Dear Cousin Juilane,

Thank you very much for your letter which arrived on 25 OCT 1995 and for the enclosures. They are excellent. I have spent several hours extracting the documents and now have all the details properly recorded in profiles and on the master outline.

I have divided the Uphurds Family into 22 Clans each headed by a 5th Generation Uphurd. You belong to the George Uphurd Clan and to the George U/Moser U subclan and to the Shadrack Thomas U line in that subclan.

Provided herewith is a copy of the master outline for Shadrack Thomas U, his children and grandchildren (of which your GM Joyce Ethel U was one). Details on the descendants of the grandchildren (if known) are covered in continuation sections as indicated on the left hand side of the master outline. Continuation Section 19 is enclosed.

Provided herewith is a list of questions on what is missing for the family of Joyce Ethel (U) Andrews.

I realize that obtaining answers to all or even part of these questions may be beyond your interest or time availability. Still, I would welcome any further input you may have or any suggestions you may have as to how I can get more details. I am always ready to interact with individuals who have an interest in our family history and I have much to share.

Details on the Upchurch Bulletin are enclosed along with a copy of our "freedom" document.

I knew Olive Morgan and had lunch in her home in July 1975. Her book appeared soon after. She was a great help to me and very cooperative. Unfortunately, she passed away on 17 AUG 1985.

I had just published a tribute to Olive in the JULY 1985 issue of the Upchurch Bulletin. She was a great lady and I have been proud to carry on her work.

Please let me know if you have any questions about our shared family heritage.

I notice that your daughter is at UNC. I was born and raised in that general part of NC. My son took a degree at Duke. My daughter took a degree at Dury.

With All Best Wishes.

Sincerely yours  
Phil Upchurch
