UPCHURCH REUNION

1996, the year of the Atlanta Olympics, the presidential elections, the Chicago Bulls dominating the NBA, and the Upchurch Reunion happening in Creal Springs, Illinois!

Brothers, sisters, mothers and fathers, aunts, uncles, cousins, nieces, and nephews gathered to visit.

They came from near by.
They came from afar!
They came in a pickup,
And they came in a car.

They enjoy preparing the food...

Diane, Linda, Pauline, Cathy, Peggy and others helped get the food ready.

Linda helped the kids get a drink.

Jewel has a pan of something good to eat.

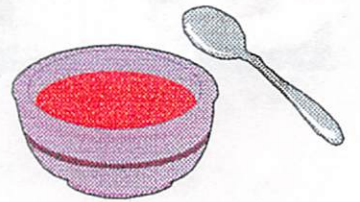

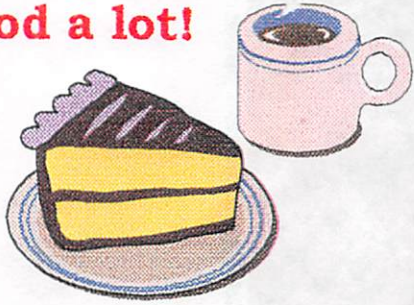

And they enjoy eating the food!

They enjoyed
taking the
food to school

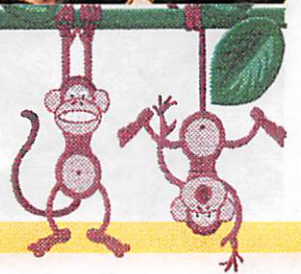

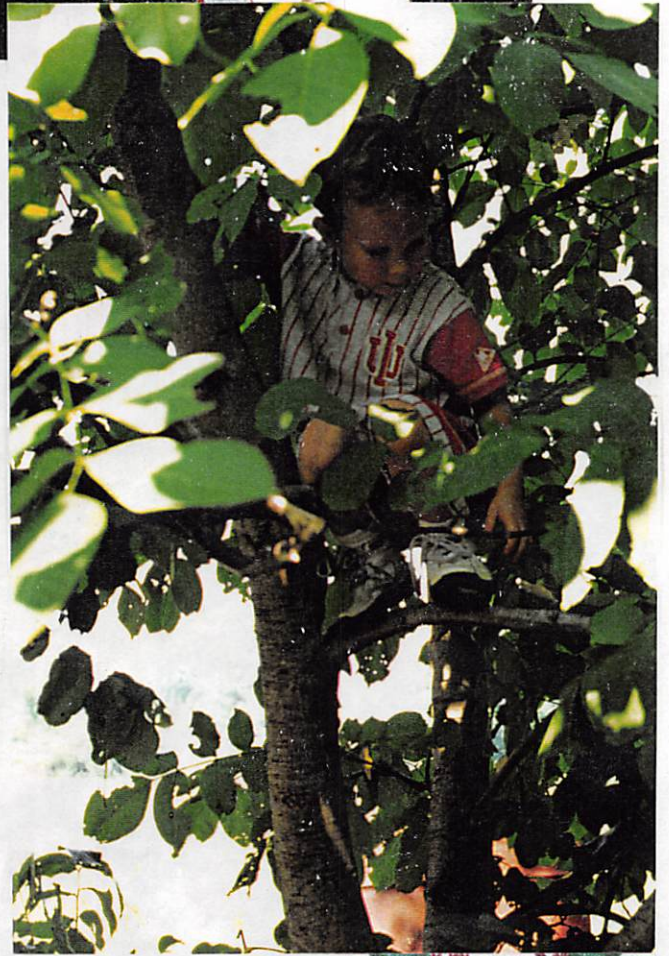

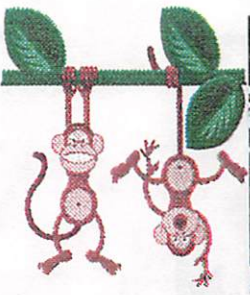

They enjoyed eating the food a lot!

