C. Jesse

10/11. Zenobia/Susan – The information that I started with originally was from a family tree drawn in 1961 by Ellie Nance Bowles. Although it provided a great base, I have also found many errors in it. I believe that the listing that showed Zenobia Bradford's parents as Zenobia Upchurch and William Bradford is one of them. There may have been a Zenobia Upchurch, but I have not found any record of her or of a William Bradford. However, there is a record of the marriage of Susan Upchurch and James Bradford. In their household in the 1860 Census they have a daughter Zenobee Bradford, age 4, which fits with the age of Zenobia Belzora Bradford. I further believe that the Susannah Bradford listed in the Upchurch Cemetery is this Susan as her age in the census records fits with her birth date on the tombstone.

2. Sarah Ann Upchurch married George W Jackson – vs. – 8. Elizabeth Upchurch married John Jackson. The Elizabeth/ John family is another one I'm having doubts about. Purportedly their children were named Henry and Jesse. I can find no trace of this family as yet – no marriage record, no census records, no cemetery records. However, the Sarah/ George family has sons Henry and Jesse. So don't know if there were really 2 families that similar.
