Dear Cousin Ruth,

Thank you very much for the clipping on the Upchurch family in your area. Enclosed is a copy of the extract sheet I have made and placed in my Biofile system for each individual involved. It is quite a coincidence that I discovered a part of this family last month. I just happened to be looking for an address for someone in the U of A Directory and realized that an extra Upchurch had appeared. At that time I concluded that CHRIS was a male - but from the article you sent it is clear she is the wife. I still cannot link this family to the main Upchurch family.

(2)

We trust that finds you well and enjoying Arizona. We were in Phoenix and Tucson 23-30 JAN 2000 and had hoped to train out after a very cold 2-3 months in MO. We had a couple of nice days and then the storm came. We had hoped to drive up to Flagstaff to see our oldest Granddaughter who is enrolled in NAU as a freshman - but the weather was too bad.

The Updunch Family history project is making excellent progress - there is always room for more thanks to cooperators like you. Included are details on the UF for 2001 in case they did not reach you.

Please do keep sending me Updunch stuff. It's great fun to see how it all fits together.

Sincerely yours

Dear Cousin Ruth,

The UB Vol 20 No 2 we mailed to you recently has been returned by the Post Office. Enclosed is a copy of what was written on the envelope. The address does not match anything we have in our files - exactly. We were unsure about the ZIP 77399/77397? written on the envelope so called our Post Office for help. They said the ZIP for Livingston is 77351 - so now we are more confused. Could you send us your current address so we can remail the UB?

We continue to progress on the Abel U, so can do research you belong. Let me know when & how we need to interest.

Hope all is well!

Sincerely yours
Phil Upchurch

Dear Cousin Ruth,

Thanks for the renewal on the UB for 1996 and for the order for UB 1994 & 1995. The back issues were put in the mail to you yesterday. Hope you enjoy them. It's good to have you back in the fold. You have been extremely helpful in the past in documenting our shared family history. Perhaps you can continue to help update the records as you get between your travels. We have made wonderful progress on the Thomas Gay U, Jr line to which you belong and I hope we can keep up that progress

Your mothers family is in excellent shape (master outline copy enclosed). The only specific missing items I see are;

- what is the full maiden name of ALISON WEISS and when and where was she born?
- Did you have just four grandchildren?

As you look over the Master outline perhaps you will recall some births, marriages, deaths, divorces or other special events that may not have come to my attention. Any input will be appreciated.

Recently I had a very nice visit with Cousin Marie Melby. This was in her daughters home in St Louis. We go to the same church as her daughters family.

We were planning a family history trip to Texas in the fall of 1995 but have rescheduled that for MAR/APR 1996. I hope to give two or more Upchurch Lectures on the trip, one will be in TOMBALL, TX. This is not too far from you. I'll keep you informed and hope that our paths can cross while we are in Texas

All the best for a Merry Christmas and a Blessed New Year.

Sincerely Yours
Phil Upchurch
{ROBERT PHILLIP UPCHURCH}

P.S. – Please let me know if you have any idea on how we can cooperate

Dear Cousin Ruth,

Thank you for the obituary for Claude Elmer Upchurch. He seems like a fine person. These clippings add greatly to our information about the family and are really appreciated.

I trust that finds you and John well and that by now you have had lots of experience traveling around the country. Gaillaine and I want to travel more but our list of things we want to do keeps getting longer & longer. In any case I enjoy farming and family history.

Our family will all be together in our home this Christmas - equal parts of joy & pandemonium. Merry Christmas & Happy New Year!

Sincerely yours
Phil Upchurch

Dear cousin Ruth,

Thanks for your renewal on the 1995 UB and for your note and Christmas letter. I especially enjoyed reading your Christmas letter because we have been going through the same moving experience. I am amazed at how many things you have to do when you move. However, as every day goes by we are more and more settled in our new home.

I can appreciate that your genealogy work has been put on hold. In my own case there was about six months when I could do very little on family history. Please don't forget it altogether.

All the Best for the New Year!

Sincerely yours
Phil Upchurch

HAPPY HOLIDAYS

Just after one year and having made the decision to go full time; We've done it. Believe it or not the house is empty and on the market. We, along with all of the mess are now in our new home a 33.11' Fifth Wheel in Livingston, TX. Just how long we will be here depends upon the weather [which we can always predict] and when we can optain our new truck.

