I am a professional genealogist near Seattle, Washington, and for the last three years I have been doing research for a client with deep roots in North Carolina. I do not know if she will be willing to be counted among the Upchurch descendants, as she is a very private person. But I can tell you that she is descended from Richmond Patrick Thompson (1856 – 1918), the son of George Washington Thompson and Martha Ann “Patsy” Upchurch. Martha Upchurch was evidently the daughter of Howell Upchurch, and was born about 1817 in Montgomery County, North Carolina.
