Dear Mark,

I am sure that you are aware of the fact that your mother and I have long corresponded about our mutual interest in the extended Uphrunch Family. You and she are descended from Moses Uphrunch while I am descended from his brother Nathaniel Uphrunch. I both were Revolutionary War soldiers.

Your mother has been extremely helpful in showing representations and she and I will continue to correspond. Since she indicates you have an interest in family history I would like to have this note from me along with the enclosed details. I would appreciate it if you would mention to others who might be interested the existence of our Uphrunch Family history effort. For the long term I hope you and I can maintain periodic contact.

If you have questions, please let us know.

Sincerely yours,
Phil Uphrunch