Seems the biggest problem now is getting the truck. Dodge says they make it, but no one seems to be able to get it. John will put in our order soon and all we can do is sit back and hope for a quick delivery.

It really did take a year ⊖ to move out of the house ⌂. Of course, we didn't work full time at it, but when we did decide to go full steam ahead I couldn't believe all the misilaneous problems. First, I couldn't believe how much "Great Stuff" we had. We had 4 "Garage Sales" [which we did great with] and gave away lots. Next we had to have the repairs to the house made, now that alone is an accomplishment - no two providers even talk the same lanuage - and you can't believe how hard it is to just get someone to come and talk to you. I never hear so many excusses. I guess people either don't want to work, or don't need the money. Oh yes, ask someone to "wash windows" $ hope you own the bank $. Then, of course we had to list the house ⌂. Now that wasn't too bad although we must have filled out tons and tons of papers and it only took 3 hours. Seems "BIG DADDY" has stepped into the Real Estate business as well. Realtors also want to be sure you know what you are doing and what they are going to do for you in full detail. But it is now on the market and we hope it sells soon.

Like Now, don't forget your insurance - I'm really now sure just what all is going on, but seems ~~link~~ for 30 days our rates go, down but after that they go UP $ UP $ UP $.

Next you spend days filling out all those "NEW ADDRESS" forms that the post office kindly gives you. Just trying to remember who needs to be told is trying on the brain, that is if you havn't lost yours by now. Now don't forget to go see you doctors for the "LAST" time and try to get some records to take with you while on the road. Great idea, except I ended up having to have a tooth pulled.

But that is all behind us now. We are enjoying our new home and the area. The people up here are great and we look forward to staying while we look for the truck. We are living at a park called Woodsy Hollow on HWY 2665 off U.S. 59. Our new address is:

Dear Cousin Ruth -

Thanks for your letter of 4 AUG 92 re the LA Uplumber. I have returned to it several times and have just now finished processing same. This AM I called our cousin Jewell Charles H, Jr "J.C." of De Quincy, LA to discuss some aspects - more of that later.

We are making excellent progress but still have more to do on the LA U's

Re 1860 census - one family. The T. G. H is indeed Thomas Gay H, Jr of the Charles H/ Thomas Gay H Sr Subdans.

Re 1870 census - Two families. R. H = Robert Gay H - son of above mentioned T. G. H. All OK The other family I have not been able to identify - Headed by C. H age 22 b GA. - nor does this family appear later in LA. Need more debate.

Re 1880 census - Two families Harbert H in Lincoln Parish is of the Charles H/ Eaton H Subdans. R. G. H in Jackson Parish is the same as Robert Gay H on 1870 census.

1900 Census - Four families

#1 Robert U Family = Robert Guy U Family - same as on 1870 + 1880

#2 Thomas R. U Family = Thomas REGRENT (ROBERT?)
Guy is son of above mentioned Robert Guy U.

#3 Charles U b JUL 1862 Family = Charles B. U.
I have a query on this one but need more details. The jewell U is jewell Charles U, Sr - the father of "J.C." whom I called this AM. I have searched all my records for a Charles B. U b JUL 1862 and cannot find same. However, I have a speculation as follows: I. Abel U, Sr - Head of Clan.
A. James Eaton U, → XID-7230
1. Charles B. U b 1835 [See Bio file on him enclosed]. I am speculating that this Charles B. U b 1835 is the father of the above Charles B. U b 1862. Note that the former was reported to be in Sumter Co, AL in 1860. I do not have the Sumpter Co, AL census or other records.

#4 Cornelia U b JUL 1839 - in home of son-in-law James B. Carson (who md S. A. U on 16 JAN 1877) I am speculating that this Cornelia U is the widow of Charles B. U b 1835 and that she is the mother of Charles B. U b 1862. "J.C." says the relations are close in LA.

1910 Census - Thirteen Families

#1 G.D.U Family - cannot identify this one

#2 J.H.U Family - " " " "

#3 John B.U Family " " " "

#4 John R.U - Family. Part of the Charles U/ Thomas Gay U, Sr Subclass.

