Hello Phil,

This is Tim Dillard that you meet at the N.C., state Archives a few years back. I have seen where we are matching up on your tree. It is with Nathaniel Warren and his wife Cary Pollard. My 3rd Great Grandparents are William Allison King and Melissa Hawkins Warren. Their son Wiley Rufus King is my 2nd Great Grandfather.

I have all of their children's names if you want them.

Good morning Tim,

I think I have previously mentioned a contact, Phil Upchurch, to whom I am likely related in a couple different family lines. He is a professional genealogist with a huge archive and is exploring his Warren family roots in Western Wake County. Knowing you both and your research interests, I believe you will enjoy communicating. Maybe I'll see you again at the Archives soon. Hope you are avoiding the humidity!

Take care,  
Jeff

Hi Tim---

Jeff Brown, a cousin, informs me that you are a descendant of Al King of Wake county, NC. This is of great interest to me as our family lore teaches that my GGGM nee Sarah Warren had a sister who married AL King. Some pieces the puzzle fit and some do not. If you and I could cooperate we might be able to help each other. If you can follow the thread of my recent exchanges with Jeff you can pick up some of my inputs. Otherwise, I can detail them to you.

My main interest has been in my Upchurch heritage and for this I refer you to my websites [www.upchurchstory.com](http://www.upchurchstory.com) and [www.alliedfamilies.com](http://www.alliedfamilies.com). However, all 16 of my GGP were for various parts of Wake County. You cannot swing a cat in Wake County without hitting a cousin of mine.

Would Love to hear from you.

Hello Phil:

Yes. Jeff told me about you and your research on the Warren family. I am trying to find out just who Malassie Hawkins Warren King's parents were. I did some research on your Sarah Warren and as yet haven't found a clue Sarah and Malassie were sisters at all. I have trying to piece together the Warren family from that area of Wake County, NC.

William Allison King and Malassie Hawkins Warren are my 3rd Great Grandparents. I descend from their youngest child, Wiley "Gus" Rufus King and his Wife, Betty Pearl Smith King. Gus and Pearl were still living when I was born. I was about 5 years old when Gus died. I wish they were living when I started my research.

I would very much like to cooperate with you I this research. My family also has been in Wake County for a couple of centuries.

the answer. I was excited when Jeff told me you had some info on the Warrens and that one of your ancestors was the sister of Malassie. However, I have no proof of that. I did track down your Warren ancestor but could not tie Malassie into them.

When it gets a little closer to the time that you are going to be here in Raleigh, please let me know. That way I can make sure I am free to meet with you. I am free on the weekends, on the weekdays during the day is when I have to plan to be off...

Hi Tim---

Glad our plans to meet are unfolding. If you will send me a mailing address I will mail you a small packet on the Warren-King issue that is of mutual interest. This could facilitate a near term exchange but in any event would be useful when we meet. I'll keep you posted on my travel plans. It would be useful if I had a phone number for you. My land line is (636) 898-8516 and my cell is (314) 313-4734.

Dear Tim,

Enclosed are three documents that should facilitate our cooperative work.

The 6-Page master outline showing the family of Nathaniel Warren, 1795-1845 and Cary Pellard. Of the 6 children I trace back to one, Sarah Warren "MUI" and you may trace back to one of the other daughters which I have highlighted in yellow.

"MUI" was my GGM and my mother grew up in her presence and loved her. I have published a picture of her.

Also enclosed is my 16-Page 19 stem book on Sarah (Warren) Edwards "Muh". Note that her sisters are highlighted in pink. Also note the references marked in orange wherein my family members clearly passed along their understanding that one of

mother's sisters named Al King. I feel there is a grain of truth here which needs to be investigated. These relatives of mine lived in the Unstead Park area so it is well established that the King-Warren-Edwards families lived near each other.

Also enclosed is my 2-Page 2-Item Bulet on Melissa Hannah Warren the wife of William Allison King, Sr. We have our work cut out for us to establish whether or not she is one of the daughters of Nathaniel Warren, Sr. (and if not then who are her parents).

Melissa Hannah Warren was born in 1833 which is a close match for mother's sister Margaret born 1833 or Concord born 1835.

I will appreciate your acknowledgment, receipt of this packet and will be grateful for any advance offered now or down the road.

Looking forward to a chat.

Phil Yelchuk, Cousin?

✓ 4:00 - 5:30 Conferred with Timothy C. Dillard at NC State Archives. Determined that of the two records I have he is Timothy C. Dillard b. 5 FEB 1961 but not Timothy Clinton Dillard b. 26 JAN 1960

DILLARD

He works nearby for the state and has spent many hours in the Archives since he studied family history several years ago not knowing anything about his heritage. He is related to many families in N & W Wake. Strangely he was born a BEALE but changed his name to Dillard (1985?). He seems lonely and wants to interact with others here may be a good fit for our Kildare Facility. He has tented to pursue many ancestral lines. I explained AT in some detail & left a membership form with him - also the list of 200 families as enrollment potentials.

We discussed in detail the prospect that a sister of my GGGGM Warren and Al King. There is no help on this yet. He seems lonely
