Phil,
Took a look at the supplied Allied Families input to Ancestry and noticed a deviation from my own history.

It appears as though the George Martin Upchurch that was input by the Allied Families should be George Thomas Upchurch (brother to my Grandfather). My Grandfather, Solomon Franklin Upchurch, wa

Phil,
Have found the error of my ways. It was discovered while studying the 1910 U.S. Census. George Thomas U was living in the William Thomas U. household as a grandson. He was the son of George Martin U. who died a young man. I remember my Mother saying they all lived in a small house and William Thomas U. built a larger house house for the family (the house I remember) and later willed it to my Grandfather, Solomon Franklin U.

Therefore: my Grandfather, Solomon Franklin U. would have been the brother to George Martin U. and the uncle to George Thomas.

More to come.
Best Regards,
Dave Vickerman

Dear Dan,

In response to our email exchange of the date I provided ~~herewith~~ a copy of the 8-Page master outline for the family of Solomon Franklin U, your GF. I have backup source for the data entered. Please let me have your corrections, updates, etc either on these sheets in red or otherwise as you see fit.

After we have finished the capitalization venture there are more things we can do. Let's take it one step at a time

Best —

Phil Upchurch

by respecting continuation sections 2 and 21, respectively. If you have collected any additional information that would make the Master outline more complete or if you can get such information, it would be most appreciated. If it is more convenient to provide the information in a printout format as you have done previously that would be fine.

I am trying to make at least one two-week family history trip each year. In 1995 we took in TN & NC and it worked out great. In MAR/APR of 1996 we hope to spend two weeks going over Texas - mostly in the eastern half. Arrangements are now being made. I'll probably give a couple of Upchurch lectures - one that is fairly defunct in Joe TOMBAU, TX which is just NW of Houston. I'll be glad to keep you posted on our plans if they would be of interest.

Please let me know if you need more details from me on any aspect of Upchurch family history.

Sincerely yours
Phil Upchurch

Dear

The complications of moving from Arizona to Missouri have finally caught up with us. It is not uncommon for me to run 4 - 8 weeks behind in processing genealogical information but I can see that this is going to get worse before it gets better. We are well pleased with our new home in Lake St. Louis, MO, to which we took title on 31 AUG 94. Our household goods and genealogical records will be shipped to MO in mid-September but I will not be there full time until mid-November. Both Sallaine and I will be back and forth some. I am sending this message to let you know that I have a letter from you on family history that remains unprocessed. It is deeply appreciated and I WILL get to it in due course.

Until November 1, 1994, you can continue to write to me at the above address. Items mailed November 1 or after should be addressed to me at:

Dear Cousin David - Thank for
you packet of information dated 31 OCT 94. We now have all our "stuff" in
RPUS Missouri and things pretty much in order
- except I will be in AZ until early December -
hence cannot properly process your package until
we get to Missouri. Don't give up on me
I'll be back in touch in due course

Dear Cousin Dave,

Thanks for your phone call on 13 FEB 1994.
I have now finished Upchurch Bulletin Vol 15 No 1
and have it in the mail so I can now
get back to processing information received.
I made detailed notes on our phone conversations
and have now incorporated all those bits
of information in the Biopile system and on
the Master outline.

Provided herewith is an updated copy
of the Master outline for the Solomon Franklin
Upchurch Family. I also enclose a set of questions
on his children and a special set on
your mother's family. I'll be grateful for
any answers you may have or be able
to get. It is great that you have your
mother working with you on this.

2-

At some future date I hope we can go into more detail on the siblings of Solomon Frankland. Of course I would be willing to have details on them whenever you happen to have something.

Enclosed is a copy of my biopic on your ancestor William Thurnall. If you have corrections or anything to add I would be happy to have same.

Thanks for your continued cooperation.

Sincerely yours
Phil Yehuda

Dear Cousin Dave,

Thank you for your letter of 12 SEP 1993
and for all the details. I have just finished
processing the letter and extracting all the
details.

Here are some comments on your
descent chart.

- You have left out a generation. John
U, I b 1678 (VA) d 1758 (VA) should be inserted
between Richard U, I and James U, III

- For James U, III you have d 1713. It
should be b 1724 (Brunswick Co, VA) d 1784
(Brunswick Co, VA).

- For James U, III you show his wife as
Elizabeth. This is incorrect. We do not know
his wife's name. He had a sister Elizabeth.

- For "Happy" Shaw we have presumed her
correct legal name to be Happy Shaw as that is all

we have.

2-

Enclosed is a copy of a report of a wedding for Beverly Lynn U. These records show her as daughter of Lewis U & gd of Solomon U. From what you have sent this is verified. Can you find out how this family ties back to earlier Upchurch generations?

I have enclosed a list of questions on missing items for your mother's family. I will appreciate any answers you have or can get. I realize you are still working on various segments of the family and I will appreciate computer printouts as you procure more new details.

Enclosed herewith is a copy of my 5 page 8 item

Biofile on your ancestor John Wesley U for your use

you have already given a significant amount of help in improving the records on the John U, III / John U subclan. Hope to hear from you again soon!

Dane's FAT is deceased, his mother is still alive

Dane's FAT was career military so they moved
 about a lot. However, they maintained contact
 with their Upchurch roots in NW North Carolina
 and usually visit there yearly. Dane graduated
 from The University of North Carolina. He is in the
 air separation business and works for "Big Three
 Industries". He will subscribe to U₂ and will
 supply details on his family. His address:

Dear Phil,

Attached please find
information on the
John Wesley W. Line
as I have computed.

Some questions remain.

I am in the process of
clearing some up (dates,
places, etc.) & the exact

"plug in" of my line.

You'll see the question
on the "Descendants Chart."

I too, look forward
to our continued
collaboration.
