Dear Cousin Phil,

I'm sorry that you had such a "bad health" experience this year, but it is encouraging to see your determination to keep your active lifestyle. Aging is inevitable, but the longer that we stay away from that rocking chair, the better off we'll be.

My poor genealogy work has really suffered "bad health" every since my husband retired from the military reserves and I lost my free weekend every month. I'll get back to it when I retire next year, but meanwhile everything is just piled up by the computer. My mother nags me periodically about family matters, so I thought she would enjoy all the Upchurch publications that I've been remiss in ordering. Please send them to her so that she can see what we've missed.

Thanks for all the good work that you've done, even if we don't show our appreciation as often as we should.

Sincerely,  
*your cousin -*

Dear Cousin Mary Patt,

Somewhere along the way we lapsed into using your old address or shown by the envelope enclosed which the Post office returned. I am writing now to your new address to let you know about the status of the Upchurch publications. Also, I want to know if you failed to get any UB's because we used the wrong address. If so just let me know and I will repair the damage. We have all of our address files corrected now.

We hope to make a trip or two to FL in the next year or so. Perhaps we could have a chat on one of them.

Dear Cousin Mary Patt,

Thanks for your renewal on the U<sup>s</sup> and England for 1998 and for your contribution to the Upchurch Research Fund. There are always opportunities to spend money for the good of the cause.

We continue to make progress on the Abel U.S./Bailey U. subdan to which you belong. Of course there is always more to learn.

Our schedule of activities seems to be ever crowded. Just now we are considering a trip to NC in July - for which we are overdue. In August we may go to Manassas for the christening of Grandchild #8 - Julie Jenna Laine U. to 24 MAY 1998. We were up for 2 weeks to help with the arrival. I am supposed to go to Arizona for the Desert Sagevine Advisory Board in August & again next

February - but I may skip the August trip. Then comes the big issue - we may go to New Zealand this fall to celebrate our 50<sup>th</sup> wedding Anniversary. Sallaine has long wanted to go. We'll see. Then comes the issue of a trip to Florida. Several factors combine to place this trip firmly on our list. The best I can say now is that we may do Florida sometime between 1 NOV 98 and 30 MAR 99. A cousin from NC has agreed to meet us in Jacksonville, FL and to introduce us to members of the Upchurch family there as she knows them well. Then we need to visit Sallaine's Brother & Sister on the west coast of FL as they both have condos for the winter there in the Ft Myers Area.

In between all this matter of travel and planning for same I am fine turning over farming operations. I have now signed a new two year agreement beginning 1 OCT 1998 which will make our operations

simpler and one hopes more profitable. I am continuing to have some of the farm work done on my own with part time help. Next year Tom & I will have 600 acres of soybeans to plant - about a 10 day job. Another challenge is to find another part time worker so I can become the #3 person on the team. We hope to build a farm headquarters this fall. One stays busy.

It is great to have your continued interest and your support of the work on our mutually shared Uplands heritage. Please do let me have any input that comes your way and let me know of any questions you have.

Sincerely yours

Dear Cousin Mary Patt,

Thanks for your letter of 22MAY 1991, for the publication order and for the clippings. The publications you ordered were sent 28MAY 91 and I trust have arrived by now. It's good to have you active again in family history.

I could not match up any of the Yelwuds families mentioned in the 3 clippings. However, they have now been referenced & cross-referenced in the Profile system. I was surprised not to link the Clay Co, AL group but feel sure I have the complete name - Charles Sandell, most of the Clay Co, AL U's are descendants of Thomas Gay U, Sr. The scrapes look great! The St John F. U is likely John Franklin U (XID-6498) of the Abel U, Sr / John U subclass. I always appreciate such clippings as they add a special touch to our family - and you never know when they will trigger something

2-  
you will note that the U<sup>B</sup> recently included  
a tribute to Alia Ann (Samford) U.

Enclosed is a copy of the 2-page master outline  
for your G-F as it now stands along with a  
list of what is still missing. We don't have to  
have all of these details - still - I will be  
grateful for any answers you have or can  
get.

Please let me know if you have any questions  
growing out of the publications you ordered - or  
on any other aspect of family history for that  
matter. Also, please let me know if there are  
special aspects of the Upchurch family that  
interest you. There are many features to be  
treated - it all depends on one's interest and  
time. It's up to some of us to "dig it out"  
and make it interesting. We have made  
fantastic progress in the last few years  
and I hope we can keep it up.

