612 JAMES BERRY PRIVETT

My grandfather, James Berry Privett of Franklin County, was born in 1851 and died in 1931. His siblings were: Albert, Nancy, Willis, William, Calvin, Adeline, Ellen, and Francis. His parents were William Privett and Auma Upchurch. It is very unfortunate, but the only William that earlier researchers could find was a William from Iredell County. This mishap happened because these researchers never

James Berry Privett, Perdida Phillips Privett, Annie Francis Privett Tompkins (youngest daughter)

uncovered that Zachariah Privett of Wake County had three children besides the five ones listed in his will: William, John and James. I now believe that there is enough evidence to support that it was William, son of Zachariah, that married Auma Upchurch. It was also John, son of Zachariah, who married Susan Upchurch. It was James, Son of Zachariah, who first married Charlotte Chamblee and then Annie P. Mathews Brinkley. I never saw my grandfather, but I was lucky to have seen my grandmother, Perdida Phillips Privett.

She got info from Tony Pearce of FC, NC. She wants to know more about Elizabeth Thane () & Phillips. She says James Berry Privett s/o Auma U had five illegitimate children in addition to the 14 I have listed. She will supply.

After all the years of research, Harry never considered the possibility the line James Berry, William, John, Zachariah, Israel. Your research has been confined to Wake County. He covered Iredell and Wake County.

I have most of Harry's papers and I have the works of Privetts by William H. Private. I have spent time this morning going through their works and no where are the names William and Delina Jeffreys or Linsey or a Lindsay. I am sure these names are tied to a William but not our William.

John died in August 1839 and was buried beside his first wife, Lavinia. In his estate papers he allotted to his second wife Abigail Prevett and family one year's allowance. I have most questions than answers. You might be right, but I think some information is missing. Ann

My research has not been confined to Wake Co. I have also done Franklin Co. as well. I have not done Iredell as I knew who that Harris (wife Alley) was that was there. I know Harry Privette has done a great deal of research, but I know for a fact he has misinformation on Nehemiah Privett (who married into my Bolton family). We all make mistakes no matter how hard we try. I think the important thing is that we need to identify exactly where Zachariah's land was; I suspect it was in both Wake and Franklin Counties.

What is the proof that John's first wife was Lavinia? I think people are mixing up this John and Zachariah.

Carla, don't you think the line Israel, Zachariah, William, James Berry is possible? It makes sense to me. Harry did a lot of research but I don't think he knew that Zachariah had sons John and William. He was glued to William and didn't pay that much attention to Israel.

I not only think it's possible, I think it's 99% sure.

So you are now thinking that James Berry (your proven ancestor) was not a child of the Harris who married Milly but was William and Auma's son and grandson of Zachariah? I agree if that's what you are saying.

I sent Phil Upchurch an E-mail. I am now thinking that brothers John and William married Upchurch sisters (which I want Phil to verify). We know that Auma was the daughter of Burkley Upchurch and Aalsey Pace. (Burkley was the son of Richard Upchurch III and unknown mother.) Aalsey was the daughter of John D. Pace and Sarah "Sally" Strickland. (I can back further, but I won't.)

I don't have Susan Upchurch in my database, but I'll bet Phil does. I will let you know what he sends.

Well, it has been a few years, but I have looked back into my files and here is what I have.

We moved back to Tennessee in 2003. Prior to moving back, I copied what Tony Pearce had posted online. Tony at one time spent a lot of time researching, but for whatever reason, he took his work off line. Sure was glad I had copied it.

Dear Cousin Ann -

Before leaving for Washington at 9:00AM I am trying to work on details you recently provided.

Re your email of 14 MAY 2013 4:26 pm -

1. My records imply that Francis Phillips had a daughter Delia/Dolly Phillips and that her son John Phillips had a daughter Delia/Dolly Phillips. There seems to be little proof for either. Both seemed to have died young (as infants?) or otherwise are not found on the record. More research is needed - but other issues are probably more important.

2. ~~The John W. Phillips b 1834 s/o John & Thaneey is near to my records. I will add him.~~

~~Identically~~ CORRECTION - A CLOSER LOOK TELLS ME OTHER RESEARCHERS CONCLUDE JOHN W. PHILLIPS b 1834 IS THE SAME AS JOHN BARHAM PHILLIPS "JACK" b 1829 OR 1834

3. For John Phillips who and Thaneey U. I want his middle name/initial or "W" and also an "Francis" - Need to sort them out

4. Otherwise our records pretty much agree.

your email of 14 MAY 2013 2:29 pm & me included copies of 6 exchanges between you and Carla. Much of the detail seems to deal with the paternal ancestor of James Perry Punnett going back to William, & Zadranah & Israel. If this is still a concern to you let me know and I will check my records to see if they reveal anything about this line. Also in one of the exchanges Carla suggests that William Punnett who was born 1804 may have had a brother who was a sister of Anna. I have checked the sisters of Anna and found no evidence of this brother marrying sister.

Enclosed is a copy of my 5-Page master outline covering the family of Elizabeth Thorne (Wylshurst) Phipps which includes her children and grand children - all relatives of yours. I will appreciate any corrections, additions or questions.

Also enclosed is the single sheet master outline (CS27A) for the family of Anne Frances (Punnett) Tarpley. Any updates will be indicated.

Now it is clear you and I both have deep interests in family history with some mutual interests. Let's see how we can help each other much of my stuff but not all is on my web site.

Warmly,

Phil Wylshurst