#5. Wright U Family [Wright Elliott U]. This is part of the Nathan U/ Burtis U Subclass. This Wright U is my 3rd cousin. He was born in Wake Co, NC and went to New Orleans, LA to seek his fortune. He was killed in a construction accident about 1932. I met his daughter-in-law in Hawaii several years ago & also have other connections with this branch.

#6 C.C.U Family - This is the Charles Lamp U, Sr Family of the Charles U/ Eaton U Subclass.

#7 Cornelia U Family (widow) & #8 Charles U Family — Same as #3 & #4 on 1900 census - in some respects this 1910 data looks like a repeat of the 1900 data - could you recheck your records and make sure the two families are valid for both 1900 & 1910?

#9 Thomas R.U = Thomas Relient U Family - of the Charles U/ Thomas Gay U, Sr Subclass.

#10 - Cora U Family - Cannot identify this one

#11. Claude U Family - Cannot identify this one - since it is in Lincoln Parish one speculates that Claude U is a descendant (son?)

of Harber H whom we find on the 1880 census in Lincoln County. Where is the Harber H Family in 1900??

#12 Elyja J. H - cannot identify this one

#13 Esbert H - cannot identify this one.

with a little more effort we may get all the HA records to fall into place. I am writing to "J. C." and will inquire if he is willing to go over to where Cornelia H was living in 1900 & 1910 to see what he can learn. If you are able to get more details on any of these items they will be most appreciated.

Hope you enjoyed your visit to Salt Lake City.

Sincerely yours

Robert Upchurch

Dear Cousin Ruth,

Thanks for your card of 5 JAN 1991. It is exciting to know that we are going to be working together on the Upchurches of Louisiana. The key thing to start with in my records would be the census records. I am enclosing the two single sheets in my file on LA census - showing 0 UC's in 1850 and two families in 1880. You will note that both of the 1880 families have been assigned to a suburban and XJD's have been assigned. I think the next step is to obtain census records for 1860, 1870, 1890 & beyond if possible. Can you do that? Of course any other records (marriages, wills, deeds, cemetery records, deaths, etc that fall into your hands could be helpful. I'll be glad to try to fit what you find into family structure (outlines). We have all sorts of options as data begins to surface. I'll look forward to you & I authoring an article on LA UC's for the UC in due course.

Sincerely yours,
Phil Upchurch

Dear Cousin Ruth,

Thanks for your renewal on the U's for 1991 and for your questions about LA and TX. I have not made a concerted study on the U's in either state. I have done some in GA & AL. The GA material appeared in UG Vol 10 No 4. The AL stuff is essentially finished and ready to publish.

For LA & TX I have complete census abstracts for 1850 and for TX I have also 1910 - as regards all U's. As I learn the connections of the U's I enter them Dan/Subclan & XID's on the census record. We are coming along nicely in LA & TX but the TX groups are much larger. I would like to make more progress on both and would be glad to work with you on them. Some more census extracts would help a good deal. Would you like to start on LA? I'll be glad to send a map of where I am.

Happy Holidays!

Sincerely yours,
Robert Upchurch

Dear Cousin Phil,

Reading your Bulletin made me really sad I couldn't make the trip to Atlanta. It must have been great. Also would have loved meeting all the Upchurch's.

If you start thinking of Houston, Let me Know - I'd love helping.

Here's my 20.00 for the tape - can hardly wait to see it.

Dear Cousin Ruth,

Thanks for your note of 28 MAR 1990 and for the check for the video tape. It is now being sent to you. Enclosed are copies of some of the visuals used in the lecture. Hope you enjoy the tape.

Thanks for your offer to help on an Upchurch festival in Houston. I'll put it on the list for consideration. It could be a winner!

On the family of Fannie Ruth U. we seem to have a perfect outline except for:

1 where in 1893 was Clay Carlton Irvine Unruh born?

2 what is the full maiden name of Alison West and when & where was she born?

For the rest of the family of James Simeon U we are more sketchy. Any idea on how we can make progress? Can I send you the outline?

Dear Cousin Ruth,

Thanks for the order for UC 85 & 86 and for the renewal on UC for 1990. The 85 & 86 went out on 20 NOV 89 and should be to you by now.

Sorry you cannot make the upcoming lecture. If you find you can come at the last minute please do so. I hope your various problems are beginning to clear up now.

I am not sure about typing the lecture, we might be able to do it. There are a few number of things that have to be done - such as getting my slides ready. If I could type it the audience might allow me to improve the next one. We'll see.

