Phil, my great grandmother's name was Amanda "Molly" Upchurch who married William Trail in Wayne County Kentucky. They came to Douglas County Missouri along with Amanda's parent's Shadrack and Louisa Jane Craig Upchurch. Her sibling's along with an assortment of relative's came. Amanda died in childbirth nine day's after her daughter Mary Theodosia was born in 1882. Her other children were Martha Jane, John Henderson and my grandfather Winfield Scott Hancock Trail who married Malissa "Lissie" Hatfield in 1910.

Hi Patty---

(4)

7 DEC

2009

Thanks for your email of 8NOV2009 which is very helpful. I have been off on some "must do" projects but am now back to your interests. Sorry about the delay. I now have a good idea as to how you fit into the Upchurch Family except that I cannot figure out which of the four sons of Winfield Scott Hancock Trail is your father. Perhaps you could let me know which would confirm that I am on the right track.

At this stage of cooperation I usually suggest that new cooperators send me \$40 for which I will go through the 100+- issues of the Upchurch Bulletin and pick out 8 issues that I think might be of special interest to you. This usually works out well to move cooperation along. You can let me know if this interests you.

I have collected a rather large amount of information on the Upchurch Enclave at Douglas County, MO. In a way it is fortunate that they left Wayne County, KY as it makes it easier to sort out individuals with similar names. Although we have a lot there is always more to collect, organize and share.

Looking forward to hearing from you.
