Dear Mr. Petty:

I am in my twelfth year of publishing the UPCHURCH BULLETIN on which details are enclosed. Some 27,000 members of this extended family have been identified and published. Mostly I do not need to hire genealogical work done as a number of individuals in the family generate information as fast as I can process it. However, there are a few projects on which I need to hire assistance. One of these is in extracting census records for all Upchurches in a given county in a particular state for a given decade. I have many of these census records but not all. The states involved are primarily NC, GA, AL, TN, TX, MS, FL, LA, AR and OK.

Could you quote me an hourly price at which you could extract the needed records. If it would make the cost to me more economical, I could agree that you could take up to three months to perform any requested task. Frankly, our operation is a low budget arrangement and the amount I am likely to spend in a given year is from less than \$100.00 up to several hundred dollars. There might be some benefit to you in that I do receive requests from time to time for the name of a professional genealogist who could pursue some facet of family history.

I would welcome your response to this inquiry.

Sincerely yours,
