UTLEY FAMILY ↑

Dear Mrs Brink,

I have seen the notice on your Utley Family work in the JAN/FEB 92 issue of NCGS News. I may or may not wish to purchase the publication but please let me know the price and availability.

I continue to publish the Upshur's Bulletin and as of next June will have identified and published on 30,000 members of this extended family. My Upshur ancestors arrived in NC about 1755 and settled in the Moccasin Creek Area of Franklin Co, NC. Descendants soon moved to Wake Co, NC where much later I was born and raised.

The Upshur & Utley families have been residents of Wake Co, NC for about 200 years and their paths have crossed. I have 15 Utley Biopiles in my system, copies of which are enclosed. I have copied more than one Biopile on a sheet in some cases but the 15 are labeled in red. Let me know if you have questions on any of these.

Sincerely yours  
Phil Upshur

UPDATE:

Some unforeseen problems arose with the final print copy of the book "The Descendants of William Utley and Elizabeth Turner". Among these problems was the incorrect paging of the 75 page index, which necessitated hand correction and re-entry. This task is now completed and other corrections have been made.

The final copy is now in the hands of the publisher. I expect to receive word of the release date soon and will apprise you of the date immediately.

My apologies for this delay. I'm sure you will find the finished book worth the wait.

Sincerely;