Dear Phil:

A lost U. has resurfaced - a new job and a hard-drive computer crash put me out of genealogy for a while. Now I'm back and digging into the backlog pile on my desk. Enclosed is my check for the Bulletin and Englandia, including the issues I missed. Also enclosed are several items for the U. archives. I have no idea who any of these people are, but I'd bet "hard money" that you already have a file for them. My friends all know that Upchurch is one of my names so they give me anything they find.

Thanks for all your hard work and devotion to our extended family.

Dear Cousin Mary Patt,

Some recent correspondence with Edith (Tolson) prompts this letter. After moving to Missouri we are gradually getting our lives in order. A copy of our "freedom" document is enclosed in case you have not seen it. I am gradually catching up on the genealogical backlog that accumulated during our transition.

Enclosed is a copy of Edith's letter of 3 FEB 95 and details on the two infants. I assume you have these details but will send them anyway to make sure. Note that she relies on you to send details to others. Enclosed is my list of 3 JAN 1995 sent to her. I will be grateful for any answers you have re this list or the rest of the family.

Please let me know if I can provide you with anything:

Dear Cousin Mary Patt,

Many thanks for your letter of 30JUN 1994 and its contents. Clippings are always appreciated. Soans Uphurst Crooner is of my own Nathan U, I/Gilbert U Sudan.

I am most pleased to hear of the reunion anticipated for 22 OCT 1994. Wish I could be there. In anticipation of the reunion I have prepared and enclose a full set of questions on the entire John Burton U, I Family. You might use these at the reunion. However, if we can make some progress on these before the reunion I can make my Master outline that much more complete. I'll be glad to send you the Master outline for the John Burton U, I Family now or after we have entered updated information as you see fit. Actually, the Master outline is in very good shape - we just need to keep up our joint effort - some bits of information may never be available but I like to try.

We are now well along in our plan to move to Missouri this fall. We are having a new home built on Lake Saint Louis, MO about 30 miles west of St Louis proper. We can drive 30 minutes west and be at our farm or 30 miles east and be where our two kids (city folks) live with our 3 (so far) grandchildren and 2 granddogs. Our Town House in Tucson is now up for sale and, depending on when it sells, we will move our "stuff" to Missouri - probably in SEP or OCT. In any case I have obligations at the University until early November. We should be in Missouri for good by mid November. We have many plans or to do activities but some travel re family history is fairly high on the list - I'll make a five year travel plan.

Bear up under the Florida weather. I just ignore it all. That is probably because of the air conditioning you mention. Without it AZ would be a real challenge in the summer.

With All Best Wishes,

Sincerely yours  
Phil G. Church

Dear Cousin Phil,

Here are a couple of obituaries of interest. The first is from my clan (Abel U.). The second is something I just spotted in the local paper. I have no idea who she is, but I thought you might have her somewhere among that huge list of Upchurches. The families of John Burton Upchurch and Pattie Rebecca Gardner are planning their first reunion this fall (October 22). It will be held at my mother's farm (Pattie U. Waites, 1564 Montauga Road, Prattville, AL 36067, 205/365-9026) and (of course) all U. descendants are welcome. I expect to get updated charts from everyone then and will pass them on to you.

Hopefully you are not suffering from the terrible heat that I hear is bedeviling the southwest. It has been a miserable summer so far in Florida also. We have had almost constant rain and even our alligators are mildewing. Thank goodness for the modern comforts of air conditioning!

Sincerely,

Thanks for your letter of 31 MAR 1994 and for the two newspaper clippings. They have been placed in the appropriate Biopiler. Such clippings are very useful in building up the Biopiler on the members of our extended Upchurch Family. I have no one in your area who is currently sending me clippings so I will be especially grateful for anything you note. It is always helpful to have the name of the paper, the day of the week, the date and the city.

Various individuals are sending clippings from other states and they always are found to be useful.

I am glad to hear that you enjoy the UB and that you found the Roger material of interest.

RE: Abel U. Clan

Dear Cousin Phil:

The Upchurch Bulletin arrived yesterday and reminded me that I ought to send you these items for the files. It's sad that the coming of a bright new year brought with it the death of one of our patriarchs.

If you already have copies, just toss these. Since I am not sure how much file information you already have on the Abel U./Alabama clan, I will forward on to you copies of anything I run across.

The information on the Rogers line is of particular interest to me, since some of my maternal grandmother's (Mary Dorothy GIBBONS U.) family married into a Rogers family from VA during the mid-1800s. The name "Green Rogers" has a very familiar ring to it and I will make a specific search for that line in Autauga County, AL, this weekend.

