to parts of that family. You can provide whatever you know and chose to provide. ②

I normally collect full name (full maiden name of females), dates of birth/marriage/death and place of birth/marriage/death/burial. For places I like to include town/county/state or name of cemetery when available. We rarely get all that stuff but it is fun to try.

I'll be in touch with John right-away and am sorry it has taken me so long to get to him - and to you.

If you have any questions please let me know. I'll have more to share with you as time goes by.

With Appreciation and All Best Wishes,

Sincerely yours
