James Theophilus Adams served in Company D, North Carolina 26th Regiment, Confederate States of America, rising from the rank of lieutenant to lieutenant colonel. His picture and an account of his service appear in Chief Justice Walter Clark's History of North Carolina Regiments, Vol. II; in George C. Underwood's History of the Twenty-Sixth Regiment of the North Carolina Troops in the Great War 1861-65; and in Richard B. McCaslin's Portraits of Conflict, a Photographic History of North Carolina in the Civil War. He was in command of the regiment when General Robert E. Lee surrendered at Appomatox, VA; and he signed the paroles of the men. For a period he also commanded General James Johnston Pettigrew's Brigade, during its retreat from Petersburg, VA. His name appears on the Confederate monument in Holly Springs, NC; and a picture of him is on display in the Holly Springs Masonic Lodge.

Following the war he returned to his home in Wake County to farm and become engaged in the lumber business. He and other members of the Adams family bought the timber rights to tracts of land, then set up sawmills to cut and dress the lumber. His home, located near Holly Springs, is still (August 2000) standing. It is pictured on page 364 of Kelly A. Lally's book, The Historic Architecture of Wake County, North Carolina, and is incorrectly identified as the home of "Col. David Adams" (his brother).

His birth, marriage and death dates are given in a family Bible, and photostats of those pages are included in these papers. He was named as Lucy Ann Beckwith's husband in Green Beckwith's will, Wake County, NC, Record of Wills, Book A, 1878-1884.

I hope this finds your medical situation improved. We seem to be bearing up quite well although we do have some need to have the services of doctors of various kinds. We have not been satisfied with the Primary Physician we selected when we moved here 4 years ago. So we have selected another Dr and have had a session with him. He seems fine. Both Sallaine and I go to him 295 EP 1495 for complete physicals and to get off to a good start with him.

It is great that you have been able to get some other family members interested in family history. Not all are interested so it is encouraging to us all to find a family member who will cooperate.

With All Best Wishes:

Sincerely,
Phil Upchurch

Dear Cousin Phil,

REC'D
22 AUG 1998

I apologize for being so slow in responding to your last letter, however, I have Muscular Dystrophy and from time to time if I seem to "drop" out of the picture, just assume I am having some difficulties and will catch-up when able. I have been battling a kidney infection for about the last month and it is taking forever for me to get my strength back.

I was able to attend the picnic at my Grandparents home and did get a little more information. I think I also mentioned I had written my grandfather's cousin and she has sent me some information and has written a member of each family and requested their information as well. She says she will forward it to me as soon as she receives it. There will be a Golding reunion in September which I would absolutely love to go to but will not make it. I am hopping that Callie, my grandfather's cousin, has caught just enough of the genealogy bug from me to gather some further information there.

I am enclosing a new family report on John Clayton so that you may update your files with what new information I have picked up. I will also let you know as I receive further information from Callie.

Thanks again for all your help. I really appreciate it.

good faint and hard to read. Page 7 is my attempt at transcribing the letter which starts on [A] and ends on [B]. Elizabeth Templeton placed a note at the end of [B]. According to her note the children of John Wesley U [including possibly your NANCY] practiced writing on the margin of the letter - thus making it harder to read. At the top of [A] you will note the name "RAVSEY" and in Elizabeth's note the name "ROSSIE (or ROSSIE?) U. RICHARDSON". I believe there to be the same person and to be in fact ROSAMONA U who md WILEY RICHARDSON. She would have been a 1st cousin of your Nancy.

I have her nickname written several ways but suspect it was "ROSIE". At some point it would be nice to have a readable transcription of the second letter (on [B]). Perhaps when someone looks at the paper Elizabeth Templeton wrote the original will be found and possibly it will be more readable.

Letters such as these are rare in our Upchurch heritage and it is natural for us to treasure each one.

Julia, I don't have any specific questions to put to you in this letter but you already know that all Upchurch descendants interest me and that I am anxious to have anything you collect. Not all family members are as interested in family history as you and I. Evidently, future generations will appreciate the record we are building. In the meantime we are fortunate that there are a few of us like-minded souls who find each other and enjoy working together and sharing.

With appreciation for your ongoing interest in our shared family heritage.

Sincerely yours

☺

of those siblings of Fonda who may have had offspring and we know nothing about such offspring - if such existed. The offspring would have been the 1st cousin of your GF John Woodrow Bolden.

In appreciation for your cooperation I provide herewith as a gift a copy of U B Vol 19 No 1 (JAN 1998) which contains the picture of John Wesley U, a brother of your William B. U. who was the grandfather of Fonda. But another way John Wesley U was the great-grandfather of Fonda.

Please let me know if you have questions. I will welcome the opportunity to continue exchanging letters.

Sincerely yours

of his grandchildren (if any/known) are covered in continuation sections as indicated by numbers on the left hand side of the pages. Please let me know if you need copies of any of these continuation sections.

Enclosed is a set of questions on some of the missing items on the Forda Greene Golding Family. Not all of this information is essential but I will be grateful for anything you have or can get.