All the Best!

Dear Cousin Ruth,

Thanks for your letter which arrived on 15 JUN 89 and for all of the details on the family. They have now been properly recorded.

On your check for $15.00 I can report that you were up to date on your payments. I can accept the $15 as a donation to the Unruh Research Fund, a donation as a memorial to someone of your choice, payment for the 1990 UB, send you a back volume of UB or return the $15. Let me know your choice.

Normally we issue the UB in the third month of the quarter (MAR, JUN, SEP, DEC). They bear dates of JAN, APR, JUL, OCT. For the June issue this year we got it out the last of June rather than the first week of June because of our trip to Europe. Then the Post Office took their time in delivering bulk mail. Trust you have yours by now.

In my letter of 25 DEC 1988 to you I provided an attachment listing what was missing on James Simeon [illegible] & his family. Do you still have this list? If so can you provide or get

any of the missing details? If this list has disappeared (as things tend to do over Christmas) I'd be glad to send another copy if you so desire. If you have any suggestions as to how we can proceed to the next round of improvement for the Charles U / Thomas Gay U, Sr Subdue they will be appreciated. We really have made great progress on the family of Thomas Gay U, Jr. For so long I had very little on he and his family

The family of Fannie Ruth (Upchurch) Hinnant is now in excellent shape. The only thing missing is the full maiden name of ALTSON WETSS. You wrote me that the middle name for her was "NA". Does this mean "not available"? Is there any chance that we can get it. It is not a big deal but then it would be nice to have a perfect set of records. Of course, you will let me know if there are any changes in the family of Fannie Ruth (U) Hinnant.

It is always good to hear from you Let me know if I need to send you something.

Sincerely Yours

Dear Cousin Ruth.

Many thanks for your letter of 28 OCT 1988. I have just finished extracting all the details and appreciate them very much. The picture of Thomas Guy U, Jr & wife looks great. I am looking into the prospects of publishing it. Do you want the original back? If so, I'll be glad to return it.

I will be glad to learn more about Sam U the brother of your G.F. He is new to me. When you send details on him I will check my census records to see if more details are available on him there.

As time goes by I hope you will be able to supply more details on families of the brothers and sisters of Fannie Ruth U. There is still much to be learned. In the meantime let me list what is still missing for the Fannie Ruth U Family — which is already in excellent shape.

Dii) For Fannie Ruth U

△ a) When in 1897 was Guy Carlton Irving Unruh born?
— Nov 5, ~~1898~~ 1897 (he was Born in Bradford, PA

Dear Cousin Ruth,

Three cheers for you! Your 13 DEC 1988 letter and all the attachments were just great! I had heard about the Bible and thought it or some details from it on the Thomas Guy II, Jr Family would surface. What you have supplied adds significantly to our base of information for the Thomas Guy II, Jr family - but what an improvement. I would still like to see a xerox copy of the page in the Bible or an exact transcript. Perhaps you will come by it.

The original on the Thomas Guy II, Jr portrait is returned herewith. Thanks for letting me use it. It is too bad it did not reproduce better in the U B but the idea is there.

I have a variety of things from Alice Guy II and Martha Guy II but what you sent was new information although I have most of the substance. In any case I have found good places in the various Bibles for this

material. And you need any of it back? If so please let me know.

We are close to having a perfect set of details on the family of Fannie Ruth U. Here is what is missing:

A. when in 1893 was Guy Carlton Irvine Unruh born?

B. what is the full maiden name of ALTSON WEISS and when and where was she born?

C. when in 1956 were you married?

Missing details on James Simeon U and his children are summarized on three sheets which are enclosed. Perhaps you have or can get some of these details. Perhaps you can contact some of your first cousins. Of course there are missing details on some of the gr & ggr of James Simeon U & we can get into that in due course. Additionally, your letter provided details on the siblings of James Simeon U and we can get into that too. In the meantime anything you can find irrespective of which generation is involved will be welcomed.

I take it that Thomas Guy U, Jr lived out his adult and later years in the area of Vernon, LA and is buried there. Have you ever been back to that setting? Do you have any cousins still in that area. (My Boss's wife is from MINDEN, LA). Do you know anything more about the stay of Thomas Guy U, Jr in Maryland after the Civil War or about his service in that war?

