

Sarah Upchurch (Upsheew or Upshear) XID 2060

- The following notes from 28, page 20 indicate that Sarah Upchurch was the daughter of John Upchurch (XID – 150), granddaughter of Richard U (XID – 149), and great-granddaughter of Michael U (XID 146), the original Upchurch immigrant.
 “John U (XID – 150), the son of Richard U, probably was John Upshear living in New Kent County, VA during the early seventeen hundreds. New Kent lies just north of Surry County, across the James River. The following entries in the Registry of St. Peter’s Parish Church, in that county, are strong indications that such was a fact:
 Sarah, daughter of Jno. Upshear, bapt ye 15 Oct 1707. See `50 or reference for related details (28, p. 20).

Note: It appears that Upchurch is spelled Upshear. The Baptisms of Elizabeth, Sarah and Tryphena all appear on this page.