I am anxious to know if you have learned anything more about the siblings of Forda Greene Golding and their families. Perhaps your father has responded by now. You can see my records on the 8 brothers/sisters of Forda are quite limited. The order in which they are listed seems correct according to their birth date ^{→ [ACTUALLY I NEED TO PLACE IN ORDER]} except for Ola since we have no birth date for her. I wonder if any of these siblings of Forda had children?

Julia, it's great to have you as a cooperator and I look forward to working with you.

Sincerely yours

full names (full maiden name of female), dates of birth, marriage & death and place of birth, marriage, death, and burial. For any given group it is rare to have a perfect set of details but I like to try.

Your Nancy C. U. was the daughter of William B. U., the gd of John U., III and the ggd of John U., III. This John U., III was one of 22 members of the Upchurch Family in America belonging to the 5th generation of the family in America - Michael U., I being Generation #1. I treat the 5th Generation Family Member as Heads of Upchurch Clans. Thus you belong to the John Upchurch, III Clan and further to the John U., III / John U., III subclan. I have located and published a great deal of information on the John U., III Clan. In fact, the latest Upchurch Bulletin contains a picture of John Wesley U., a brother of your William B. U.

Enclosed is a copy of details on the Upchurch Publications and a copy of our "freedom" document.

John U, III lived the major part of his adult life in Brunswick Co, VA. He moved to Chatham Co, NC around 1780 and died there intestate in 1795. I have had great success in tracing his three sons and their descendants but somewhat less in tracing his daughters (5 as I recall). It so happens I was born and raised in Wake Co, NC about 8-10 miles from where John U, III settled in Chatham Co, NC

Over time as we have opportunity to exchange information I will have additional details to send depending on your interest. Please let me know if there is something special that interests you.

I am sorry that Muscular Dystrophy limits your activity but congratulate you on proceeding with interesting activities never the less

Hope to hear from you soon

Sincerely yours

Dear Phil,

Thanks so much for your recent letter and information. I do so love hearing from you and appreciate the time you take for me.

I am attempting to answer the questions you listed on "missing details on the family of Forda Greene Godling".

- 2) A) Yes, John Woodrow only had the eight children.
B) Yes, Grandmother (Lavada Mae Creed) is still living.
- 3) B & C) George Marvin Williams, Jr and Gregory Lee Williams are buried at Sunset Memorial Gardens, Rural Retreat, Va.
- D) My brother John and his wife do not have any children.
Pamela Beth Lambert was born in Clayborn Co., Tn.
- E) Valerie Beach was born in Bristol, Sullivan Co., Tn.
Rachel Gilbert was born in Bristol, Sullivan Co., Tn.
Full name is Rachel Elizabeth Gilbert.
Stephen is her step-father.
- 4) A) I don't know when Janet Marie was married but she was married in Galax, Grayson Co., Va.
B) She only has the two children.
C) Jennifer only has two children.

Dear Mr. Upchurch,

Thank you so very much for your reply and for doing so so quickly. I was so thrilled to hear from you.

I am enclosing a copy of the descendants of John Clayton and Nancy C. Upchurch Golding. I research several of my families and did not realize until now that I had so little information about their children. Yes, Ola is their's. When my Grandfather sent me the list of their children, he just forgot to list her. My mother verified that she indeed was their daughter, in fact she had known her well.

So many of these died with T.B. John Clayton Golding and his father William, 5 of John and Nancy's children including my great-grandfather, Forda. My grandfather even began having symptoms and was found to have the germ but has of course been treated.

I have written my grandfather and asked him to give me the missing spouses and children of John and Nancy's. It may take him a while as his is 83 and slowing down. Of course, he's faster than I am and I am 39! At any rate, I will pass the information along to you as soon as I receive it.

I am most interested in subscribing to the Upchurch Bulletin and ordering the back issue you mentioned having the picture of William's brother. I am unable to do that at present, but hope to in the very near future. I would like to commend you on your work. For someone in my situation who cannot go and do the research and investigating, people like you are a life savor!

I began my research about 9 years ago when my oldest son needed family tree information for a class project. It was enough to spark my interest and it grew into a wildfire! When I began getting ill in 1990, I stopped and just put it all in a box and didn't pull it out again until my brother gave me a small computer about a year ago. With the Muscular Dystrophy and 4 boys, I just hadn't had the time or the energy! My youngest started school last year and so that freed up some time and the computer gave the ability to write without so much pain and to communicate over the internet to gather information. I am researching approximately 15 surnames including in Grayson Co., Va. - Anderson, Baker, Brannock, and Goodson; in Carroll Co., Va. - Bedsaul, Golding, and of course Upchurch; in Surry Co., NC - Creed & Norman; and in Smyth Co., Va - Williams, Suits, Gollehon, Wymer. My mother is from Grayson County and my father and I were born in Smyth Co., Va.

You had asked if I had any special information I would like to have. Well, of course I want to be greedy and want it all (Ha) but I would like to know if you know Nancy's mother and her siblings in particular. Granddaddy knew the least about her family than any other.