I don't know why Martha Jane (U) Todd wrote that the Thomas Gay U, Jr that interested Abigail (Gay) U was not the son of Thomas Gay U, Sr. I think maybe the name of Robert Gay U b 1847 (son of Thomas Gay U, Jr) may have entered the picture. Perhaps they used the name GAY to represent all three of these people and that led to confusion. Martha was usually on target. I am sorry I never got to meet her. She is one of the most outstanding Upchurch females and I want to dedicate an issue of the U to her - but need a picture and more detail.

Our house is now full of all of the smells of a Christmas dinner being cooked. Our son Barry is here from St Louis. Our Tucson daughter & her husband & 3 kids returned home last night from a trip to NC to show off the kids. They will be joining us for dinner and Christmas Tree festivities - presents, etc. My wife is giving the kids a checker board which stays with us so I can play checkers with the kids. Being an obedient husband I will do so. It is a joyful Christmas for us and I hope that you and yours will have all the best now and in the New Year!

Sincerely yours
Phil Upchurch ROB & PHILLIP UPCHURCH

Dear Cousin Phil;

Guess my Xmas came early this year. My luck, and luck only, we found some of Aunt Alice's papers (Alice Gray Upchurch). I am enclosing a copy for you to look over. I have not gone over them with my records yet, but thought you might like to have what I found. I'm still going to her daughter's house after the first of the year and see what else we can find. I also understand one of my cousins has some of the information that might be good.

The picture turned out pretty good. (I would like to have my original back). I'm very interested in the Virginia Greene of Opelika, AL. Some of the information from Aunt Alice might be helpful. What do you think?

I'm also giving up the update you needed:

1.a) At present I am not sure of the date of Guy C. Unruh's birth. I am in the process of locating it.

2.a) Not sure of Alison's middle name (will have to write her)

b) Mark Montgomery was born in Logansport, ID.

3.a) I have drawn a blank on just when I was married. Did find my divorce papers that said I was divorced 17 APR 1972. Also that I was married in 1955 - but no date - I'll get that soon and send it.

b) You're right, John Carlton was born in 1961.

c) Clifton Lee Dickey was born 4 NOV 1957.

d) Ruth Ann did not DIE - She was divorced in March, 1983 (not sure of the date). Since our last correspondance she has had a child. Felicia Ryan Wade (Father is Richard C. Wade) born 21 NOV 1988, Houston, TX Harris Co. - to date they have not married again.

e) Randi Renee Wade.

Have a good holiday season!

Sincerely,

Ruth

Dear Cousin Ruth.

Many thanks for your letter of 2 OCTOBER. I have just finished exhausting all the details and appreciate them very much. The picture of Thomas Gay U. I was hoping was great. I am looking into the prospects of publishing it. Do you want the original back? If so, I'll be glad to return it.

I will be glad to have more about Sam if the brother of your GF is new to me. When you send details on him I will check mine and may even need to see if more details are available on him there.

As time goes by I hope you will be able to acquire more details on families of the brothers and sisters of Fannie Ruth U. There is still much to be learned. In the meantime let me list what is still missing for the Fannie Ruth U Family - which is already an excellent shape.

1) For Fannie Ruth U

a) when in 1877 was Guy Carlton Irving Unruh born?

2) For Alice Louise Unruh
   a) what is the full maiden name of ALESON WEISS and when & where was she born?
   b) where was Mark Daniel Montgomery born?

3) For Ruth Upchurch Unruh
   a) when in 1956 did you marry?
   b) I understand you have 3 children (Terri Lynn Ramsey, Ruth Ann Ramsey and John Carlton Ramsey) I show Ruth Ann as b 16 NOV 1959 and John Carlton as b 13 MAR 1960. How is this possible? Do I have the wrong dates or is one of them adopted?
   c) was Clifton Lee Dorby born 4 NOV 1955 or 4 NOV 1957?
   d) when in MAR 1983 did Ruth Ann Ramsey die and where is she buried?
   e) what is the full name of RANDA WADE and is she a boy or a girl?

Any answers you can provide on the above will be appreciated.

We have an UNRUH in our church - MARTIN and CHRISTINA (wife). - 540 E. MONACO PLACE, TUCSON, AZ 85704 (602-297-2768). Thought you might like to know. They are very nice people

Hope to hear from you soon.

