Hi Randel---

Your cousin Melva Upchurch Henninger and I have been long time collaborators on our shared Upchurch heritage. In a recent letter she gave me your contact information and suggested you might have an interest in our shared Upchurch heritage as well. If you wish to confirm this I will be happy to introduce you to our program of activity and to our two websites where we are treating the George Upchurch Family in some detail.

It would be a pleasure to hear from you.

Phil Upchurch, Manager, Allied Families Association.

Hello Phil, Thanks for your letter

I can write but cannot read  
what I'm writing.

Trouble with both eyes, blood  
vessels around the optic nerve.  
Surgery again March 5th.

Enclosed check for my  
yearly membership. Not sure of whom?

Another relative who might be  
interested in Lepchurch records  
is.
