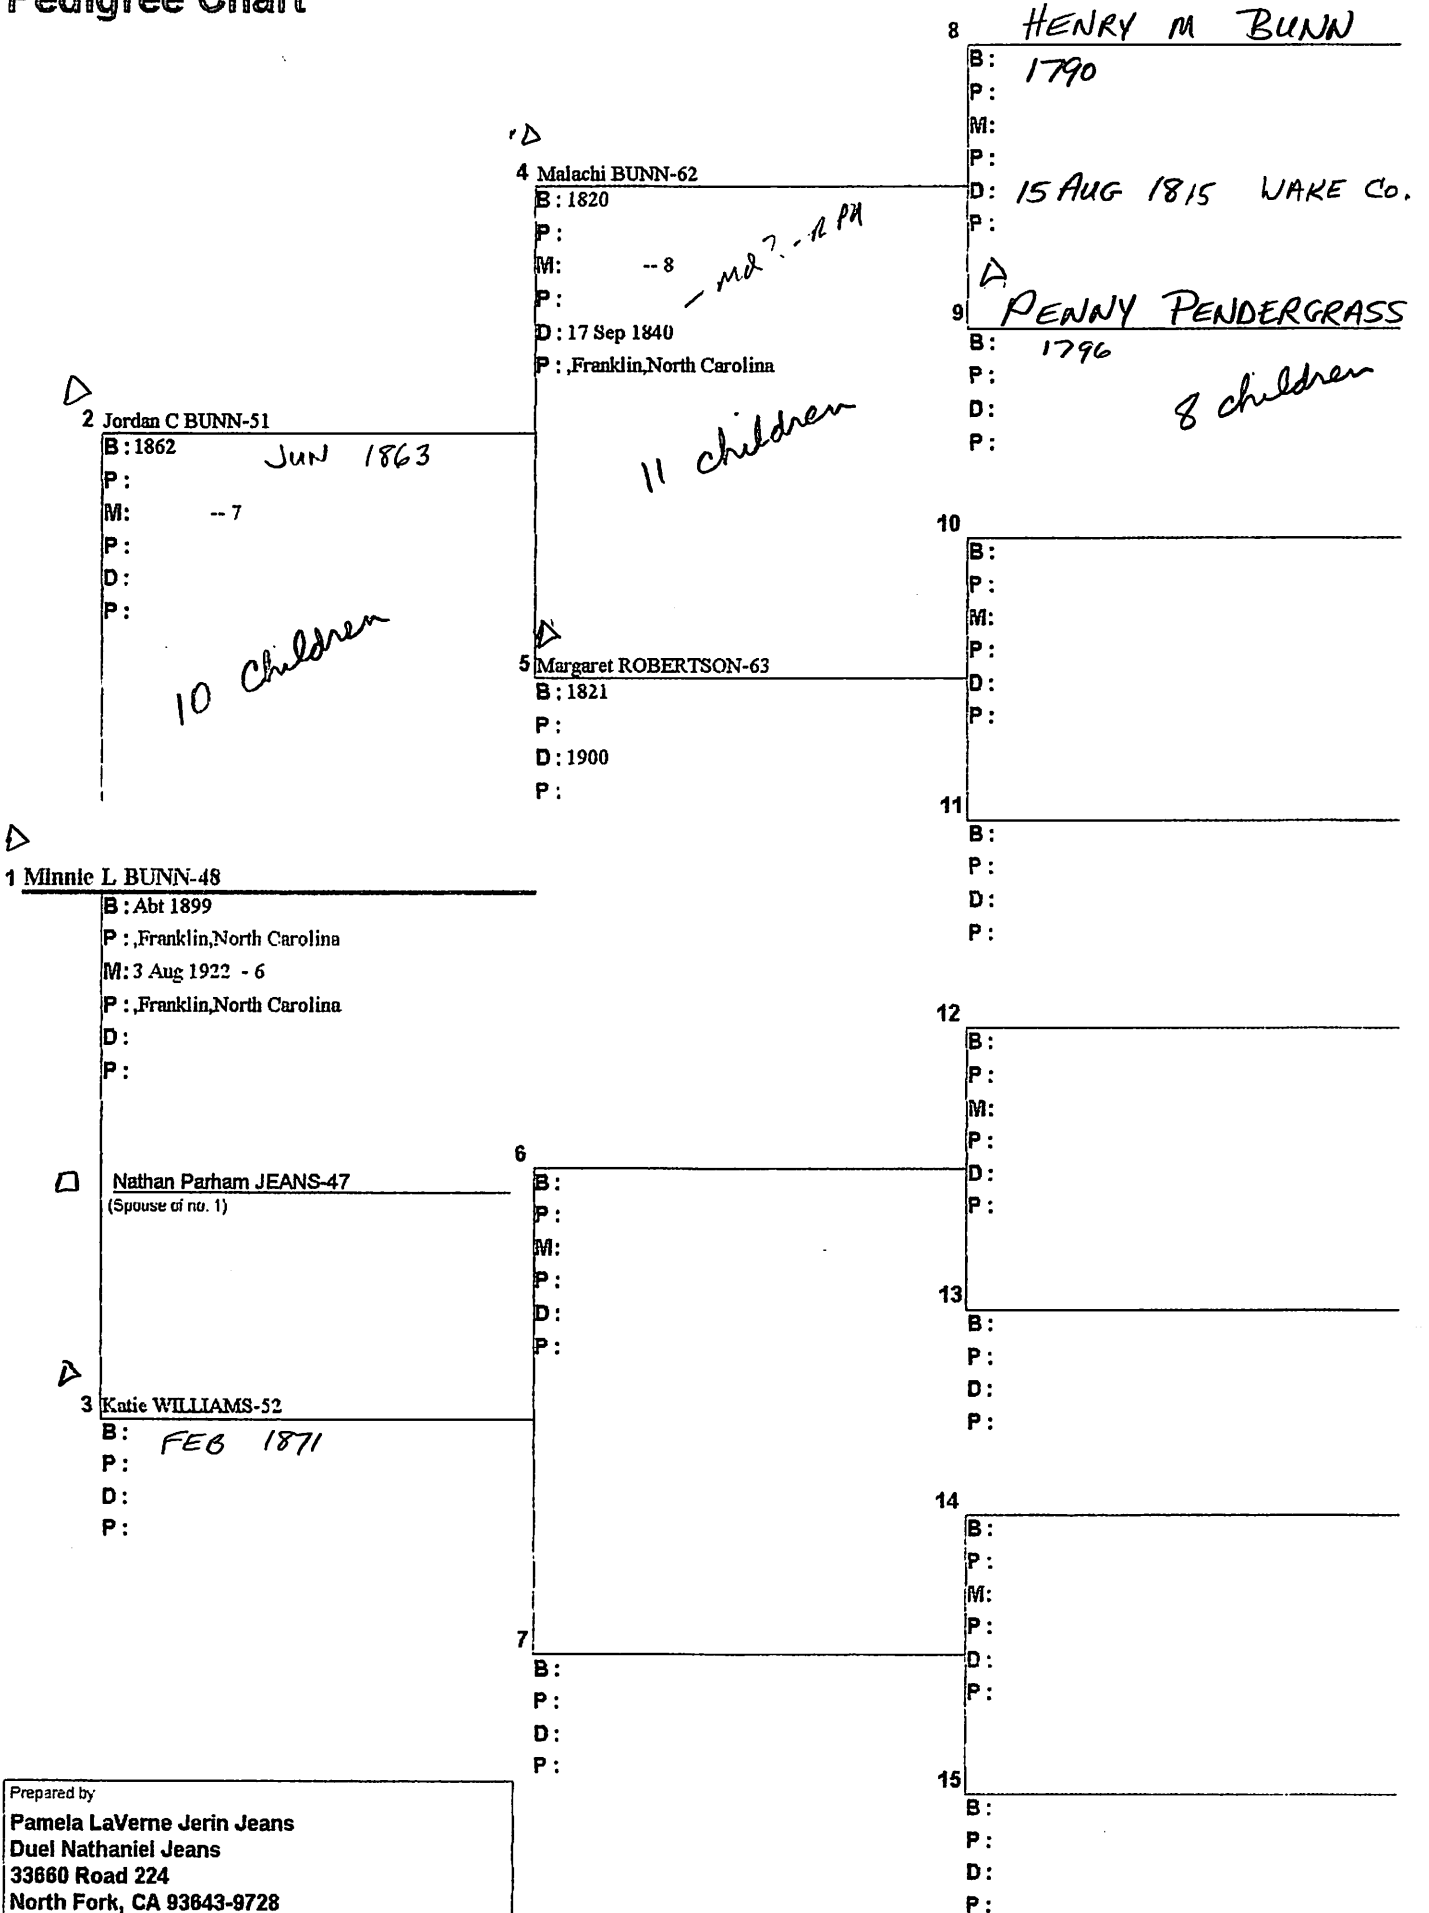

Pam Jeans

Dear Pamela,

Thank you for your letter of 23 MAY 1997 and for all the details. A profile sheet has been made on each person included. In the process of filing these I have come across relationships that should be of mutual interest. Let me first set the stage.

My ancestor Michael U, I landed in VA in 1638 and over the next several generations the family drifted south. His GGS Richard U, II (XID-152) reached the Monocin Creek Area of southern Franklin Co, NC in 1755. There he raised the 11 children who are highlighted on the enclosed 11" x 17" chart. Among these Nathan U, I (XID-78) is my GGGF. For the most part these 11 remained in the area and started producing children in the 1780-1820 era. However, some branches of them moved away - some to other states - others only a few miles or a few dozen miles away.

About 1802 my ancestor Nathan U, I and his brother Moses U moved their families to the western edge of Wake Co, NC. It is possible one or two of their children stayed in the Mossasin Creek Area (which is near Zebulon - on the Wake / Franklin Border) but