Thank you so much for the excellent work you are doing and for the Bulletin. I eagerly await its arrival and read it cover to cover immediately!

Sincerely,

*Mary Patt Talton*

MARY PATT TALTON  
ROUTE 7, BOX 1170  
QUINCY, FL 32351

Dear Cousin Mary Patt,

I am taking a few day weekend and hence am catching up on some genealogy. I have just finished processing your letter of 16 MAY 93 and want to thank you for it.

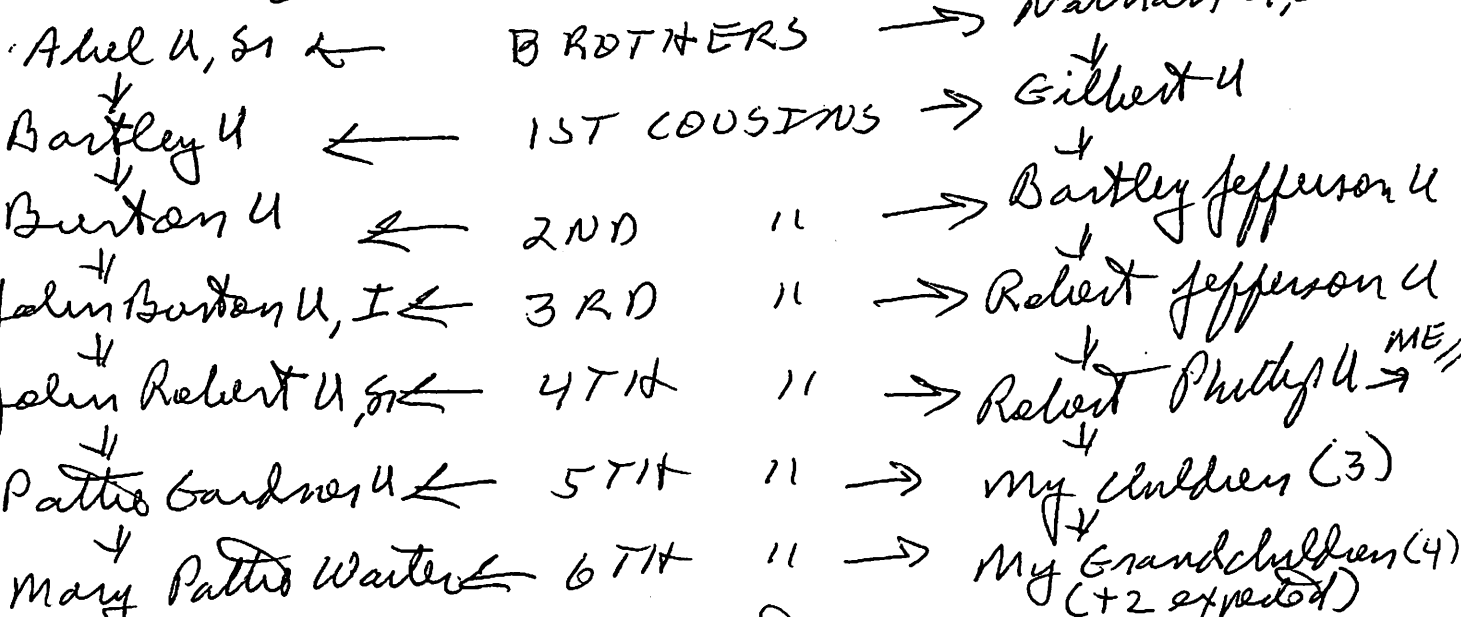

Here is how you & I are related:

Michael U, I (b 1620 England)

↓  
Richard U, I

↓  
James U, I

↓  
Richard U, II

so your GF and I are 4th cousin, you and my grandchildren are 6th cousin while you and I

are found cousin twice removed.

You will be picking up things from the U & B about your Upchurch heritage. In order to speed this process I am sending you herewith copies of the 14 page Biofile for Capt Burton U and the one page Biofile for his son John Burton U, I (your GGF). I am surprised there is not more on your GGF. Perhaps you could supply more detail on either or both of these ancestors of yours - word of mouth info, facts, etc - whatever. I would just like to have more in the file on them.

Provided herewith is a list of all the missing items on the family of John Robert U, Sr. I realize there are probably good reasons why some of these details are not available. They are not critical to our family history. I just list them in case it is feasible for some of them to be surveyed.

