[This Franklin Co., IL included William Co., IL until 1839. Adjacent was Gallatin Co., IL later divided into Saline & Gallatin]		

Note: An alternate, less likely, speculation is that the Female 15-20 was a child bride of William Upchurch and that by this 1830 Census she had born 2 children with a third child (a daughter) yet to be born. The main assumption is there is no wife for William Upchurch listed on the 1830 Census. She presumed to have deceased before the census. A separate original assumption was that Elizabeth was born 1830.