I doubt it. Brother Abel U, Sr moved his family to Greene Co, AL about 1830. Charles U moved his family to GA about 1820. Some of the sons of Richard U, III moved away but some stayed. At present it seems most of our mutual interest comes from a son of Richard U, III namely Burkely U - and more particularly from Ambrose Amos U, a son of Burkely U.

Let me treat first Minnie L. Gunn who was Duell's Great Uncle Nathan Parham's daughter. Minnie was the daughter of Jordan C. Gunn (see his profile enclosed). Jordan lived next to Ambrose Amos U and one time the two of them established the Upham-Benn Cemetery on old Highway 64 in Franklin Co, NC just west of Pilot and just east of Zebulon. Two siblings of Jordan C. Gunn

married into the Upchurch family. They were Rosa Bunn & Joseph David Bunn. Additionally, a son of Joseph David Bunn, William Miley Bunn, also had an Upchurch. I suspect there are other descendants of Malachi Bunn b. 1820 who intermarried with Upchurches or Upchurch descendants. Earlier Bunn generations also intermarried with the Upchurch family in the Mountain Creek Area.

I have continued for many years to locate Upchurch lands in the Mountain Creek Area. So far my greatest success has been in publishing on the several hundred acres which Richard H, III owned when he died intestate in Franklin Co, NC. This land is just a couple of miles north of the Upchurch-Bunn Cemetery.

Duel had a Great Aunt Agnes Jean who married Kearney Phillips. I carry this individual as WILLIFORD KEARNEY PHILLIPS, II (XII-2908), copy of profile enclosed. [You have to be careful about the given names WILLIFORD & KEARNEY as they were often used by several families in the

Zelulon Area - and they were used over & over again in the same family - often with spelling variations - some intended and some not). I carry Wulford Kearney as a member of the Upchurch family because he is a stepson of Agnes Ann (W.) (Denton) Phillips, dau of Ambrose Amos W.

Perhaps the above will do for a quick pass at uncovering some possible mutual interests. Given that our lines of interest go way back in a small rural area I am sure we will uncover more mutual interests. Please let me know if you have questions or need more detail on some part.