I checked your ANNENTAFEL CHART against my records for the Upchurch line. I show Capt Burton U md 15 JAN 1868 (not 1858) and the presumed wife of Michael U, I is spelled DELKE. It is great that you so carefully document your sources.

Hope to hear from you soon! Sincerely you,

 Phil Upchurch  
[ROBERT PITLICK UPCHURCH]

Dear Cousin Phil,

Sorry I haven't responded to your letter of February 7, but we've been remodelling the house and all my genealogy "stuff" just resurfaced from the mess. Don't you wish we all could just do this full-time instead of having to deal with all the mundane aspects of human life?

I have tried to answer all your missing details, but some will have to wait 'til I can find the answers. Where possible I included my sources.

Thank you for doing the BULLETIN, I am enjoying all the information and have passed your name and address along to several others who also have UPCHURCHes in their family tree. Mother called a short while ago and told me to tell you that she has given your name to a descendant of Abel through his son Benjamin. That branch of the family still lives in Green County, Alabama; hopefully they will provide you with updates on their group.

Sincerely,

*Mary Patt*

Dear Cousin Mary Patt,

Thanks for your letter of 25 JAN 93 and for the order for the 1992 UB issues. They were sent 1 FEB and I assume have arrived by now. Let me know if you have any questions.

I have just spent several hours extracting and rewording the details you sent. Enclosed is a fresh version of the two page Master Outline for the family of John Robert U, Sr. Also provided is a list of missing details. Anything you have or can get will be appreciated.

I was in the Air Force at Eglin AFB 1955-1957 and one of our daughters was born in Nicomille, FL. Also I had a project at Chippola, FL and passed through Quincy a number of times. Small world!

☺ Sincerely yours  
Phil Upchurch

Dear Phil:

Thank you so much for the Upchurch information you sent. My knowledge of my Upchurch heritage is sparse, and gained entirely from Mrs. Belle Lewter West's book. Since my Upchurch grandfather died when I was quite young, we were never close to that side of the family and I missed out on most of the verbal history. I am looking forward to the Newsletter to introduce me to my Upchurch family.

Of course I am happy to assist you in any way possible, and enclosed are my family group sheets that will answer some of your questions. And please don't be concerned about getting carried away with your Upchurch heritage! All genealogists tend to be that way!

I am also enclosing my check for \$12 so that I can take advantage of your offer for the 1992 issues (13-1992, unbound). Thanks again for your letter, and I will send you the information on my wayward son's family as soon as I can catch up with them (they live out in the Alabama countryside and don't have a phone).

Sincerely,

*Mary Patt*

\*Birth name, Mary Pattie, but nicknamed Mary Patt because when I was born we were living with my grandmother (Mary Dorothy (Gibbons) Upchurch). Also in the household was her mother-in-law for whom I was named (Pattie Rebecca (Gardner) Upchurch). All the first names were already in use in the household and so they called the new baby a good old southern double name - Mary Patt.

Dear Cousin Mary

Thanks for your order for the UB for 1993.  
The four issues for each year are always mailed  
in the first week of March, June, September and  
December by bulk mail and normally reach  
the readers by the middle of the month.

I have your family fairly well documented  
but am missing a few items as you will  
see from the enclosed two sheets of questions.  
Any of these details you have or can get will  
be appreciated.

For quite a few years your Ancestor Abel  
U, Sr was placed as a son of William U, II making  
you a member of the William U, II / Abel U, Sr Subclan.  
In the 1992 issue of the UB I documented that  
Abel U, Sr was the son of Richard U, II. This places  
you as a member of the Abel U, Sr / Bartley U  
Subclan. If you want to purchase the 1992 issue  
of the UB you can read all about this - or I  
can mail you the advanced draft section that gives

the essence of the <sup>2.</sup> matter.

The Abel U, Sr Clan is now getting to be a very large one but we have made a huge amount of progress in documenting this clan thanks to many participants over many years. We continue to learn much about the roots of this family in Alabama since their arrival there about 1835. Prior to that time Abel U, Sr is on the record in Wake Co, NC and Franklin Co, NC. He was born, grew up and married in NC and was a brother of my GGGF Nathan U, I. Their father Richard U, II arrived in the Meunasin Creek Area of Franklin Co, NC about 1755.

Mary, you can see I get a little carried away about our Upchurch heritage. I don't want to press you beyond your natural level of interest. However, to the extent that you so desire, I am anxious to exchange information.

Sincerely yours  
Phil Upchurch