Sincerely yours
Phil Upchurch

Dear Cousin Phil,

I have gotten some of the answers for you, but I'm still working on the past one. I have found, from taking to Jessie Upchurch, that Sam Upchurch was my grandfather James U brother. (I'm working with Jessie to get the exact direct line.)

I'm still in the process of getting more of the Unruh line, especially Dad's. I'm not sure at this point just when he died, but I have begun a search. I also can't remember just when I was married the first time. - but will continue to look.

I'm sending you what I have and also the picture of Thomas Upchurch and wife Sara Miller Upchurch. I hope that you can use them.

Know this is short, but must get on with some more letter writing. Hope to get the letter of to the rest of the relatives soon.

Sincerely,

Ruth

Dear Cousin Ruth,

I am delighted to have your letter of recent date and your interest in the Upchurch Family. We have a good mutual interest. Issues #1 - #7 of the U to for 1988 are being mailed to you. The other issues appear later this year. A current order blank is enclosed. You will note an updated price structure. I do hope you will order back issues of the U to.

Yes, you belong to the Charles U clan and to the Charles U/ Thomas Gay U, Sr subclan. Charles U was a brother of my GGGF William U, I. Both fought in the Revolution. I'll be glad to send you a sketch of your line and mine if you so desire.

Unfortunately the Upchurch books by Ward and Morgan are out of print.

The pictures sound great. Are they in big frames or can you send me a xerox copy of them? Some of them might be suitable for publication in the U to.

I have some details on your GF James S H and her descendants but it is quite incomplete and there are some differences between what I have and what you report and what I have gotten from other sources. We will need to reconcile these differences one time. I have nothing on the descendants of your mother and father so anything you can send to get that more modern part of the family documented would be appreciated.

I collect full names of people (full maiden names of females) including names of people who married descendants of ancestors, dates of births, marriage, deaths and places of births, marriage, deaths and burial. Approximate date of divorce is also useful.

Here are some specific questions for you.

1) For your Mother
   a) I show full name of Mary Ruth H - Is this correct?
   b) where on MAR 1962 was she born?
   c) I show she d MAR 1964, you show 15 FEB 1961. Can I assume your date is correct?
   d) where did she marry?
   e) Full name of Guy Harris, when & where born, when & where died and where buried?
   f) Please send all details on her descendants and their families.
2) For James S. H (your GF)
   a) I show he 3 JUN 1955 you show JAN 1956?
   b) What does the S really stand for? I have STMON, STMON, STMON?
   c) What date the 3 really stand for? I have STMON, STMON, STMON?
   d) Did he have just 8 children?

7 for Mary Etta Saulsbury (your GM)
a) I show she died in GINDEN, LA (should be LINDEN, LA I suppose) and you show d AUSTIN, TX. which is correct. We both show she d 28MAR 1954 and I show she was buried in Corsicana, TX.

Your uncle Fred U (James Fred U) md Alice Brown Gray. She may or may not be alive now and if so she would be quite elderly. My earlier impression was that she was last known to be living in the Corsicana, TX area, perhaps in a nursing home. I have been unsuccessful in locating more. The reason I mention this is that she was quite active in the 1950's and 1960's in collecting details on the Upchurch family. My imagination is that she has a lot of details in her head and/or a trunk full of Upchurch documents. It might be worthwhile for you to try to reach her.

The Gem & Mineral show here is quite impressive (I have been a couple of times but am not into that sort of thing (Genealogy is overpowering!!)). I have a son-in-law here who is a mining engineer and into the rock/gem bit. Also I am sure our University has a good collection. We would love to visit with you if you can come. Hope to hear from you soon! Sincerely yours

Phil Upchurch

Dear cousin Ruth
Just this past week-end I was able to find time to extract your fine letter of 25 JUL 1988 and I want to thank you for it and for all the enclosures.

So, your mother and I are 4th cousin, you and my children are 5th cousin while you and I are 4th cousin once ~~removed~~ removed.

The pictures you sent are really nice. I would like to publish in the U B the picture of Thomas Gay U, Jr and his wife and also the one of James Emeon U and his family. Do you have the original. What would be especially helpful is to get what is called a "screen print" for these two. A screen print is a special copy made by a photo store which provides for better printing.