- △ + □ John Clayton and Nancy U. Golding are buried in the Edwards-Upchurch Cemetery in Lamsburg, Carroll Co., Va. Most of their
- + □ children are, also. My mother visited there a year or so ago and
- took a few pictures for me, but she of course did not know to look
- for the things that I would have been interested in, such as other
- Upchurch's buried there, etc. These of course were all Golding's.
- + △ My grandfather said Nancy was over "who was buried where" in
- △ + △ her family and had her children placed side by side leaving no
- room for their spouses. It was thought to have been intentional.
- + □ + △ We were saddened when my g-grandmother died in 1979 that she
- △ + □ couldn't be buried with my g-grandfather.) At the time, I didn't

Well, I write like I talk, on and on and on..... I will close now and again, when I get a reply from my Grandfather, I will let you know the particulars on the children of John & Nancy. If I can pin my mother down long enough, she can probably give me some of the information. The trouble is, anyone who is alive and knows anything about anybody I have already drove plum bananas asking so many questions! Ha. My relatives tease me about running when they see me coming! Take care and thank you again for your welcomed letter. May God richly bless you!

☐ Dearest Cousin Phil,

— Thank you so very much for your letter and for the gift of the January 1998

☐ Upchurch Bulletin. I am so very grateful and appreciate it so much.

— [FORDA GREENE GOLDING] → [JOHN WOODROW GOLDING]*

☐ I am going over the loose ends we have and trying to gather as many answers

Δ+Δ for us as possible. Forda died when Granddaddy was just 12 years old and

Δ+Δ+Δ+Δ his mother moved back to Grayson Co., Virginia so he didn't get to see his

Δ+Δ father's people much after that I don't think.* He did send me the address of a

EDM

Δ+Δ+Δ cousin whom I wrote and she has replied. She said she is in the process of

JANE

— contacting the other cousins of granddaddy's and is requesting the information

GOODSON

Δ+Δ so that she might write it all down and send it to me. As soon as I hear from

Δ+Δ+Δ her, I will forward the information on to you. Her name is Callie Sprinkle

Δ+Δ+Δ+Δ Burge. She is the daughter of Lelia Golding and Colie Sprinkle. She did

☐+☐ send me a little information with her last letter which I am enclosing below:

—

Δ Colie Sprinkle born 8/10/1901 died 10/29/1945

Δ Married (11/29/1919) Lelia Golding born 12/1/1894 in Lamsburg, Va.

— (Lamsburg is in Carroll County)

— Thier children:

Δ+☐ 1) Callie Sprinkle m ? Burge

Δ+☐ 2) Celia Sprinkle m ? Richardson

Δ 3) Holland Grey Sprinkle

Δ 4) Lonnie Sprinkle

Δ+☐ 5) Pauline Sprinkle m ? DeHart

—

☐+☐ I realize there are a lot of unanswered questions she left such as when's and

☐+☐ where's but I figure I will have to take what I can get when I can get it!

☐+☐+☐ I will be asking her more as she sends the other information she is gathering.

☐+☐ I sent her forms and asked her to fill in the blanks. She said she would but it

— might take her a little while to do it and to gather the other info from the other

— cousins.

—

☐+☐ Some of your other questions I still don't have answers for, some I do.

☐+☐ I hopefully am going to be able to attend a family reunion in August and so I

☐+☐+☐ hope to get the rest of your questions answered then. When we have these,

— they usually run from me, though, because they know I'm going to ask

— questions. Ha.

Dear Mr. Upchurch,

I have been researching different surnames in my family for several years now. I have, however, only just began to work on the Upchurch ancestors. I was given your name and address as someone with authority on the Upchurch surname and that you may be able to point me in the right direction.

My g-g-grandmother was Nancy C. Upchurch Golding. She was born on July 18, 1867 in Wilks Co., NC. She married John Clayton Golding of Lambsburg, Carroll County, Virginia. John was born October 5, 1865. Nancy died October 25, 1937 in Carroll County, Virginia and was buried at the Edwards-Upchurch Cemetary in Lambsburg. Nancy and John had the following children: 1) Forda Greene Golding (this is my maternal grandfather's father. He is John Woodrow Golding and still resides in Galax, Va.), 2) Lillie Belle, 3) Floyd Roscoe, 4) Lelia, 5) Edna, 6) Vealon, 7) Laura, and 8) Estes. Nancy's husband John, John's father, and five of Nancy and John's children died of T.B. although the children were grown at the time of death. Estes is still living in Lambsburg and will be 89 in April, but has had strokes and cannot remember any family history.

If you would have any information about Nancy at all, I would certainly appreciate your sharing it with me. Or if you have a suggestion. I am sure there are probably some links with the other Upchurch's buried at this cemetary, although I do not have a list of those buried there. I use a wheel-chair due to Muscular Dystrophy so it's pretty difficult to go rumaging through the country. They just don't make many wheel-chair accessable cemeteries! Ha. I also have four little boys and I can imagine that, as well! At any rate, thanks for allowing me to impose on you and again I appreciate any help.

Sincerely,