You asked if I would comment on any place the data you sent could be improved. Here are a few things that caught my eye:

- You refer to DUNN in Franklin Co, NC. I am sure you mean DUNN's Township as there is no town of DUNN in the county. There is a town of DUNN in Harnett County, NC.

- In several places you use JEAN without an S - I presume it should be JEAN'S in all cases

• Thomas Tant is reported to have died and to have been buried in Gettysburg, VA. I assume this should be PA.

• In your 16 MAY 1991 letter Malachi Gunn was reported as died in Franklin Co, NC on 17 SEP 1840. I suspect this was his marriage place & date.

Have you or Duell visited the Zeludon Area recently?

I will include any thoughts as to how we might help each other.

Sincerely yours
Phil Upchurch

P.S. - In reviewing my "notes" for this letter I uncovered another "linkage" of interest.

See enclosed profile

for CINDERELLA TANT who m'd 6 AUG 1822 (Franklin Co, NC)

Benjamin H. Note that a witness was JANCY (JANCET)

TANT, presumably Duell's GGGF. Now - what is the

relationship between Jancy/Jancet & Cinderella - I

would guess brother & sister - but have no evidence - Phil U

Dear Mr. Upchurch,

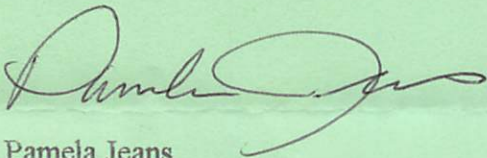

I am researching my husband's family. All of most of them are out of Franklin, Nash and Wake counties, North Carolina.

As you can see from the attached white copy, Jan Lee gave me your name and ask that I send you her regards. The yellow copies are the Upchurch family members we have and that I am interested in. As you can see I have alot of holes.

Feel free to use my copies to make any additions or corrections.

I don't know if you can help me, but I do appreciate your efforts. I have enclosed a self-addressed stamped envelope. I am willing to pay for any charges that may be incurred.

Sincerely,

Pamela Jeans

Last I heard, cousin Phillip was fine. He's been doing research on the Upchurch family for better than 20 years now and like I said, has the largest Upchurch database that I know of. He also puts out a couple of Upchurch magazines, one dealing with information here in the states, the other on Upchurch research in England prior to 1641 when it's estimated that the 'original' Upchurch in America came over and landed at Lawns Creek Parrish in Surry Co, VA. His name was Michael and he took part in what is the very first documented tax rebellion in America, even if it didn't make most of the history books. Phillip is always looking to be in touch with folks from any of the Upchurch lines, so I'm sure he'd love to hear from you. You can reach him by snail-mail: Robert P. Upchurch, 6 Eagles Way Lane, Lake St. Louis, MO 63367. Tell him I said hello, I'm still in ND on a different farm and I will be in touch with him soon! Thanks, Jan

Do I understand correctly that your ancestors did not reside in central NC but that those of your husband did? Can you show me how Abel Nathaniel jeans is linked to Nathan Parham jeans?

Over time I will have more to share with you about the Uphurch family that lived on the Wake/Franklin border. They had very close relationships to the Tants, Gunn's and jeans's. My wife was born in Franklin Co, NC but raised in Wake Co, NC. Her ancestors include Batchelors.

Details on the Uphurch publications are enclosed along with a copy of my "freedom document".

I look forward to hearing from you and to cooperating with you.

Dear Phil,

Thank you so much for all the lovely information and all that we will do together. I will try to answer all your questions as completely as possible. Hopefully the enclosed Pedigree Chart and Family Group Sheets will answer alot of your questions.

I was born and raised in Pennsylvania. All my lines are northern. It is my husband's side that is southern. Nathan Parham JEANS was a son of Guilford JEANS. Guilford is my husband's great-grandfather. I believe that Nathan would then be his great-great uncle.

I don't want to delay getting this out to you, so I will close for now. I will look over all the info you have sent and try to decide what more I need on the UPCHURCH's. If I can answer anything more please let me know. If there is something that I have that is incorrect, I would appreciate knowing that too.