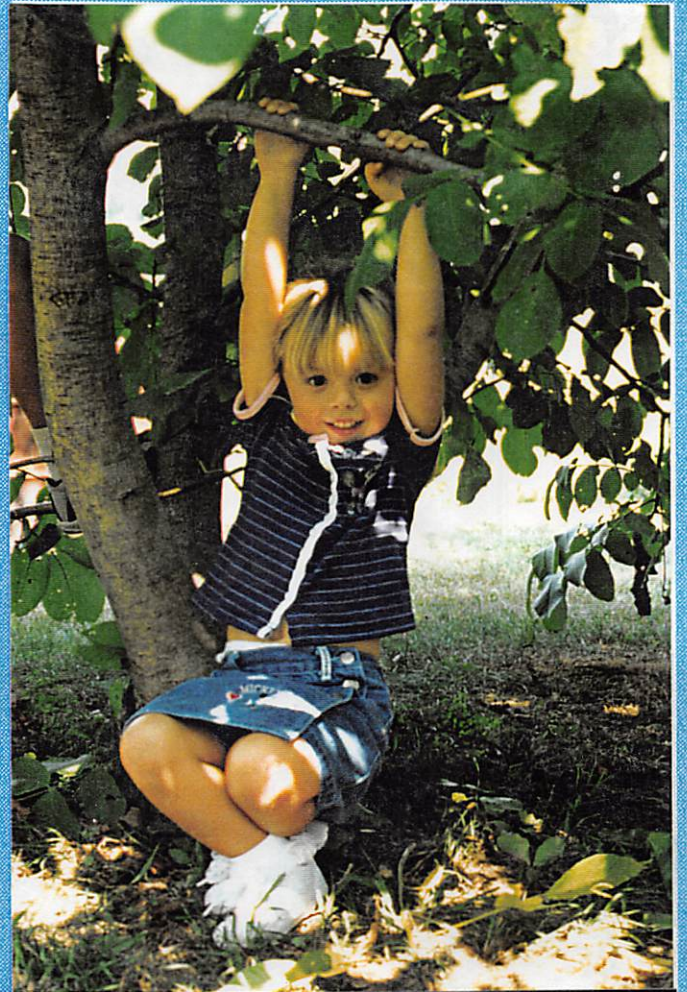

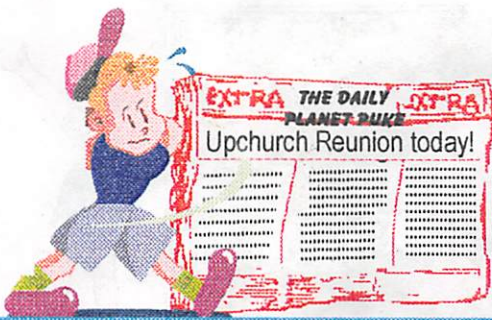

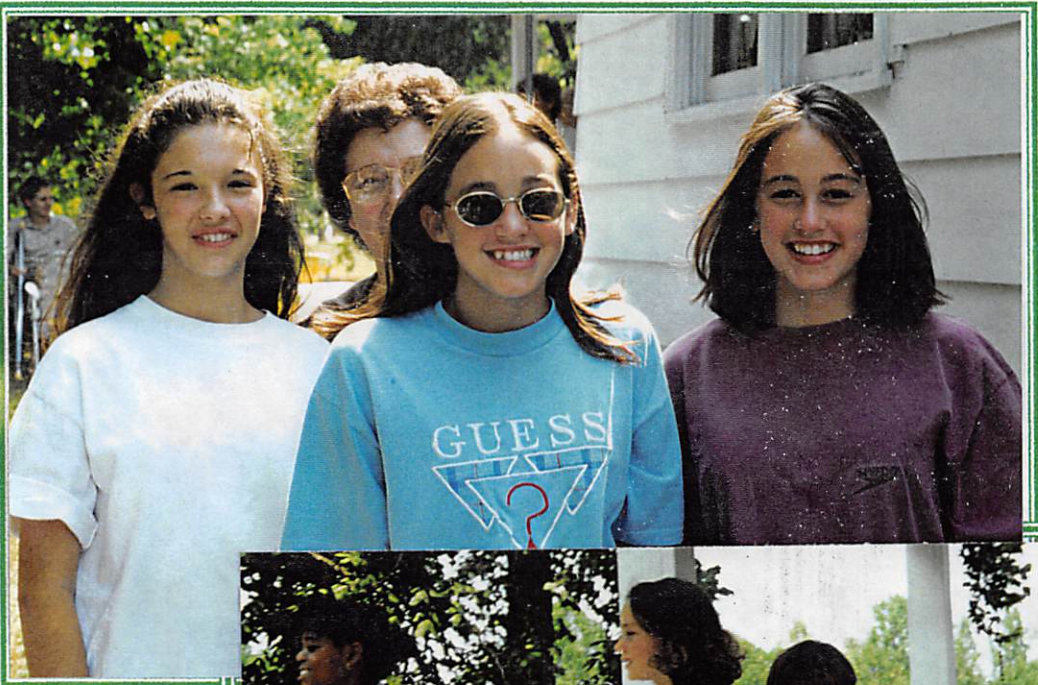

The Children had lots of fun at the Upchurch Reunion.

Shalini could not be there. She was sorry she couldn't visit her cousins. Maybe next year.

Who is that up in the tree? Maybe John?

Jewel is getting ready for the auction. Her audience is waiting to start the bidding. Here we go!!

After the auction of cookies, crackers, etc. and Gertrude Upchurch's money bank made from a fruit jar (Mary Upchurch out bid everyone for the bank), there was still plenty to eat, but everyone was full.

Now it was time to go home. Everyone loaded up and said good-bye.

A big thanks to Eva for her hospitality.

**See
you
next
year!!**