It is great that you are collecting data on the rest of the family and I look forward to what you can get. We have made a lot of progress on the descendants of Thomas Gay U, Jr but still have a long way to go. The newspaper clippings were quite helpful. The James Emeon U family was also an interesting one and I will enjoy learning more about it as will the readers of the U B.

While we are waiting for input from you relatives here are some questions you might be able to answer:

1) For FANNIN RUTH U
   a) Is her first name "FANNIN" or "FANNIE"?
   b) When in 1877 was Emily Caroline Irene Unruh born?
   c) Did she have just two children?

2) For Alice Irene Unruh
   a) What does the 'P' in Josh P. Thomas stand for, or Josh a nickname for Johnson and where was he born?
   b) Did she have just two children?

3) For Benjamin Thomas
   a) what is her full name?
   b) what is her wife's full maiden name
   c) I know he was and 15 JAN 1933 and his wife was born 4 APR 1931. Has to be wrong. Are those dates reversed?
   d) what is the full name of Austin Thomas and where was he born?
   e) Did/does he have just one child?

4) For Carolyn Thomas
   a) what is her full maiden name?
   b) what is the full name of Mark Montgomery and where was he born?
   c) She has no children yet, right?

5) For yourself
   a) when in 1956 did you marry?
   b) where did you marry the 1st and 2nd time?
   c) what does the "L" in James L. Ramsey stand for and where was he born?
   d) where was John Joseph Hammett born?
   e) Did you have just three children?

6) For Terri Lynn Ramsey
   a) when in 1978 did she marry?
   b) what is the full name of Clayton Dorsey and where was he born?
   c) Does she have just two children?
   d) where were her children born?

7) For Ruth Ann Ramsey
   a) when in 1950 did she marry?
   b) what is the full name of Richard Wade and where was he born?
   c) Did she marry again? If so, details?
   d) what is the full name of Randi Wade and where born?
   e) Does she have just one child?

8) where was John Carlton Ramsey born? Still single?

I) For James Simeon U

a) On his birth date I now have 3 JUN 1855 and 3 MAR 1856, the latter from the letter you have of Jesse U to his Uncle Sam U. Does the U in this case stand for Upchurch or Uncle. I cannot find a Jesse or a Sam among the descendants of Thomas Gay Upchurch, Jr. Can you help me locate them in the family? Do we have any other records to clear up the birth date?

b) His obit shows him as a native of LA but my other records show born in Atlanta, GA. Do you have any facts bearing on this?

c) When in 1865 was Mary Etta Faulkner born and where in LA was she born?

d) Do you know when he moved from LA to TX and under what circumstances?

II) For Thomas Gay U, Jr

a) When in 1827 born?

b) Where in GA born?

c) When married?

d) Where in GA married?

e) When & where died & where buried?

f) Full maiden name of Sarah Miller, when in 1826 born, where in GA born and when & where died and where buried?

g) Did he have just three children [Robert Gay U, Willis J. U, II and James Simeon U?] and do you have any details on Robert Gay U & Willis J U II and their families? I have a little.

The above amounts to a lot and I know you may not be able to answer everything. Any help will be appreciated.

I understand that there was an Upchurch family bible and that then was possibly in the hands of your Aunt Ethel (D) McKelvey at one time. If you could track that down it would be great. I feel that your Aunt Alice Gray Upchurch collected a lot of Upchurch information. I hope it did not get thrown away. If you could find her files they could prove most interesting or she probably had sources no longer available to us.

Do you still have an opportunity to visit your Aunt Clara? Since she is the last living member of her generation it is important to get details from her. I'll be glad to write down questions if that would help.

Thanks for the invitation to visit. I don't have plans to visit Houston at present but one of these days it could happen and if so I will let you know. You will see from some of the U.B.'s that I was in Houston some in the 1980's and did contact some relatives.

Please feel free to ask me questions if you have any. I'll gladly share with you.

Sincerely yours,
Phil Upchurch

Aunt Tacky (Clara U) is living by herself and still can tell of things she remembers. She is the one that told me that ggm Mary Thomas Lawhon married a Joiner after her 1st husband passed away. If you ever get to Houston I hope that you will contact me. I have an extra room and would love to meet you. There are a lot of U living in Houston. Almost one from each of my GMother's children. My number if 713-729-1709.

Sincerely,

Rick
